Visited Laie 8th ward Relief Society. Young adult teacher, Margaret Atoa bore her testimony. Told of praying for strength to "correct" her father, a very un-Polynesian thing to do. When he asked why, she said because of the way they treat their wives. He told her her mother was one in a thousand. And she answered, "Then ~~don't~~ treat her that way. A good early dinner at Four Seasons Hotel.
Delicious salmon - My stomach has been a bit

Sun, 30th

Up before 7:00 for 8:00 AM Sac. Mtg. No such thing! Started at 9:00, Had a greasy spoon breakfast - walked

around Lincoln Center / Square until church time. Impressive facilities for five church units; Manhattan 1, 2, 3, a Korean & a Spanish Branch.

Manhattan 1 where I attended is a young ward. I found it interesting. Not a specially friendly ward as you'd expect. Enjoyed Sacrament msg. S. S. teacher fairly provocative. Left the class dancing.

On my way home I met Jon D. from Indonesia, and his wife on So. Central Ave. He was in my Management class winter semester. His children are staying with Judy Beyers. He's working in the Plaza Hotel.

The Gays had a parade - an enlistment 'for non-oppression'. Good thing I didn't need to leave any earlier. It would've been difficult to've gotten a taxi.

Searches - read the N.Y. Times. Sat beside a former Juillard Music student, for the past five years a mad student in Little Rock, Arkansas, on the train.

Wilma, Paula & Eric Hirschmann met me - on schedule, at Amtrak station in New Carrollton. Visited until midnight.

I sat with Wilma in the lawyer's office for about 1 1/2 hrs. as he did the tax - filled out forms & disposed of Nancy's assets. The fire of ~~the~~ got \$26,85.19. To Beiliny Springs. Peered in the windows of Nancy's old house. It looks nice. Visited Cecil Goode, Etila & Jimmy Holland. The new

owners of Nancy's house came & showed us through. They're doing some nice things.

Stopped in to say hello to Margie Bridges across the street, drove out by the farm & stopped in to see Sallie Hone. Had dinner at a "fish camp". We're all tired. The night in a motel outside Shelby, N.C.
Wed, 3rd To Raleigh

Breakfasted on honeydew and cantaloupe. To Cliffside where Wilma got envelopes to send checks to Vivian, Lottie and Nava culminating/settling Nancy Greene Harper's estate. We also stopped by Pat Lowmy's. They had told ^{Wilma} ~~me~~ at the post office that she was camping. We left a note on the door.

To Raleigh, N.C. where we had dinner with Edna Parker & Chloe Hodge. Back to Edna & Bob Parkers where we're spending the night.

Their son, Matthew (Matt), is 23.

Thurs. 4th Raleigh to Nahunta

Awakened by the aroma of bacon. Hearty breakfast. To the capital, looked around, a program going on on the old capital ground all day.

To Selma & Jim Coster's. Dimple & Carl Mellor, and Deane were there, also two "boys" from the ward. Brothers. Lunch - visited. To the cemetery. Quiet, peaceful.

The children (three Costers and Eric, Paula, a marine, Felix) went to a birthday party and the fireworks.

To Benzel & Helen Aycock's. Their daughter, Grata, was there. When Helen asked Benzel if he knew who Wilma was. He said, "Aunt Edna". He went to bed. So sad - Dr. didn't call his problem Alzheimer's - could develop into such - his brain cells are matted together.

Fri, 5th (skip) (Nahunta to Raleigh) → Dimple had here -
Sat. 6th We (Wilma & I) spent the night with Helen & Benzel Aycock.

Until about 1:00 pm we helped fix Helen & Benzel, then Jim & Helma move their turkeys to the range. Paula & Eric Hirschman lasted well. Cute nice young people. I wore Delma's pants and someones old shoes. Toy navy blouse was gray with turkey dust. Interesting experience.

Costons moved their turkeys by trailer; Denzel by simply "shooing" them into the next field (range).

I drove Wilma's car to Alice Best's. She, Irene (Johnson) Futrell went to Wilbors together for our high school senior class "get together". Johnnie Howell & Maryalice (his wife) Junior (Ronnie) Hallard & his wife, Flora Mae (?) & her husband & Lois Shirley ? were there, these people.

Alice & I visited on our return home until we about yawned ourselves to bed. I was tired.
Sun. 7th Goldsboro to Nahanta

Alice was up & cooking her dinner by 6:30 -
By 7:00 we were chatting - She left about 8:00 for her library job. I wrote in my journal. Church is at 9:00.

Mon. 8th Nahanta to Greenbelt, Md.

We left Nahanta around 9:00 AM after waffle breakfasts at Costons & Aycocks. Eric drove all the way. The car stalled three times, always in very inconvenient places. The third time Wilma suggested a prayer. Eric gave a good one and we did get home. We were all "winded" out.

We stopped at McDonalds for lunch and as Wilma finished eating she fainted (?) blacked out (?) Eric & I were / are concerned. She was concerned too. Think she felt concerned about driving I could tell.

Gladys Banks called. They had a good trip. Will see them in Utah.

Uneventful trip. Took the limosine to Urem with ten missionaries (\$12.90). Neva was at Relief Society. Visited with Theron & Bryan until she came.

Fri. 12th

Ironed. Vacuumed. Dusted. David ^{Smith} showed some of the things he has done/is doing. Interesting.

Neva was chagrined that they hadn't left the car. Went to the mall with Neva to get material for the skirt she'll wear at David's wedding reception.

Pizza & salad dinner. Picked up Ryle at his grandparents. Clive's dad had just finished a neg.
