

1 JANUARY 2017, SUNDAY

TO Sacramento meeting and SS. Look forward to studying the D&C this year; Christina taught the lesson. Was able to give jam to Sue, Christina and Alice. Norm and Ramon gave me a beautiful blessing. Barbara and Abe called from CA. Long visit. Wanda didn't go to church; when I stopped in to see her she said she was all ready to go when her legs buckled under; spent morning sleeping. Took macadamia nut chocolates to table mates. Some beautiful calendars on the receptionist's desk. Several e-mails wishing happy new year. Danny has been released as high priest Group leader after 5 years and four months.
BLESSING; A blessing.

2 JANUARY 2017, MONDAY

Carla came back today after only three days with her daughter. The Robinsons did FHE, featuring the Engstroms, Hildy, Lindy ??, Verlynn and me. Rather uncomfortable watching myself especially the representation of Uncle Herman's pasture and Nahunta school. Did a lot of work to get them all together. Talked to Betty J.; she has a cold, runny nose. Got my 2016 journal together. Wanda not feeling too well. Snow flurries. In and out of the library several times. Enjoyed; found enlightening an article in the New Era ; re media use but also referring to Moroni 7:4 "...I judge these things of you because of your peaceable walk with the children of men."; as we have negative and certainly unfair attitude one is not walking very peaceably, not being very Christlike in my thoughts..food for thought re my thoughts re "my walk with people"
BLESSING: The article in the New Era

3 JANUARY 2017, TUESDAY

E-mail from Alan that Wilma had taken Keith to the hospital with heart related problem. Put their names on Provo Temple's prayer roll. Becky wrote in length re her family, patterned after Shirley's new year's letter. Went to the Alaskan Cruise, the 3 PM activity; Jessica and Marissa had worked hard on it: food, pictures/write ups of country, Northern lights, animals, fish. Shuffle board which a number of people participated. Eric called to say they would take me to Conner's wedding reception; so nice of him. Christmas card from Jason and Emily Smith; their twins were baptized in '16.
BLESSING: Eric's thoughtfulness.

4 JANUARY 2017, WEDNESDAY

Wanda has had problem with her legs folding up on her and said Wilma would be taking me to Conner's sealing. Haven't heard from her and understand after Alan's letter she will be busy with him. Keith sent a selfie and said he would be in the hospital another night. Conner has arranged for Alicia friend, Sara to take me to the sealing. Rod is taking Don. Did a load of darks. Excellent lesson on President Hinckley in RS. His sister-in law shared some of her memories of him. Delightful. Lost a lens out of my glasses; knew I had dropped them twice, first in the library and later in my room. Found the lens in the library. Screw missing from my ear piece.
BLESSING; Found lens frm my glasses.

5 JANUARY 2017, THURSDAY

Alicia's friend Sara and her husband Cole picked me up for Conner's sealing. Ron and Karmelle took don. Alicia sat in the groom's mother spot and I in his grandmother spot. From there to Lettie and Don's until Ruth took me to the ward for the ring ceremony and a luncheon. Ron and

5 JANUARY 2017, THURSDAY, cont.

Karmeale came; sat with Ruth, Alicia, Des and his wife, Ron and Karmeale, ruth's friend. Nice big salad/dressing and later a choice of about fifteen different soups, sour dough bread that Des brought from San Francisco. Ruth got some for me to bring home; shared with Wanda. Wasn't hungry but did go to evening meal. Learned the trip to the temple was counseled. As I waited for my ride this morning one of the home health nurses, can't remember her, knew her for being Dorothy VanWagoner's nurse, insisted I take her gloves.

BLESSING; Nurse giving me her gloves.

6 JANUARY 2017, FRIDAY

Wanda has been having trouble with her eyes. Keith F. is home. Did my "White" load of wash around Geri. Her memory has something to be desired. I think I will stick to morning wash. Not as much possibility of competition. Read the first Gordon B. Hinckley lesson for the year. Will try calling Lettie before I go to bed.

BLESSING: Drawer full of clean garments.

7 JANUARY 2017, SATURDAY

Talked to Lettie and ruth. Don dehydrated; disoriented. Ruth sounded weary from her week. Wanda having problem with legs holding her up. Took her scrambled eggs at non. Slept a good part of the afternoon. Cold, cold. More snow forecast. Took See's chocolates for evening meal. PUT Lettie, Don and Ruth's name on the Prayer roll.

BLESSING: Lettie seems to be hanging in there.

8 JANUARY 2017, SUNDAY

Wanda went to church; Bro. Robinson asked her to speak in church on the 30th. Alice W. Gave a continuation of the Introduction to the D&C. Slept two hours. Shared Famos Amos cookies with Theresa and Geri. Theresa has cataract surgery tomorrow. Long article in paper today re the Memorial service for LaDell Andersen by his former athletes, co-coaches, etc. Ric Mahoney died last week; heart attack. Funeral yesterday. 74 years old. Betty J. Called. Sounded good; said Gladys slept in church and SS. Got contribution envelopes and paid my January contributions; good feeling.. Diane and norm came home teaching.

BLESSING: Sacrament meeting and SS and home teachers.

9 JANUARY 2017, MONDAY

Finished the Anne Perry book; several more in the library but I think I have read them. Theresa had her cataract removed. Fern 's legs collapsed on her when she was getting back on the bus coming home form Walmart's. Stopped by to see theresa and she told me and I went to see her. Conner let me in Iona's room; turned up the heat and put her "door" mail in for her. After lunch I stopped in to see Wanda; sound asleep. E-mail from Danny; they will be doing "service" in their stake under the direction of their stake president. Iona is back. Agnes told me of DL's death.

BLESSING: Wanda seems to be feeling fairly well.

10 JANUARY 2017, TUESDAY

Saw Dr. Marshall and yes I have a UTI; antibiotic and recommended I drink a cup of cranberry juice/day. Also scheduled a CT scan. Will keep my 26th of jan. appointment. From his office to Eye-Excel and have my glasses repaired. Back in time for noon meal. Didn't go to Token

10 JANUARY 2017, TUESDAY, cont.

Auction; short nap. Stopped in to see Wanda on my way back from evening meal; sound asleep. I ordered cranberry pills and some eye ointment to be brought with my antibiotic. Will start the cranberry pill in the morning. Iona has found it helpful for her.

BLESSING: Saw Dr. Marshall and got glasses fixed.

11 JANUARY 2017, WEDNESDAY

Hair cut. RS. Wanda didn't go to RS. Eric has her car; planned to go to have her massage with Eloni. Went to the Minerva Teichert Art exhibit. Excellent; particularly enjoyed pictures, etc. of her early life, , children, Wyoming years. Theresa went to the retina specialist this morning; had surgery at four. Haven't heard how things went. Fern came to lunch and evening meal; sits on her walker to eat; can't get out of the chairs in the DR.

BLESSING: feeling a little better.

12 JANUARY 2017, THURSDAY

Snowed most of the morning; snow and rain. Canceled bus to temple. Theresa came for evening meal. A musical performance; sang oldies. Long. Made appointment for CT scan and mammogram. Talked to Lettie. Don went to the Gerontologist and she is arranging for him to have Hospice.

BLESSING: Theresa came through retina surgery well.

13 JANUARY 2017, FRIDAY

Went on the bus to Midway to see the Ice Castles; I was disappointed in them. They say they are still growing. Heber Valley, Deer Creek Dam (?) Were snow covered and beautiful. Lovely letter from Mavis Coleman; they will be leaving for Mexico in a week or so. talked to Lettie; hospice didn't come.

BLESSING: Despite all, Lettie sounded pretty good.

14 JANUARY 2017, SATURDAY

Went to a cello performance. Bought a bottle of liquid soap from the AR store. Iona having trouble with her knee; got crushed ice from kitchen. Slow service in DR; shortage of waiters; Nancy, now a PCA filled in tonight. When I first knew her she was a waitress. Conner working 32hours a week now.

BLESSING: Cozy in my big pink sweatshirt today.

15 JANUARY 2017, SUNDAY

Glenna Hill and Floyd L. Were speakers at Sacrament meeting. Bro. Robinson asked me to speak about five minutes with Wanda on the 29th. Talked to Lettie; Don is still taking care of his bathroom needs; eating very little. Al Rash's mother, or is it grandmother's name is Lavina!! Lillian Hill called; we will have lunch on Friday.

BLESSING: Sunday with Sacrament meeting and SS.

16 JANUARY 2017, Monday

Bryan and Tina and all their children except Adam and Sadie, David and Tammy, Steven and Maria and Wilma and Keith met with Wanda and me in the Events room for about two hours. I'm weary but it was very nice. Couldn't hear very well. Twelve books given to library; we have

16 JANUARY 2017, MONDAY, cont.

three of them and one is in poor condition. Have typed them up on the bibliography. Learned that the lab is next door to imaging; I'm glad. Vivian called today. No particular news; concerned about kiwi which hadn't softened up in a week. Told Conner to choose, with Megan, a picture of Christ for their home for their wedding present. Wilma brought the garments she'd mended and one of Alan's calendar's from pam. Pictures of temples he had taken and a blurb about him with his picture on the back. Talked to Lettie; Don is now on hospice. She feels relief especially over help for showers.

BLESSING: Smith siblings together.

17 JANUARY 2017, TUESDAY

Took antibiotic at 6:30 AM; fasted and to Imaging for the CT scan; from there to the lab for blood tests Dr. Marshall will be looking at on my appointment on the 26th. Got back at 11:30. Not as hungry or as thirsty as I'd anticipated. Wrote an E-mail to pam, Barbara, Clive, Paula and Shirley re Bryan, etc. visit yesterday. Wanda had her massage today. Ca came which she ordered for me. Huge jar.

BLESSING; CT and lab work taken care of.

18 JANUARY 2017, WEDNESDAY

RS. Ate noon meal with wanda. Talked to Gladys today. Another book given to library. Dr. Marshall's nurse called. Wants me to see Dr. Marshall re the CT scan; have diverticulitis Don't know what that is. Wants me to start on an antibiotic; reminded her that I was still on the one he prescribed on the 10th; she'll let me know. Wants to see me. I suggested keeping the 26th appointment. Went on the bus to the Coleman-Davis chocolate company. After evening meal went to Lynda Davidson's program. She is a walking juke box. Tried to call Lettie; not answering.

BLESSING; Wanda well.

