Dear Sharon

I received your letter today. The family group sheets you want are in the Library in Salt Lake. I don't know why you keep hanging on to Elizabeth Mycock and Jacob Smith they are a completely different line

I've had a lot of information from Eudocia Beatrice Huff Hutchinson she has Grandmother Smiths Bible and some of the family information her address in 1984 was

Eudocia Ruth Huff ~~Hutchinson~~ Hutchinson
her address was P O Box a
Snowflake Arizona
a z 8 5 9 3 7 telephone 4 0 2 . 5 3 6 4 3 3 4

I received a letter from David Smith he is the son of Melvin who was my father-in-law by Eliza Ike is an attorney in the Salt Lake area. I sent him a lot of information but he could imagine him helping much because he was related to Emer Taylor and their family are doing Taylor Genealogy. I don't know any reason why we should force an organization where you want to go off on a line that just ends

I'm sending you a Copies of sheets that you might see what you can find.

Your Jacob Smith his father was Stephen who had 3 brother and no sisters look at our Stephen Smith 3 sisters look at the address

I agree we need to work on this but I'm not interested in the lines you are pursuing
