Dear Theron and Nora,

Enclosed is a copy of the letter we received from the Logan Temple. Please note that there are two dates that are different, the birth date of John Edward and the other, the birthdate of Stephen Smith. These were living endowments, were they not with information they gave themselves when they did the work, and there is no record of sealing work being done for the twin. Did you ever get a birth certificate for him? Please note, too the listing is for Arthur Clyde, not Clyde Arthur.

I'd have given a copy of this letter to Beatrice. She has contacted my Aunt Beatrice's grand daughter who lives close to the temple in Mesa. This grand daughter wants to do her temple work, as Beatrice will send in an individual entry for her specifying that it is to go to the temple in Mesa.

Hope this is agreeable. Please let us know if you have any other information on these sheets. The were questioning the endowment dates for John Edward and Thomas Henry both being on the same date and both less than a year after they both died. Endowment records are not available here at our library. Hope you can get this straightened out.

I called Norma. She is living in the house in Hyrum and still working at the Library. Mark is still working at Caldwell but just [illegible]

[illegible] supposed twins. Do they show on your family group sheets, too? or are they just a figment of someone's imagination? Beatrice Clegg has a F & H that that shows Clyde another and a brother listed only as "Mister Smith." We've conjectured it could have even been stillborn. In that case there would have been no sealing.

We'll be down conference time. Hope you have an answer back from England by then. If you need further information let us know.

Love
Ray + Margaret

Thelma in talking with Beatrice on the telephone last night, she said that it was her mother who took care of having the endowment work done for John Edward & Thomas Henry on 15 Dec 1921 in the Salt Lake Temple on the day that she married Alfred Rice. Her mother was is Catherine Ellen Livesey.