19 JANUARY 2017, THURSDAY

Finally made connections with Diana, Dr. Marshall's nurse about five;15. He wanted me to stop the one he prescribed and start the new one. Won't be able to start it until it is delivered tomorrow afternoon so I think I'll just finish these. Alicia came; she is a sweet young woman; taking 16 hrs. hoping to graduate in four years. Her day helped her get a new car and gave her \$500 on the cost; I'm pleased for her and pleased with Des for doing so. Temple trip canceled again. We catalogued the new books. I enjoyed the one on 100 LDS men. Hal Halverson was one; read about ten of them.

BLESSING: Finally made connections with Dr. Marshall's nurse.

20 JANUARY 2017, FRIDAY

Woke to a cloudy Sky; wondered if snow would cancel our lunch. Did not. Lunch at a new restaurant; expensive. I had a salad; couldn't eat it all; interesting: filled with whole hazelnuts and pomegranate. Not a place for conversation. Lillian is going on a panama canal cruise in February. Listened to the inauguration; enjoyed the seeing off of Obama and Biden. Loved the scenes of the capital. Talked to Lettie. Betty J. called. Iona Greene got sick this afternoon. Shirley Olson wrote a letter; fun to get a handwritten /first class letter. Hadn't realized Blair has Parkinson's . Jane Jensen's 89th birthday; left a card on her door.

21 JANUARY 2017, SATURDAY

The Deseret News had several excellent pictures of the inauguration: Trump waiting to enter for his oath of office, the Tabernacle choir and director bundled up in plastic and a view of the front of the capitol with the throngs of people. Problem with the washer on our wing so took my s to the other side. Would have been completely out of tops if I hadn't washed. Went to the Token store; only "bought" some deodorant. Visited with wanda. She didn't know about Blair's Parkinson's either. Feel super tired. Had a nap in the morning and afternoon. Went to the mini piano player; cute little boy; saw three deer while he played.

BLESSING: Drawer full of clean garments.

22 JANUARY 2017, SUNDAY

Was cold at breakfast; came home and put on another sweater; used a blanket during both meetings; High Council day. Had lunch with Wanda. Showed Johnny Lingo this afternoon; would've liked to've seen it; nap called more urgently. Iona still not feeling too well; her son came from Park City and her daughter from Salt Lake. Went to the BYU singers at 6:30; hadn't been for a while. Twenty-three.

BLESSING: Good SS teachers.

23 JANUARY 2017, MONDAY

Harriet Steele went to the hospital last night; Warren said they thought she had a stroke. Went to the podiatrist; quickly cut my nails. An hour or so of a snow storm. Wanda was out in it. Had planned to go to Costco but settled for the bank. Steven called; they will come for lunch on Wednesday. Went to the pic competition: seven pies. The lemon meringue won best tasting and best in appearance. Washed my computer key board, long overdue.

BLESSING; Wanda is feeling good.

24 JANUARY 2017, TUESDAY

Had mammogram; most efficient I've ever had. We visited Glenna and went to Betty's room; she was still at noon meal; went there; said hello. Lorraine suggested we call it a visit. Attended the RS's bi/tri monthly social; donuts, two kinds of cheese, Ritz crackers chocolate hearts and hot chocolate or ice water. Glad to see Wanda there. Three drawings for Afghans Sue Sanft had made: I WON ONE!!

BLESSING; the good ladies who serve in RS in the Jamestown Branch.

25 JANUARY 2017, WEDNESDAY

Woke to more snow; beautiful. RS. Lesson on Joy. We were encouraged to wear our pendants. Steven and Maria came for lunch. He scraped the snow off Wanda's car; she went for her massage. Rewrote the beginning of my talk for Sunday. Talked to Vivian and Lettie. We all commented re the snow. Talked about our amaryllis.

BLESSING: Sisters; kin.

26 JANUARY 2017, THURSDAY

To appointment with Dr. Marshall; lab results OK; had to ask him re CT scan. Wants me to have another one two weeks after the antibiotic pau. Article by Jason Wright re a Sunday morning when he and family were at their ward, same as LaVell Edwards, on a Sunday after his team had lost and that he must've gotten home about three; wright commented re him being there and his

26 JANUARY 2017, cont.

comment was: "Of course I'm here". Lesson learned. Prodded me to go to the temple this afternoon despite the fact that I was tired/sleepy. Glad I went. My walker was left outside the bus/on the driveway; interesting session without it; doable because of Christina and Tracy's strong arms. Seven of us went. Wanda gave me some of Kneader's good bread.

BLESSING: temple session; Jamestown volunteers.

27 JANUARY 2017, FRIDAY

Wrote my talk. Chinese buffet; I enjoyed the dim sams and the cucumbers in vinegar. Good cooky. Went to Tammy's discussion on Sensitive Aging Issues. Did a good job; good nap. Talked to Lettie. Seems to feel comfortable with the Hospice people. Wanda gave some hooks to the library; helped Norma, from the Beauty Shop, with her Family History. My amaryllis has a bloom and several more buds.

BLESSING: Talk written.

28 JANUARY 2017, SATURDAY

Did my load of dark clothes this morning; my blue blouse came out a mass of wrinkles. Helped with the service project. The amaryllis has two blooms. Some more books given to the library. Wanda also has a big box of books she says we can go through and take what we think would be suitable for the library. She has five of the Anne of Green Gables books and a number of McCaffrey books. I think she should keep some of her favorites for her grandchildren; says she doesn't have a place for them. Fern did the Cooing Club today; excellent layered chocolate pudding dessert; delicious. Had to have it in the ER as someone was having a party in the AR. Have gone over my talk in my head several times. Really should do it orally and time myself. Wanda got me some Costco cookies. Yum, yum.

BLESSING: For Wanda.

29 JANUARY 2017, SUNDAY

Wanda did a nice job on her talk; also spoke in Memory Care. Wore a dress I'd never seen before. There was a youth speaker though not listed on the printed program. Glad to have mine over with. Conner working today; took papers for Lettie and the food in the fridge for Megan. We talked about Brennen; urged him to help him get his driver's license. He took a picture of the amaryllis; four blooms on one stalk almost all in full bloom. Spent about fifty minutes talking to Shirley Olson; little hard to understand at times. More books given to library (besides Wanda's)

BLESSING: Residents kindness re talks.

30 JANUARY 2017, MONDAY

Lost...took my last minutes in resident Assn. Mtg. Amaryllis is almost in full bloom; seven blossoms, one more to go. Theresa came in to see it.

31 JANUARY 2017,

Went to hot chocolate activity; enjoyed my cup though it looked dark with a praline. Fire drill alarm; late for new social activity; missed the four new ones who came give their info; brought most of the refreshments home. Income statement from BYU for tax contribution. Rec'd several others yesterday. Finished typing Resident Assn. Minutes. Wrote Paula and Shirley re Wanda's books. Both answered; Paula does have all of the Anne books but said if no one else wanted

31 JANUARY 2017, cont.

them that Emily would like them; Shirley said she has lots of reading grandchildren and she would pick them up when they come in July. I have brought all her books to my apartment and will store them here. Talked to Lettie; Conner had taken the "bag" to her and showed her the picture of my amaryllis. Wanda had Sadie again today; Mandy still in hospital and Eric has a full time job.

BLESSING: Laid to rest last year's secretary job.

1 FEBRUARY 2017, WEDNESDAY

RS: Sue S. gave the lesson based on a talk by Sr. McConkie on Prayer; a powerful talk re whom we address and by whom and the importance of the Holy Ghost. Lunch with Wanda and Theresa. Wanda gave me a box and I put most of her books in it and tucked it by the radiator,

behind my recliner. E-mails from Paula and Shirley re Wanda's books. And said if Wanda's grandchildren not interested Emily would be interested in the Anne books. She has a set.

Googled to try to find out how many there are. Montgomery wrote others besides the Annes.

Nice surprise; Karna stopped by while waiting for Mara and Andrew. Amanda has had some health problems. Mara hurt her neck playing soccer. Joel will be submitting his mission papers soon. She had just returned from a four day trip with her sister to Hawaii. Brought me a bag of chocolate covered macadamia nuts. Propped my amaryllis up with my largest knives; all 8 buds in bloom. Betty Johnson called my attention to Janice Harris's obituary in today's paper. She was 88. Paula's Emily is ten.

BLESSING: Most of the books stored in box behind recliner.

2 FEBRUARY 2017, THURSDAY

Didn't see Wanda today; I assume Virginia came. Her door was locked as I went down for evening meal; assumed she was asleep. Went to the temple. Dianne B. was there with Tracy, Roxanne and Christina and ??? Theresa took her walker for the first time. Max Hansen, across the hall, is in the hospital. There were 20 little groundhogs throughout the first floor. Cute; I saw at least seven or eight. Wrote Paula and Shirley re Wanda's books. Letter re my mammogram; puzzled re it. Talked to Lettie last night; she is frustrated; Don doesn't talk; hard for her to know what he wants; gets day and night confused.

BLESSING: put names on temple roll

3 FEBRUARY 2017, FRIDAY

Went to the discussion on Heart Health by Encompass; Sara V. was one of the main informants. Filled out info for my new med provider as of April 1st. Helped Wanda with her socks; put ointment on rough heels. Mandy is home. Oranges in the hospitality area and bananas again in the dining room. Had a two hour "hard" nap this afternoon..

BLESSING: Jessica's hard work in providing interesting/helpful activities for us.

4 FEBRUARY 2017, SATURDAY

Showed the Hand Art Pam sent to all my table mates except Fern. They were impressed. Fern was being feted for her 90th hirthday which will be on the 8th. Ruth picked me up at 1;30 and took me to Lettie and Don's via Conner and Megan's house; Alicia will be moving in with them to help her pay for her car. She was at Lettie and Don's for awhile; enjoyed visiting with her. Don was having when I got there; I thought he looked quite good; guess I was expecting worse. Lettie gave me a bag of books, puzzles and a box of Famos Amos cookies. Ruth dropped her off at the library as she took me home. Gave me two of the cookies she and Alicia had made. She is taller than Conner; attractive young woman.

BLESSING: Ruth's watch care of her parents.

5 FEBRUARY 2017, SUNDAY

Forgot it was Fast and Testimony meeting; nice one. President Jackson of the stake spoke last; Peter Ka'anapu conducted. Alice W. gave the SS lesson. Closed by showing an excerpt from elder Bednar re personal revelation from his April 2011 talk. Ate noon meal with Wanda and Iona; Wanda gave me some powder which I have used and find helpful to the tenderness underneath my breast. Vivian called; had tried to call Lettie; numbers didn't work. Jamestown has a new inter-denomination minister. Came today; plays the guitar. Carla and Theresa went. Theresa bore her testimony today; her daughter Linda and her husband came for church, noon meal. Dianne B. left me four cherry squares.

