THIS IS WHERE YOU CAME IN.

Every once in a while I get letters from family members asking me where the relationship lies between myself and the Clark family and some of them want to know where they come in as far as Thomas Henry Clark and Charlotte Gailey are concerned.

For the past five years we have been gathering up family group sheets on the family. We do not have a complete set of them but we have a lot more than you probably think we have, and we have enough that we know who is missing. From these records, Colleen Kling has compiled the information on the following pages. These pages give the children and the grandchildren of Thomas Henry Clark and Charlotte Gailey, who were the original immigrants of the family to the United States, and the first members of the family to join the L.D.S. Church.

From the attached records I think all of you can determine where you come into the line. Certainly all of us know our own ancestors back as far, at least, as the grandchildren of this couple. You will notice that a number is given at the left hand side of every name. That number indicates the descendancy from Thomas Henry Clark. For example, the number 8 indicates that Mary Ann Clark was the eighth child of this couple. The number 8-7 indicates that Esther Anderson Halladay is the seventh child of the eighth child of Thomas Henry Clark. It is the system we have devised and used to enable us to identify all our sheets. Each of you has a number in our records indicating which generation you belong to and which child of which child of which child you are.

As for myself, I am the son of Gladys Rachel Clark who was the daughter of Thomas Henry Clark (1-2) who was the son of John William Clark (1). Who are you?

THE CLARK NEWS.

The Clark News is a small paper published periodically and contains something of the past of the family, insofar as we have been able to learn it and something of the present. We used to issue it free but now we charge for it. It costs 50¢ for 7 issues and \$1.00 for 15 issues.

If you would like it sent to you, send your money to me, Bernard Price, 1195 Bannock Ave, Idaho Falls, Idaho. If you have any diaries, letters, histories, etc of the family, we would like to have them for the information of the whole group.