BLESSING: I love Sunday.

6 FEBRUARY 2017, MONDAY

Planned to go to Walmart but they canceled the trip. Talked to Wanda re setting up an appointment to get help for his driver's license. She checked; found the cost, their service and I asked Conner to help. He wants to try to help him get it. Hope he can/docs. Lettie expressed concern about him. FHE: sponsored by Tracy and Norm; a soprano , her accompanist who sang with her and did several solos himself.

BLESSING; The volunteers who staff the Jamestown Branch.

7 FEBRUARY 2017, TUESDAY

Got all materials except interest from the bank and medical premiums in DMBA for my income tax. Wanda fixed my space for my journal. Went to the program on prevention of falls by one of the Home health companies. Didn't stay for individual checks re fall vulnerability. Learned that Harriet Steele has taken off all her life supports. Warren will miss her immensely. Iona shred some chocolate covered mango from Costo. Would have never recognized that it was mango. Good.

8 FEBRUARY 2017, WEDNESDAY

Fern Sevy's 90th birthday. RS; the teacher, from a ward in the stake was/is a retired first grade teacher; did a nice job teaching Pres. Hinckley's lesson on Happiness; couple handouts. Sue Sanft leaves for Hawaii on the 16th. Typed up six books Lettie gave to the library and two that someone else left plus a set of tapes of the D&C and Pearl of Great Price. Slept a solid two hours and a half. Conner said he has worked with Brennen once. Went to Bob Shorten's presentation; a showman past his prime still personable; quite a good audience.

BLESSING: Jessica's efforts to entertain/interest residents.

9 FEBRUARY 2017, THURSDAY

Found interest from the bank and now need only the medical premiums from DMBA for my income tax information. Steven called; wants to have lunch with Fullmers, Wendell and his two grandchildren, Wanda, himself and Maria on the 15th. Will need to reserve the private dining room. Went to the temple; nine of us.

BLESSING: Provision of the bus which makes it so convenient to attend the temple once a week.

10 FEBRUARY 2017, FRIDAY

Mildred and I cataloged the books/tapes given to the library. I put my glasses on the shelf and couldn't find them. At lunch saw Neva dusting the library; went up to catch her but she was gone. Later she pushed Eve into the dining room; caught her in the hall; asked her to check the next time she was there; she told me to check the front desk she had turned in a pair of glasses. HIP HIP HOORAH; THEY WERE MINE. Helped decorate some cookies for refreshments for the Sweetheart Ball tonight. Jessica and assistants have gone all out. Invited Warren in to see Pam's hand art; he lasted through all but one. Called DMBA and she will send me a duplicate of my Dec '16 statement which will give me premiums paid for medical insurance. This will complete my data for my income tax. Shared Karna's macadamia nut chocolates with Wanda; she has a new dress. Had lunch in the DR with Iona at 11:30 AM. Went to the Sweetheart Ball for about an hour. Trevre danced with Theresa, me and several others. Nice of him. Came to see/dance with the girl he has been dating. Called Lettie; forgot this was the night all their children except Ryan was going to be there.

BLESSING; Neva found my glasses.

11 FEBRUARY 2017, SATURDAY

Talked to Lettie and Rachel; later Rachel stopped in. She has gained weight. Plans to move back to Utah county in July. Got updated on her children. Carla didn't wear her pendant today. Passed by Harriet Steele's apartment and saw a white overstuffed chair setting outside her door with a Warren's name taped to it. Took Lindor's to table tonight.

12 FEBRUARY 2017, SUNDAY

A new man spoke on the Choir program this morning. Always good to sit with Wanda in Sacrament meeting and SS; Delightra Cutler gave the lesson on answers to prayers; six quotes read by class members; Wanda had I had one each; mine was by Boyd K. Packard. Not always "burning"; may just a warm comfortable feeling; may come after/during hearing a talk; reading scriptures. The picture Virginia and the children put up with a heart chain fell; hook not big enough. I'll find a spot to hang it inside. Long, hard nap. Long E-mail from Wanda; she also

Wanda

12 FEBRUARY 2017, cont.

sent two poems by her friend. Beautiful. Said Wilma and Keith are going to Arkansas in April.
BLESSING: I do enjoy Sunday.

13 FEBRUARY 2017, MONDAY

Went to Walmarts. Spent \$84!! Got Cetaphil, cheese, cracker, eye drops, cranberry and B-12 pills. Called Dr. Packer's office re renewing two prescription through the new mail order pharmacy: VRX. Tried calling Jim Coston's number, nothing. Will try calling one of their girls. Confirmation for the Steven's lunch on Wednesday. Appointment with Lettie and Rachel's dermatologist. Went to the Classic's club: Beethoven. Heard nothing familiar. He died in his fifties. Knew re his deafness. Theresa and I are visiting teaching companions on this next stint of resident visiting teachers. We have Mildred A.. and two ladies I don't know. Purpose is to get acquainted. Reading the book Iona loaned me.

BLESSING: Have some boy cream for my dry skin.

14 FEBRUARY 2017, TUESDAY

Finished my breakfast on my way to my CT scan. Had hoped to be back for part of Marianne's monthly meeting. They did a ???CT scan which entailed drinking about a quart o fluid and intravenous injection to further pinpoint the diagnostic process. I was o cold while waiting the hor after drinking; the needle came out so had to put in another. Back to Jamestown about 11:20 AM. No one from my tablemates went to the meeting learned from Carolyn E. That most of time spent with Chester addressing problems with DR service. Also that Marianne stressed again we should not push people in their walkers. VALENTINE DAY; Branch gave each resident cute little favor with a candy heart; Norm and Dianne gave me a plate of chocolate, white and dark, covered strawberries; Chester had a special lunch with a big choc. Covered strawberry and a heart sticker. Set alarm to go to Jessica's hour long piano/voice program; lot of singing/playing. She has a brace on her left leg. Leaving Jessica's concert we were met by college aged young people giving ut roses.

BLESSING; Generosity of people for Valentine's Day.

15 FEBRUARY 2017. WEDNESDAY

Continue reading the book Iona loaned me. RS; Sue Brockbank taught the lesson. Announced a memorial service for Harriet Steele; family asks attendees to wear bright colors. Steven, Maria, Wilma and Keith, Wendell and his grandson, and Delores nee smith and husband came for lunch. Went quite well the grandson only ate a bowl of strawberry ice cream; in and out; did hold door open for server. Wendell ate both of their lunches. He is heavier than I have seen him. Steven brought Wanda and me a box of Sees. After a nap I took a short walk outside. no coat: nice: a few ducks.

BLESSING; Lunch went well.

16 FEBRUARY 2017, THURSDAY

A bout of diarrhea; didn't go to the temple. Just learned Timothy Werner had cancer surgery; complications and more surgery. Phone tag with Dr. Marshall's office; never did talk to his nurse. Rec'd prescriptions from VRX, new pharmacy I will be using this year. Virginia hung the Valentine picture in my rom underneath the what not shelf with a nice big hook. Finished reading

16 FEBRUARY 2017, cont.

book Iona loaned me; enjoyed it ;conjured up memories of the month Wilma and I spent in India. Betty j. called; such a nice person; I still miss her.

BLESSING: I'm feeling better.

17 FEBRUARY 2017, FRIDAY

Tried calling Dr. Marshall's office again. No luck. Contacted each of our sisters we are to visit. Read some more in the 100 Men...learned Timothy's cancer was of the testicle; had never known what Wendell's was. Diarrhea seems over; wonder if it was th liquid I drank for the ET scan. My TV doesn't work.

BLESSING: over my diarrhea.

18 FEBRUARY 2017, SATURDAY

Went to Harriet Steele's Memorial Service. Nice. Her three children spoke; music lovely. Large family. Not as over my diarrhea as I thought. Quick trip to restroom from the DR at breakfast. Have eaten two of Steven's chocolates ; the one just now a delicious coconut one. Showed the hand art to Susan Corcoran and Twyla and Max's daughter. Conner stopped in just as I lay down for a nap. Kept hoping for a word re Timothy.

BLESSING; Conner feels Brennen is ready for his test.

19 FEBRUARY 2017, SUNDAY

Ginny Call and Pauline Quick spoke in Sacrament meeting; Kanapu's sang Love at Home in Tongan. Sue r. taught the SS class. Long nap; short walk, cool, long evening Mela; new waitress; a bit scattered. Went to BYU singers. Geri played for them. Note form pam; Timothy is home; Victor is staying with him. Made one VT appointment.

BLESSING: news of timothy

20 FEBRUARY 2017, MONDAY

We did our VT-ing but not with out confusion that there are two Junes; ours is June pack and I thought June Nelson was she. Learned more re Theresa: she is indeed a miracle. Attended FHE. The Sliders were in charge; musical performance by Iona's granddaughter, friends and family.

BLESSING: Visiting teaching pau

21 FEBRUARY 2017, TUESDAY.

Was able to have breakfast before my 8:30 ride to Dr. Jensen, Dermatologist's appointment; quite close. Took me immediately and checked me quickly from waist up and just above my anus. No concern re cancer; two freebies of a cream and a powder each in a enclosed little pact. Powder in day, cream at night. Back in time to attend the Food Forum. Books and puzzles, games given to Jamestown. Some lovely books. I've typed up twenty five or more. Several duplicates; we kept the 300 piece puzzles. Vivian called. Snow melting; their road has two rivers. Clive had a tooth pulled. FINALLY GOT Dr. Marshall's nurse; he wants me to have an appointment with an endocrinologist. They will call me. Tried to make an appointment with Dr. Parson's office. Had to just leave a message.

BLESSING; Help from Dermatologist.

22 FEBRUARY 2017, WEDNESDAY

Wilma's birthday. Woke up to snow. Typed up the books given to the library. Tracy taught elder Chrisofferson's Oct. Conf. Talk. In RS. Rec'd tax info from Christy. I have all the statements I need. E-mailed Pam; said Timothy doesn't need chemo; "they" felt they got it all. Wanda's computer crashed. Brennen passed his driver's test.

BLESSING: breast area seem to be responding to Dr. Jensen's freebies.

23 FEBRUARY 2017, THURSDAY

No temple: snow. Beautiful; snowed off and on all day. Catalogued books/shelved; found four more duplicates, exhausted. To Dr. Marshall's for a urine test; haven't heard results. PCA's took my vitals; weighed 127 pounds. Went to a musical performance, related to Aavard Fairbanks. Entertaining, too long. Was fun to see Geri Fox enjoying it so much.

BLESSING: Lettie sounding quite upbeat.

24 FEBRUARY 2017, FRIDAY

Dr. Marshall's nurse called prescribing Cipro for a week; made an appointment with Dr. Theuer in lieu of Dr. Parsons. Went to the Exotic fruit class; two new ones, can't even remember their names; interesting. Did a load of "coloreds" after evening meal. Bryan Smith sent a statement re contribution to Sadie's mission. Talked to Lettie and Wanda; Wanda hopes to get her computer up and going with Eric's help.

BLESSING; Edgemont pharmacy's delivery policy.

25 FEBRUARY 2017, SATURDAY

Got income tax info together. Need to make sure I've paid enough tithing. Went to Stake Humanitarian project; inserting draw stings in bags. Theresa and I turned in V.I. visit to Dianne as Sue will be gone two more weeks. Tonight went to Voice Works program. Always quite good. Wanda still didn't have her computer up and going. Called Cara nee Coston for Delma and Jim's phone number. Mine is right. She said they are doing about the same: temps; 70 degrees there. Called Ruby H.; was in a meeting; calling back; need to check voice mail since I've been out a lot today. I'm weary; not a very satisfying nap.

BLESSING; Phone number for Costons correct.

26 FEBRUARY 2017, SUNDAY

Sacramento meeting; high council speaker; Cristina taught the SS class on the restoration of the Priesthood; functions, keys, power; great quotes from Elder Oaks and Bednar. Emphasis on women having Priesthood authority via calls to positions; teachers, leader, ordinance workers. At evening meal Iona told me that her oldest son was elder Bednar's senior companion in Germany.

Early lunch with Wanda. Early nap. Party for Joe ?? in events room. Birthday Tuesday. Kids running up and down the stairs, all over. Wrote an E-mail to Shirley O.. Called Wilma; she will pick me up for appointment with Dr. Engen tomorrow at 8:15 am. Academy Awards on tonight.

BLESSING: Wilma taking me to Dr. appointment in the morning.

27 FEBRUARY 2017K MONDAY

Wilma picked me up at 8:15am; back by 9:40 just as it started to snow. Brought my garment and pj bottom that she had mended. Dr. Engen took out the little tube and proclaimed me in good .

27 FEBRUARY 2017, cont.

“shape” eye-wise despite the right surgery not succeeding. Went to the Classic club on Brahms and then to the Residents monthly meeting. I’m exhausted. Finished the book Plain and Simple re the Amish. Hurried through the last part. Called Eric re the need for paying tax on Wilma’s money; doesn’t think so. Wanda throwing up. E-mail from pam: timothy works and takes classes at home. Area still bleeding; Victor staying nights with him.

BLESSING: Pau with Dr. Engen; Wilma’s kindness.

28 FEBRUARY 2017, TUESDAY

Nice to be back in exercise. Wanda feeling a bit better. More communication with Pam re Timothy. Sunny most of the day. Went to new resident social. The new man, Woody Wilkins, refused to talk and PCA finally took him back to his room. Nice refreshments as always: St Patrick theme in greens. Cucumbers sandwiches again, this time with cream cheese. I find them quite refreshing. Trump to speak tonight.

BLESSING: Moving right along in march Ensign.

1 MARCH 2017, WEDNESDAY

RS. Leslie King brought me a lovely lei from Sue. She evidently went with them but came home after a week. Beautiful. Did look at part of Trump’s talk last night; finally turned it off and checked paper this morning; lots of clapping, standing up and down. E-mail from Shirley O. Mildred and I catalogued books. Davy, nurse, brought three books (must’ve been part of his nurse training years?), someone else brought a Dr. Seuss book. Wanda went to her massage. Seemed pleased with the scrambled eggs I took her. Shared her pickle juice with Theresa whose therapist had suggested she take two tsp. with water for her leg problem. Anne Nichols died. Shock to all.

BLESSING: thoughtful people such as Sue Sanft.

2 MARCH 2017, THURSDAY

Did a white load of wash for Wanda. To the temple. Seven of us. I was grateful that I was able to stay awake 98% of the time as I did not have my usual good night’s sleep. Left my lei outside my door last night but brought it in today and hung it on the table lamp shade. Warmer in hall than my apartment. Have run out of Levothyroxine. Auwe.

BLESSING; Quite alert through the endowment session.

3 MARCH 2017, FRIDAY

Went to the Pain clinic. Saw a “new help” for compression hose putting on. Wanda took me to Christy’s to take my income tax info; problem finding her actual address; she met us. Also mailed ViAnn’s book to Shirley O. Sent Abby the stamps Theresa gave me; some nice ones. Beautiful day; nice to be out. Deseret News’ headlines was SWALLOW ACQUITTED: the case has drug on for four years. My left big toe superstore; took a pill about two which I usually only take at night. Called re my levothyroxine; out as today; said they had never received to request; called Marshall’s office and they said they would resend it; had sent it on Feb 22nd ^{WcfMjyc} never got it. Auve.

BLESSING: tax info to Christy.

4 MARCH 2017, SATURDAY

Lettie, Don and Ruth came: showed them pam's hand art E-mail. Lettie brought puzzles; Don was interested in the Church News' article re Oakland Temple being closed for remodeling Slept for two hours; still feel like a zombie. One of my hearing aids no longer functions; put in one of the seven day batteries. My big toe hurts. Gave Ruth Alan's calendar for Alicia. Talked to Vivian and Mary miles. Had thought Keeley Prestwich was in Ecuador on her mission; she is in Nicaragua.

BLESSING: Willmores came.

5 MARCH 2017, SUNDAY

Fast and testimony meeting; Alice W. only had about ten minutes for her SS lesson. I tried using the headphones for the first time. Wanda left after Sacrament meeting; said she couldn't keep her eyes open. Terry Chang ate lunch with us; a huge salad; said a blessing before he ate. Has a nice smile, gap in his top front teeth. A book added to library; typed it up. Wrote Pam to see if she had read ViAnn's books; hasn't; wrote Shirley that I had sent her ViAnn's latest and asked her to share with Pam. Christina P. wasn't at meetings; I miss her when she isn't there. Woke up from my nap sooner than usual; windy cloudy or I would have walked a bit outside. Ann Nichol's obituary was in the paper today.

BLESSING: The Sabbath Day.

6 MARCH 2017, MONDAY

The Gastronomy office called reminding of my appointment tomorrow; Glad it is at 9:30 rather than 8:30. Dr. Marshall's office called; will be sending prescription for levothyroxine to Welldyn. Called Alpine Medical re compression hose. Reordered. Checked with Costco re membership and hearing Aid re rechargeable batteries. At noon meal I couldn't hear a thing; put in two new batteries. Finished reading Nicholas Sparks's book A Walk to Remember. FHE is games with a some BYU students. Started to go two different times then decided not to go. Sue Sanft brought me papaya; tastes wonderful; said it was cold in Hawaii, rained and plumeria weren't out.

BLESSING: found out tomorrow's appointment at 9:30 rather than 8:30.

7 MARCH 2017, TUESDAY

TO appointment at Gastroenterology ; set up an appointment on the 28th for a sigmoidoscopy. Getting ready for it sounds a little formidable. Lots of drinking. Put new hearing aids in ; couldn't hear at breakfast or at my appointment. Greg took me to Costco and I got new recharging aids and found I had put the new ones in wrong plus they weren't the right size. Iona had a fainting spell today; seemed to be feeling better tonight. Went to the Service project with Enhanced Care; quick filling bags for a mental health facility. Jessica mended the Gone with the Wind book which was given to Jamestown. It was literally falling apart. Looks great. Stopped in to see Wanda; asleep.

BLESSING: Hearing aid relief.

8 MARCH 2017, WEDNESDAY

had hair cut. RS; traditional teacher. Spoiled by power point presenters. Wanda didn't go; was in the shower when I went up after RS; was going for her massage. Jessica taped up the Gon

with the Wind book given to the library; beautiful. Think I have a urinary tract infection; called Dr. Marshall's office and wonder of wonders the nurse called me back and has made appointment for me to have urine test tomorrow in Provo's office. Long, hard nap. First mix and mingle table today; Don and Carolyn and the Bearnsons, Geri and Barbara Grandy were there. When I asked Don and Carolyn about it don said "It was good and bad". Table too big Carolyn B. spoke so softly couldn't hear; Barbara G. not with it. Said table for four would be better.

BLESSING: Contact with Dr. Marshall's nurse.

9 MARCH 2017, THURSDAY

To eye appointment; pressure all right; dilated and did a study of my retina; ok. The assistant in checking my vision thought it was better than most. Left eye weaker than right. Wore dark glasses. From Eye ExCel to lab for urine test. Haven't hear re so far. Eyes feel dry; hope by morning I will be over the dilation. Betty J.'s daughter Judy called and picked up Betty's fruitcake and jam; put in two jams and told Judy to take one. Betty's Christmas present. Long overdue. Stopped by Wanda's after evening meal; filled up a few bottles. She had done a load of wash. No news of when Virginia will be back.

BLESSING; Eye pressure all right.

10 MARCH 2017, FRIDAY

Gladys called; coming tomorrow for lunch and to see Christie re her tax. Called Gastor...re someone going with me for my procedure. As long as I have someone to drive me, no problem. My eyes continue to be re; feel rough. Hot packed them. A call from Dr. Marshall's office; phone tag. Never did make connection. Set alarm to get up for the bagpiper's performance; quite large group to hear him; didn't show up. When Marissa called he said he had forgotten; rescheduled. had a copy made of Elder Holland's talk for Lettie.

BLESSING: Read President Hinckley's chapter in the RS-Priesthood manual on Prayer.

11 MARCH 2017, SATURDAY

Gladys came; nice visit; we had lunch with Wanda. Levothyroxine came. Hope it will perk up my energy. Hot packed my eyes. Thank you note from Chris Storey. Late in reading the paper, Church News. Stake conference tonight; Called Lettie after evening meal as it will be 8:30 before the meeting is over. Missed her last night. I went to the evening meeting; well organized. Pres. Parkinson spoke on observing the Sabbath day. Other talks were on fasting, temple attendance, tithing, I'm sleepy. Have set two of my clocks for DST.

BLESSING: Good conference.

12 MARCH 2017, SUNDAY

Last night Pres. Johnson set tone of talk by listing what would be the topic of the rest of the talks: First person you talk to on arising: Heavenly Father, 2. Read words of the prophets, 3. Tithing 4. Fasting, 5. Sabbath Day, 6. Temple. Today the two hours didn't seem as long as last night. Despite getting up later than usual I was more rested I guess. Among other speakers Mildred Assay's daughter spoke. Her husband is a counselor to the Provo Temple president and consequently she is one of the Asst. to the temple matron. A very easy short enjoyable talk. Had a

12 MARCH 2017 cont.

Went out to sit outside, beautiful, sunny but a brisk cold wind. didn't tarry. Went to the LDS singers who come each Sunday evening. Sing hymns, forty tonight. Talked to Lettie; Conner and Megan were there.

BLESSING: Good conference; sat with Wanda.

13 MARCH 2017, MONDAY

Neva's 95th birthday. Went to Walmart; got some of the powder Dr. Jensen gave me samples of; in the foot aid section!! Only three of us on the bus; Tell, Terry and me. Disappointed not to find a tray of various cheeses I had seen last time. Got some harvarti, some pump cetafil, no cream, soap and a bag of Hershey chocolates. Theresa and I did our visiting teaching; was enjoyable. Jammed my shredder; Wanda came and worked on it; took it home with her. Put a new ink cartridge in for me.

BLESSING: Sweet Theresa; visiting teaching done early.

14 MARCH 2017, TUESDAY

Went to what was to've been Marianne's meeting; ended up being Food Forum. Wilma and Keith came; noon meal and went over what is to happen to my things when I die. Designated specifically the ones to go to Eric which were Wilma's. Talked about changing my will. Keith napped in my recliner. Another meeting scheduled for next week. Went to the Token Auction; not much action. I got three boxes of Puffs for 75 tokens; bid on the quilt though wasn't particularly interested but wasn't sure I had enough tokens. Left early.

BLESSING: Some concrete designation of to whom some of my stuff should go to.

15 MARCH 2017, WEDNESDAY

Dark when it is time to get up; daylight savings time letting itself be known. RS. Wanda didn't go. Judy B. Taught the lesson; problem with trying to "power point". Spent a lot of time on the lesson you could tell; passed out a lovely picture of girl in prayer on both sides. Fern told of her first pregnancy and the blessing she had. Learned Ruth Brown is on her way to Enhanced Care; can get more personalized care there. Went by to see her. Daughter said she eats and sleeps. Is comfortable. Had a very long, hard/good nap. Sat in the sun for awhile and walked over to the ponds; Hal Halverson sitting in the gazebo. A Charles Dickens' book given to library. Geri invited us to see a movie in her room her son set up for her; two hours long, too long for me.

BLESSING: RS sisters from the Branch.

16 MARCH 2017, THURSDAY

Wanda sent three hours in the Dentist office. Rec'd five pieces of mail; four were organizations asking for donations. Auwe. Special program from an Irish dancing school; delightful. Hot compressed eyes twice; hope I can avoid what ever the swelling in the right of my left eye has pending. Christy called; finished my income tax. Temple trip canceled as bus was in the garage.

BLESSING: compressing seems to be helping eye.

17 MARCH 2017, FRIDAY

Betty's daughter, Judy, brought me a vase of daffodils just as I was finishing breakfast with a sweet note thanking me for the jam. She is a very thoughtful woman; on her way to bosic. Was

17 MARCH 2017, cont.

on her way to Boise. Hot compressed my eyes; went for a walk to the ponds (precarious walking as fourteen ducks were out and about) and sat in the sun in front of the building after the St. Patrick's Day party. Got hot. The bed of flowers around the flagpole have a few hyacinth and daffodils in bloom; hard to realize a week ago it was covered with snow. A bagpipe player entertained us at the party; played both the Irish and Scotist bagpipes. Sat close enough to see his fingering and arm movement in pumping the bag. Gladys called.

BLESSING: thoughtful people such as Judy S.

18 MARCH 2017, SATURDAY

Rec'd my compression hose. Compressed eyes once. Went to a piano recital tonight; very good, mostly young, students. Theresa and I delivered Carolyn B.'s birthday card, couple pieces of candy and a few flowers. Seemed pleased. Short walk and a few minutes in the sun after my nap. Came back and had another rest. Ran out of Fe pills. Could kick myself. Thought I had an extra jar. Will call Betty and tell her how much I'm enjoying Judy's flowers. Wanda is feeling better; being cautious about what she eats.

BLESSING: Compression hose arrival.

19 MARCH 2017, SUNDAY

Such a good Sacrament meeting; Max Cannon spoke, very organized concise message re phases of our existence concentrating mostly on after death. Leslie King also spoke; a widow, ten children; husband a dentist; cystic fibrosis allowed him to only practice 17 years. Told a story from one of the Seventies who spoke at the MT re a young man who left home at 15; twenty years later was contacted by a missionary couple; one who was his brother: I cried. Norm and Diane came to visit; she bought a tiny little vase of violets and a big bag of individually wrapped Snickers Twix, Hersheys, M&M's. Stopped in to see Zenda who had fallen down the last three steps of the stairs and twyla who fell in the bathroom a couple days ago. Vivian called; we talked a lot about not much of anything. Her lilacs are budding and most of the snow is gone. Did learn Arden's son Nolan is the one who went on a mission to Taiwan. Went to the BYU singers. Twenty two.

BLESSING: Inspiring sacrament meeting; Vivian called.

20 MARCH 2017, MONDAY

"Spring is bustin' out all over", trees budding/blooming. Got my income tax material from Christie; get back a little over a thousand from federal; owe about twenty-two hundred to state; wrote checks to Christie and for my state tax. Good to have it pau. Someone took the magnifying glass and instructions re from the library. Auwe. Wrote a big sign asking for the return; not optimistic. FHE sponsored by the Parkinsons; judge ?? Talking about Lincoln; short and well done. I am using earphones; have for a couple of weeks; can hear better; not sure if I'm using them to the best advantage. Asked Wilma to get me some Fe pills. She sounded wide awake when I called her at eight this morning. Long newsy letter from Heather Olson, Dale's wife.

BLESSING; income tax pau.

21 MARCH 2017, TUESDAY

Wilma and Keith came over; went over list of stuff" and to whom they go; discussed obituary and

21 MARCH 2017, cont.

funeral. Wilma took my red pants for seam sewing, garment for mark and the shoe for shoe repair to see if they can get velcro which works. Short walk, windy, cloudy. Went to a musical performance tonight; older man, bearded; little loud for my taste. Counting books given to library; problem with two lists. Need more analysis. Clive's 87th birthday.

BLESSING: Wilma and Wanda's help.

22 MARCH 2017, WEDNESDAY

Went on the field trip to Springville Art Museum; saw only a small part. Many flowering trees are out. Exhausted. Finished the library lists; merging two lists. Went to hear Lynda Davidson sing; comes every other month. Knows a lot of songs. Wanda gave me bread and a box of huge raspberries. Will call Lettie and go t be after reading the Book of Mormon. RS birthday celebration; a vivacious speaker and birthday cake. Alice W. showed me pictures of Gail and family in a musical the twins and Geri were in.

BLESSING: able to thank Christina for the St. Patrick Day treat.

23 MARCH 2017, THURSDAY

got plastic covers for th 4th list of books given to library: 333 when we catalogue that I have. Started a memo to Marianne re the number. Fourteen to the temple. Rained off and on all day. Three in wheel chairs. Some problems. Fewer Jamestown volunteers in attendance. Virginia came today; Wanda wasn't expecting her. I'm weary.

BLESSING; went to the temple.

24 MARCH 2017, FRIDAY

Got a bill form Intermountain Healthcare for \$150; was from the Sept surgery by Dr. Engen for my tear duct gland; auwe. Glad I have the money to pay for it. Went to the Mrs. Jamestown crowning; Agnes Morgan won. Not surprised. Jessica went all out. New program. "Vitals taken again today: BP 148 over 68; Oxygen 89. Temp: normal. Didn't eat evening meal ;got a cup of cranberry juice and had the last of the banana I've eaten the last two night with milk from freezer and a few of Wanda's lovely raspberries. Can't hear.

BLESSING: Enough money in checking account to meet unexpected bills.

25 MARCH 2017, SATURDAY

Long E-mail from Shirley Olson; commented on ViAnn's book. Started reading Anne of Avonlea; laughed out loud re her selling her neighbor's cow. Mildred and I catalogued the last nine books. Rained off and on all day. I'm wearing a sweater. Women's conference. A good one. Pres. Eyring spoke. RS Pres., and counselors in the Primary and YW. Women's choir from BYU sang.

BLESSING: Books catalogued; Women's conf.

26 MARCH 2017, SUNDAY

Diane and Norm Bosards spoke at Sacrament meeting;; Sue R. Taught SS. Ate noon meal with Wanda. Theresa seems to be "failing". Went to the BYU singers. Almost forty by the time it was over. Read USU's alum magazine; enjoyed articles re the new president and one on a couple who were on the Indian Placement program. I have about two quarts of cranberry and apple

26 MARCH 2017, cont.

juice ready for my gallon of fluids tomorrow.

BLESSING; I LOVE THE Sabbath.

27 MARCH 2017, MONDAY

It is 4:10 pm and I have drunk a gallon of water as part of preparation for my sigmoidoscopy tomorrow. Very unpleasant and I have two more processes to go entailing MORE water. Did go to exercise and the Residents' meeting. Had to leave the latter for a trip to the rest room. When I called Lettie last night Don answered the phone and told me she was in bed. He sounded alert/good. Invitation for a bay shower for Desiree's baby, Sarah. Haven't heard from Becky for some time, not even an answer to my e-mail; don't know if Desiree has had her baby or not.

Obviously it is a girl and she has been named. Trees out front are beautiful; white blossoms.

BLESSING: Beauty of spring.

28 MARCH 2017, TUESDAY

Did get all the water down; slept after 2:30 or so. The Sigmoidoscopy procedure was not so bad; Sean, the nurse held my hand, felt that above and beyond the call of duty and very sweet. A man in his forties at least. Dr. said surgery not merited; not quite sure just what he found but I have an appointment with Dr. Ibarra on April 17th. Was on oxygen and constant checking of blood pressure; gave me the nodule. Was nervous and ripped my thumb nail off as Greg and I waited for Marian M. And I went to the wrong room; felt I was awfully late but got out in the three hours they predicted. Glad its over. A conference insert in the paper today; thrilled to see the 155 temples. Knew they were/are there just exciting to see all of them. Went to the new residents's social; four of the new six were there.

BLESSING; procedure pau.

29 MARCH 2017, WEDNESDAY

Too weary to write.

30 MARCH 2017, THURSDAY

Twelve of us went to the temple. Missed the 2:00 PM session because of transportation conflict; went on the 2:10 session. Sue and Ramon were there; also Diane Boshard. Three wheel chairs; three men; raining and almost dark when we got out. Glad I was able to go. Rewrote my list of meds; separating them from my Medical History. Started on my Medical history; will finish and update it tomorrow. Ready for bed.

BLESSING; Good Jamestown volunteers; helpful terry Chang.

31 MARCH 2017, FRIDAY

had lunch with Wanda and Carla. Carla is experiencing pain in her lower back/right hip. Wanda has been invited to attend general conference in SI with Jacob and Sarah. Retyped my Medical history; hope I got it all in. Separated my meds and history . Asked Alan what his ZooBuh clients pay: \$1/per month. Sent him a check; I really appreciate; pay him once a year in the spring. Iona let me xerox the pictures of the General Authorities from her Nov' 16 Ensign.

BLESSING; Updated my medical history; retyped.

1 APRIL 2017, SATURDAY

CONFERENCE. PRESIDENT Monson was at the morning session but didn't speak. Fought sleep the last speaker (Elder Ballard) in the afternoon session. Had a quick rest before evening meal. Wanda didn't go with Jacob and Sarah to SL after all. Elder Hales spoke on Decipleship and Neil L. Andersen on BLESSING: Conference.

2 APRIL 2017, SUNDAY

I loved conference. Went to the Events room for both sessions; Talks on the Holy Ghost, the Godhead were two of my favorites. Elder Oaks the latter and Elder Rasband the former. Struggled a bit with staying awake at each session but didn't completely conk out. President Monson spoke this morning and announced five new temples. Also spoke at priesthood session. Vivian called. Arden's son, Collin and family had been there, and Arden. She is always upbeat which I appreciate. BLESSING; Conference.

3 APRIL 2017, MONDAY

Contacted Alpine medical. Insurance didn't pay anything for my hose. Totaled march expenses. Wrote contributions for April. Family Home Evening re James E. Talmadge. Long but interesting. Talked to Ruth; Lettie in bed. Don has a broken tooth. Enthusiastic letter from Sadie S. from Pam. Had a voice mail from Paula. Talked to Mary Miles. BLESSING: Jamestown volunteers who take care of us so well.

4 APRIL 2017, TUESDAY

Did a load of "darks" including my two vests. Asked Bryan when Sadie's mission is over: June/July? Half way through Anne of the Island. Lynn G. suggested if I had the time to put puzzles completed in boxes; I did one. Theresa gave me a piece of her favorite Sec's candy and stamps for Abby. Two hour nap Wanda went to lunch; visited briefly with her twice. Took her half of my half sandwich from evening meal. Sat out front for a few minutes; nice and sunny but chilly wind. BLESSING: Clean clothes.

5 APRIL 2017, WEDNESDAY

RS; Hutia represented the presidency in the "president's lesson; very nervous; Alice had helped her with "power point" usage. Wanda didn't go to RS; Norm gave her a blessing. Eric was taking her for her massage; door locked when I came back from evening meal. Read my article in the Ensign; wrote Smith Family, Paula and Popes re The War Goes On. Two more books given to library; typed them up on the bibliography. Put puzzles away. Sifted through a couple of file folders; don't know what to do with many of the pictures. Almost finished Anne of the island. Will ask Wilma if I can borrow her Anne of Windy Poplars. BLESSING; Sue Sanft and her board.

6 APRIL 2017, THURSDAY

Talked to Steven; they will come for noon meal next Wednesday, 12th. Virginia and Harper put Easter decorations on my door. Nice. Finished reading Anne of the Island. Fourteen of us went

6 APRIL 2017, cont.

to the temple: 3men, 10 women. About 15 minutes to load three wheelchairs and four or five walkers. Held up the session. Auwe. The first film the temple made with Michael Balam was shown; hadn't seen it for some time; interesting to note some small differences. The magnifying glass I ordered came. Not as good as I'd hoped. Even so I will ask Kelly or one of his staff to rig up a way to tie it to the table, accessible to the dictionary. I'm tired; skipped the Fairbanks trio. BLESSING: the temple.

7 APRIL 2017, FRIDAY

Cool, cloudy day, Checked with Agnes re an exchange of magnifying glasses. Hers were too small and she wasn't interested in mine. Will check at Walmart Monday if I go. Visited with Wanda; talked to Wilma F. Becky's birthday on the 11th; dropped a card in the mail tonight. Went to the accordion musical; toe tapping, professional. Trouble with my phone; low battery? BLESSING: Up to date with my scriptures, RS, SS, Ensign reading. Talked to Lillian H. last night.

8 APRIL 2017, SATURDAY

Wrote a long letter to Shirley and it disappeared, Auwe. Ate lunch with Wanda. Well into my nap Theresa came to see if I was alright. Sweet of her. I wasn't very hospitable I'm afraid. Should have gotten up. Wrote along letter to Shirley and I must've hit something; it evaporated. Auwe. Talked to Lettie. Looked at a book in the library; by the RS in 1992, many pictures of women all over the world with quotes from the scriptures, General RS presidents, Joseph Smith etc. lovely. Wanda bought me two boxes of "my" cookies from Costco. She doesn't go much anymore as she stops at Harmons when she gets her massage. BLESSING: Got all my reading done for tomorrow and Wednesday.

9 APRIL 2017, SUNDAY

Testimony Meeting, not many hulls. Christina gave the SS lesson. Ate noon meal with Wanda. Wrote another letter to Shirley and Blair. Had granola, bananas and strawberries for evening meal; filling. Snowed last night. Cold but sunny day. Nice article on the Paris temple in the paper today. Total wrong on my contribution slip, as been wrong all year, auwe. Invited Lillian to Easter buffet; she has other commitments. Talked to Lettie. BLESSING; the Sabbath Day.

10 APRIL 2017, MONDAY

Lillian has a shower for a niece on Saturday so I will be eating with Wanda, Jacob and Sarah at the Easter buffet. Kaitlin answered the question I asked David and Tammy re her and Amanda's babies: she expecting a boy, Amanda a girl. Hers about eight days after Amanda's in July. Went to walmart; got everything on my list except a light bulb and a magnifying glass. Helped put candy in plastic eggs for the egg hunt on Saturday. Attended the classic club, composer not familiar with (Johann Pachelbel); enjoyed his "polka" number. Balanced my check book; tax refund had been deposited. Finished the April Ensign. Sat out in the sun about ten minutes around five PM. nice. Agnes wants me on her Mrs. Jamestown committee; not excited. Lunch with Wanda and Geri. BLESSING: Wanda feeling well.

15 APRIL 2017, SATURDAY

Wanda worked on my computer; still can't do e-mail. Lost E-mail that I'd written from the 11th and my medial History. Auwe. Had Easter buffet with Wanda, Jacob and Sarah. Lovely one. Long hard nap. Sue S. Left a birthday bag on my door, beautiful Hawaiian print pillow case with a sweet note saying she knew it wasn't my birthday but that she might not be here on my birthday: expressed our Hawaiian connection. Will be sorry to see them released. Went for a short walk.

BLESSING; Seeing Jacob looking so well. Sue's pillowcase

16 APRIL 2017, SUNDAY

Easter. Sacrament meeting. Guest speaker who had spent a number years in Jerusalem. One of his daughters graduated from high school there. Delightra's daughter sang O Divine Redeemer. Alice W. Taught the SS class. Ate noon meal with Wanda and she worked on my computer later; still no E-mail and some other items "gone". I've eaten too much today. After a couple hours of deep sleep sat in the sun a bit and walked to the ponds. Practically dry; a few ducks around. Wore the red, white lined top Wilma F. gave me. Finished Anne of Windy Poplars, fourth of the Anne books. Thanks to Wilma F.

BLESSING: thanks for the Sabbath Day; and Wanda.

17 APRIL 2017, MONDAY

Couple of holiday books on the cart this morning with notation from Martha Newton that she had read them; was in pencil so I just erased her comments. One by Carol Lynn Pearson I hadn't read before. Quite enjoyed it. Wanda worked on my computer again; had texted Alan. Had lunch with her; a nap and a walk around the building; sat a while in the sun in front of the building and in the gazebo; new chairs and cushions there. No water in the ponds yet. Went to FHE sponsored by Janet Rees and her husband: two violins a ??? and piano. Was able to thank Sue for the pillow case.

BLESSING: Sue Sanft.

18 APRIL 2017, TUESDAY

Felt impressed to take a dose of my laxative. Started reading Anne's House of Dreams. Theresa and I visited Mildred and Carolyn; June wasn't home. Our VT sisters. Went to Chester's Food Forum. Read my E-mail at Wanda's. Several from Clive but nothing there. Theresa fell this morning about four trying to get some ice water. Sore. Afraid some day she may break something; she has fallen several times. Went to the Jamestown Choir concert: 20 numbers.

BLESSING; was able to read my E-mail

19 APRIL 2017, WEDNESDAY

RS. Sue Brockbank gave the lesson. Handouts. Theresa and I finally visited June Pack. She is still settling in. After evening meal I walked around to the ponds; coolish; Hal was sitting under the gazebo. Carla had lunch with Norm. Wanda bought me a basket of lovely strawberries.

BLESSING: VT pau.

20 APRIL 2017, THURSDAY

A but of diarrhea; didn't go to the temple. Slept in the afternoon. Read a hunk of Anne's house

20 APRIL 2017, cont.

of Dreams. Thought Lettie might have come over this morning; didn't. Am "worrying" my split nail. Sore.

BLESSING: My stomach feels some better.

21 APRIL 2017, FRIDAY

A day of staying close to the bathroom. Lettie called; coming over tomorrow. Wanda started on her new assignment, checking out requests for work to be done. Nap this afternoon and walk to ponds which now have water. Little cool. Lack one chapter in Anne's house of Dreams.

BLESSING; Willmores coming over tomorrow.

22 APRIL 2017, SATURDAY.

Vivian called this morning. Wondered if I had received the story Clive had sent me. He has health problems; shoulders, arms, chest. Had numerous tests. Probable heart problem. Has an appointment she will be going with him to. Pain in arms/shoulders so bad can't put saddle on his horse. Started reading Anne of Ingleside. Went to Tomorrow's history at ten; don't think I'll be going again. By five I realized that willmores weren't coming and checked voice mail; sure enough a message at 12;?? To say they wouldn't be coming. Ordered another magnifying glass. Filled out the two questionnaires I'd been avoiding: one from Medicare/Medicaid re cancer patients and one from AARP re Social Security.

BLESSING; Phone calls from my sisters.

23 APRIL 2017. SUNDAY

Susan Cocoran and Earl ?? Spoke at sacrament meeting. Delightra gave a god lesson on the Law of Consecration in SS. She isn't a PowerPoint teacher but is an excellent teacher because of her knowledge. A not very satisfactory nap. Read E-mail at Wanda's but no attachments on Clive's three E-mails. Will probably finish Anne of Ingleside tonight. Wanda helped Pauline today on her "tree"

BLESSING; Sunday

24 APRIL 2017, MONDAY

Went to what was to have been an astronomer from BYU discussing the Sun; he forgot and after waiting twenty minutes I left. Later learned he got there about forty minutes late; had forgotten. Went to the Classic Club: Gustav Mahler. Afterwards the Residents Meeting. No nap to speak of. Talked to Lettie, explained why I didn't call last night. Nice article in the paper re a man who runs a business, making toy cars; no paid workers, no cost of cars, gifts to children; painting of them done by prisoners. I clipped it out. Cool today; rain, cool weather forecast. Brennen working full time at TACO Times.

BLESSING; heart warming article in paper.

25 APRIL 2017, TUESDAY

Mildred and I cataloged books; found one of Maxwell's books Wanda gave to the library is a duplicate. Pulled it out and I will read it and see who she would like me to give it to (suggest Clive or Blair). Went to new residents social; four of the six were there; sat by Beverly, 60's Utah hairdo; almost blind (I would not have realized it) lovely lady.

26 April 2017, WEDNESDAY

Tracy W. gave the lesson in RS. A handout for reading for Branch conference on the 7th. Sue left a gorgeous mango by my door. Linda ate lunch with us. I signed up for the Paleontology trip but counseled. Have felt weak/tired all day. I had to ask Conner what paleontology was. Auwe. Couldn't find it in my crossword puzzle dictionaries. Another chapter in Elder Maxwell's book. Enjoying the nail "bandage" Iona gave me. Must get her a bottle. Wanda cashed a check for me; like to have some cash on hand. I do hope I can make it to the temple tomorrow.
BLESSING: enjoying Elder M

27 APRIL 2017, THURSDAY

Dressed to go to initiatory instead of the endowment session. Embarrassment: you now do initiatories in your "endowment" dress. The good sisters got me a dress, slip hose, shoes. I did my nine and Tracy's two. Tires. Checked in clothing afterwards; owe them \$1.75. The sisters working all did their "parts" well. I am super tired. Went to hear a harpist play songs of Israel. I am fascinated by the harp. Will call Lettie and go to bed.
BLESSING; Eleven names done.

28 APRIL 2017, FRIDAY

did a load of wash; Geri's wash still in washer; put it in dryer and after I went to the Token store I took her laundry to her. Her memory doesn't include her laundry. Called Vivian. After tests Drs. Found Clive's heart "worn" but not unusual for his age. He starts therapy for his neck and shoulders. Not to lift over 10 pounds nor should he pull and push. Clive's brother is working in the Afton temple. She said Clive enjoys reading and reads a lot. Almost finished reading the 7th "Anne" book: Rainbow Valley. Wanda ate lunch in the DR and almost immediately had diarrhea. I stopped in after evening meal; helped her wash out her garments; she clipped my nail. My key cord broke. Decided not to go to the Prom; did look at the refreshments: beautiful.
BLESSING: nice visit with Vivian.

29 APRIL 2017, SATURDAY

Lettie, Don and Ruth came this morning bringing lilacs (lovely sweet smelling), stack of 'Ensign's and new eras, pictures. Dn sounded perky. Ruth and Lettie spoke casually of Rachel moving in with them. Betty Johnson called while they were here; called her later in the afternoon. Has a bad sinus cold. Wanda ran off one of the articles we're asked to read for next week's Branch Conference; also checked my E-mail; letter from Shirley, news of Amanda's premature baby girl; due in July; 2 lb ad 13 oz. Remington Mae. Reading and enjoying Neal A. Maxwell's book Moving in His Majesty and Power; finished two weeks before he died.
BLESSING: Amanda's baby living.

30 APRIL 2017, SUNDAY

Carolyn Engstrom and Helen Blake spoke at Sacrament meeting. Good lesson on gifts of the spirit. Wanda didn't go. One of my four lilacs has died. My room smells heavenly. Went to the BYU singers; not as many as usual; good of them to come. Eric Hirschmann called; coming over; I'm in my pjs.
BLESSING: great Sacrament meeting and SS. Eric visit.

1 MAY 2017, MONDAY

Jessica did the exercise class; always does a good job. Magnifying glass came; Wanda put the batteries in. Still not feeling well. Conner and Megan came to show me their wedding pictures. Marami. Set the clock he gave me; had lost time; took my watch and will get a new battery. Went to the Classic Music club; Solira, an Italian composer I had never heard of; quite liked his music. Marcie substituted for Jessica in telling about him; learned little except he was Italian and lived the latter part of the 18th century. Went to FHE; Thales Smith told of his experience in Albania in the 1990's; a pediatrician who lives here; long. Talked to Shirley O. and Lettie. May Ensign came; fat.

BLESSING: Liquid bandage Iona loaned me.

2 MAY 2017, TUESDAY

Wilma and Keith came after lunch; papers re who my "stuff" is to go to. Unlisted Wilma and Wanda will decide. Desiree J. had her baby, Sarah, May 1st. Called re my med; confusion re two VRxes. Went to the Activity Forum and on to the RS social. Wanda had a visitor from Australia who is also a Family History missionary. Joel H. resurrected my E-mail; Wanda can it but when I just tried can't seem to get my password to work. Will try again. When I got back from the RS social my meds were here; from City Creek VRX. Didn't go to evening meal; rested.

BLESSING: Meds came.

3 MAY 2017, WEDNESDAY

RS: Sue S. Gave the president' message. Went on the bus ride to Eureka via Utah Lake. Eureka, once a booming silver mining town; run down. Interesting to drive through sheep and cattle ranges, towns of Goshen, Mona, Santaquin, Payson (temple). We had a rest stop in Eureka where Jessica bought us bottles of water and Betty bought us doughnuts. Over three hours; I was exhausted but did go to the musical performance of Tommy George. Wanda gave me another basket of strawberries. Need to pay her. Can't get in my E-mail.

BLESSING: Was able to see some of Utah I hadn't seen before.

4 MAY 2017, THURSDAY

Steven Smith's 70th birthday. Went to the temple. Thanks to eight others endowments were done for the nine inititories I did last week. Went to the Fairbank's brothers musical; tired. Lettie went to her Dr. today Feels comfortable with her. Broke a tooth; going to the Dentist Monday. Rhett is going to check out their garden. Virginia wrapped Wanda today. She gave me some of kneader's good bread. My walker seat is completely off. Auwe. Books given to library; three delapidate; threw them in the garbage; Eleven to be catalogued.

BLESSING: endowments done.

5 MAY 2017, FRIDAY

Cinco de Mayo. A Mexican lunch which I thought was to've been a buffet. The best part of the meal was the Mexican fried ice cream; a nap and missed the Cinco de Mayo party. Walked to the ponds, sunny day; eleven new ducklings. Conner brought me four light bulbs and batteries for my watch; put one in. Finished Elder Maxwell's book. Reads, much of it, sublime poetry. Will attend the harp recital tonight; love to see the beautiful harps.

6 MAY 2017, SATURDAY

Talked to Lettie early so I could go to the movie at 6:30 PM. First I've been to: McFarland, USA. Based on a true story. Latino high school which won the state cross country (?) race. Catalogues the twelve books; Mildred's daughter was doing her hair.
BLESSING; rhett and Anne did Will mores's garden.

7 MAY 2017, SUNDAY

Great Branch conference; Pres. Parkinson spoke and the six woman choir sang and Pres. Jackson spoke. Excellent meeting. Alan quoted form 2 Nephi 31:20. Rather than SS we had another "stake" meeting with stake RS president speaking and another member of the stake presidency. Had noon meal with Wanda. Geric didn't show though her name was on the program as pianist; she didn't remember it was Sunday. Short nap and walked around to the pond; still 11 ducklings. Sunny, war, slight breeze. I'm having problems accessing my E-mail' only because I have trouble typing in my zoobuh name and password; arwe. Talked to Anne R.; she has lost track of Gay Mitchell also.
BLESSING: GOOD FRIENDS LIKE Anne Robertson.

8 MAY 2017, MONDAY

Talked to Gladys last night after I wrote in my journal. Last eye shot not as helpful as usual. Went to Walmart: bought Systane drops and salve, liquid bandage to give to iona; used a lot of hers. Was in the First Aid section of the pharmacy, half bock of Harvarti cheese. Could find Cetaphil cream but bout a tube of Eucerin and another brand. Used my credit card; with two packages of Poise pads was \$54. Glad I had my charge card. Wanda called; going to Urgent Care re a UTL. Short nap; PCA took my monthly vitals; Blood pressure low; lost weight (scales wrong(?). Diane Boshard came right after with a lovely vase of lilies of the valley; smell so nice. Walked to the ponds; eleven ducklings still alive and well. Went to the Beach Club presentation

BLESSING: Diane's thoughtfulness; iona's liquid bandage replaced.

9 MAY 2017, TUESDAY

Want to Mariannes monthly meeting. Some time spent on laundry problems. Courtyard at Jamestown voted Best of Year. "Bought" a package of toilet paper at the Token Auction. Will call Lettie to see how she survived her dental appointment to remove the roots from her broken tooth. Went to the Musical performance: a father and daughter; he read poetry in between her piano numbers.
BLESSING: WANDA feeling a little better.

10 MAY 2017, WEDNESDAY

Got hair cut: short. RS. To Hari Krishna Temple in/near Spanish Fork; interesting and tiring. Went to a musical performance by the Chauntenettes Women's: 56 women. Talked to Lettie; mouth sensitive where Dentist dug out the roots of her broken tooth.
BLESSING: Sue S. and board.

11 MAY 2017, THURSDAY

Balanced check book. Alan hadn't cashed my check. To the temple; late leaving. Bus didn't come until about 1:25 pm. Beautiful day. Trump fired the head of the FBI

12 MAY 2017, FRIDAY

Wilma and Keith came; Wilma brought more endowment cards, men and women. Keith took my walker to see if he can fix the seat. Bless him he brought a stripped walker, like the one I use of 'Wilma's, while he works on it. Went on the ride to Wadley farms in Linden, next to Orem and Pleasant Grove. The LDS Church will no longer participate in the Boy Scout program of 14 to 18 boys. Problems with my printer.

BLESSING: KEITH TO THE RESCUE OF MY WALKER.

13 MAY 2017, SATURDAY

Mother's Day buffet; lots of good fruit; ate with /Wanda, Sonia Aycock came; had lots of pictures from Afton Harper's son (from aunt Beatrice?). Was able to identify about fifteen. Wanda worked on my printer. Short nap and walked around the building; sat in the sun for awhile. Alicia said there was another "batch" of ducklings; I didn't see a single one. Wilma and Keith came over with my walker; beautifully repaired. So grateful. Learned their family doesn't do anything special for Wilma on Mother's Day; we should have invited them TO THE buffet. Steven stopped by with pound boxes of See's chocolates for Wanda and me. Maria has had Gall Bladder surgery. Found a package of note cards on my door when I got back from evening meal for Mother's Day from the branch. Those ladies....

BLESSING; Walker repaired.

14 MAY 2017, SUNDAY

Sacrament Meeting; guest speakers (father and daughter); Alice W. taught the SS class on tithing and Fasting. Wanda didn't go to church. Enjoyed reading elder Neal Andersen's talk on Overcoming the World. Touched by his tribute to elder Porter of the Seventy who died. Didn't get my paper this morning; had permission to take one from the desk; came after my noon meal. Two e-mails from Clive: one a picture of their flower bed and another commenting on the mothers he honors and a reference to me as a surrogate mother.

BLESSING: THE Sabbath day and attendant meetings.

15 MAY 2017, MONDAY

Typed up two new books. E-mail from Amanda re Remi; progressing; they bathed her once. Walked by the ponds a couple of times; some new ducklings. To classic Club; Fanny Mendelssohn, sister of Felix; died in her forties. Some lovely pictures of her. To FHE Mathews sponsored a friend who is a photographer by hobby; spectacular pictures. Found Nathan Haws address as I cleared off desk.

BLESSING; cleared off stuff on my desk; into file.

16 MAY 2017, TUESDAY

Ruby Haw's birthday. Library cart loaded with books; thought they were being given to the library; not so, most being returned. Took me three or four shelvings to get them on the shelf. Connor stopped by at breakfast to say Theresa was sick; fainted in the bathroom. Fern said she had too many days of partying. I kept our VT appointment with Carolyn b. A sweet woman. C canceled our appointment with June pack. She was concerned about her Dr. Appointment today which has resulted in an appointment with her cardiologist. Wanda went to noon meal and fixed my printer. E-mail from Amanda re Remi; she is in Timpanogos Hospital in Orem; feels

16 MAY 2017, cont.

she is getting excellent care.

BLESSING: Books shelved.

17 MAY 2017, WEDNESDAY

RS. Judy B. Gave the lesson from pres. Hinckley's manual on Marriage. Christina had helped her with her power point venture. We completed our visiting teaching: Mildred A. And June Pack; **June has some heart issues; was in tears. We need to keep in close touch with her. Went to hear Lynda Davidson; pretty good attendance. Typed up books given to library. Ate evening meal with Wanda. Had her massage today; looked good.**

BLESSING: Relief Society sisters; a chance to thank Diane for Mother's Day gift.

18 MAY 2017, THURSDAY

Pauline K. called yesterday (voice message at 3 pm) to tell me of Elva, nee Harper's death from a heart attack on the 16th. Learned later when I called Ruby H. She had been living with Elva. I knew they were friends in the ward and she had been giving Elva rides to church; she also came to Utah couple of years ago with Elva. Ruby said she had been living with Elva as Elva couldn't live alone. I'm glad she could "go" quickly. **Diane Boshard brought me a tiny vase of little tiny roses. To the temple. Got all three of the women's names done and one of the men. Gave two cards out. Norm said I didn't give him one. I KNOW I did. Terry couldn't remember if the card I got back was the one he did or not. I guess it was as Norm J. showed me the one (of his) that he had done (blue, just lifted it out of his shirt pocket). Wanda was eating as I came from the temple; looked as if she'd had her hair cut. Stopped by her room on my way back from evening meal. Door locked; assumed she was putting her feet up. Spent quite a while grouping Ensigns. Three sets of 2016, one of 2015 with one or two issue missing in the latter. Learned Jessica is engaged.**

BLESSING: Diane's generosity; Wanda feeling well.

19MAY 2017, FRIDAY

Lovely bowl of fruit at breakfast; raspberries, blackberries, bananas, blueberries, strawberries. Washed 'dark' load including five blouses. Wrapped up my labeling the 2015 and 2016 Ensigns. Foisted the remaining ones on Jessica. Talked to Lettie; reported Elva's death. Went to see the film on the amazon; very interesting: animals, and early inhabitants. One of the waitresses came with a roommate; can't remember her name. Was on a mission in Ky. With Emily, Winnie's granddaughter. It was her sister her choreographed the "Sister" skit Beth R., her sister Wilma, me and Wilma and the two of them. They plan to come back with square doughnuts and special chocolate milk. She assumes I'm a bingo player. Cute girl. Called Pauline Kery; nice to talk to her Will send a copy of the obituary and the funeral program. What a great friend she has been to Elva.

BLESSING; Ensigns tidied up.

20 MAY 2017, SATURDAY

Mildred and I catalogued the fourteen or so books. She got down on her knees to shelve one and could hardly get up; I must not let that happen again. As hort walk to the ponds t see the fountain they have put in the one nearest the street; one tiny duckling in the pool. Hope it survives. Went

20 MAY 2017, --cont.

the piano recital; Joel Smith , wife and three youngest boys were there; two of them performed. Nice of him to recognize me. After we did the books I had a long nap and woke up about 5:25 PM; can't remember skeeting that long/late before. Called Vivian re Elva's death. Good talking to them. Voice mail from Paula. A sweetheart.

BLESSING: Books shelved; library tidied.

21 MAY 2017, SUNDAY

Iona G. And Roxanne spoke at Sacrament meeting. Delightra taught the lesson on building the temple in Kirkland. A trying time for the church; only the Lord could salvage it. She is our only non-power point teacher; does volumes of research. Rainy/cloudy much of the day. After my noon meal with Wanda and Geri I had a nap, read the Book of Mormon and a conference talk I must have slept through on "Looking Up ...", another chapter of King Benjamin's talk to his people and went for a walk to the ponds; four little ducklings; fountain going, lovely out. Went to the mini children's choir. Talked to Lettie and Wilma F. She did have the names of the ordinance cards she gave me. Blessing. Partially read a Nicholas Sparks book: Dear John. Rhett's father-in law died. READ Elder Rasband's conference talk on The Holy Ghost. Powerful BLESSING; Lunch with Wanda; Wilma having record of the ordinance cars she gave.

22 MAY 2017, MONDAY

Finished reading The Christis. Enjoyed it immensely. Called to make an appointment with Dr. Parsons. Ended up making an appointment with an optometrist to check my eyes; after a nap I canceled. Will wait until my appointment with dr. parsons in August. Went for a little walk to the ponds; four little ducklings huddled under my chair; cute. Nice and sunny but a sharp wind. Wanda shared strawberries and raspberries with me. McCall , once a waitress here and her roommate brought chocolate milk and a cinnamon twist. I thought I heard a knock; ignored it but they came back and I had just got up to go to the bathroom. Wrote an e-mail to Shirley with copies to Paula and Popes. Went to the piano recital: notch above Saturday night's. BLESSING; Kindness of McCall and her friend.

23 MAY 2017, TUESDAY

Stayed for about half of the hour of taffy making. Had a taste of hardening syrup. After a nap walked around the building; got some of the blue flowering weeds in back; in my lei vase; pretty. Read one story in the Murder for Christmas; more than enough; also started reading Wright's Wednesday Letters. Think I've read it. Nice E-mail from Shirley o. Blair has a small replica of the Christ us. Finished McCall and Anna's cinnamon twist and the rest of the chocolate milk. Wanda went for her massage today; found her on her bed asleep this morning; can't remember ever seeing her on her bed before. Steven and Maria are coming for noon meal tomorrow. BLESSING; Rachel is doing things for Lettie and Don.

24 MAY 2017, WEDNESDAY

RS. Lesson on preparation/getting more from the. sacrament. I need some serious thought re. Steven and Maria came for noon meal. Maria looks good; Steven letting his beard grow. Having shoulder surgery in a week. Vivian and Clive came en route to Arden's; had been at Lettie and Don's; brought me roses; beautiful from Willmores. Thought they both looked good. Went to

24 MAY 2017, cont.

a Musical Trio; parents in Provo; they from Missouri. Talked to Lettie; said had stopped by; lost weight. Looked good.

BLESSING: Vivian and Clive's visit.

25 MAY 2014, THURSDAY

Temple trip canceled. Just as exercise was ending saw Vivian at the door; they were on their way home. Clive hadn't slept. I worried about them the rest of the day; called at five; they had gotten home at two; he drove to Ogden, she to Gooding. They went to bed. Clive was still in bed when I called. I was relieved they got home safely. Hope he can get some help from his Dr.

Tomorrow. Had cheerios for evening meal. Talked to Lettie before and after popes got home. Told her I would be seeing the movie. Lasted in it until 8:20; a Prince Albert production. I didn't particularly care for it.

BLESSING: Vivian and Clive's safe arrival home.

26 MAY 2017, FRIDAY

Conner was at work today; had been on a backpacking trip to Lake Powell and Canyon lands. Sunburned. Took Church news and odds and ends from freezer; hopefully to Lettie today. E-mail from Amanda: Remi has gained a pound. MRI's have been encouraging. Went to the Memorial Day program; about half an hour: men sang America the Beautiful; choir sang two numbers, three pertinent poems read, Hal spoke, a nice printed program and Gennie sang the first verse of God Bless America, audience joined in the rest. Finished reading the Conference, May issue. "Bought" shampoo, soap and Piroulines at the Token Store.

BLESSING: heart warming memorial Day program.

27 MAY 2017, SATURDAY

Went to a piano-violin recital. Ate noon meal with Wanda and Geri. After nap walked to the ponds and sat in the sun for awhile. Talked to Vivian; they did go to the Dr. Friday, he is still in a lot of pain, appointment with another Dr. On June 2 or 3. Boy Scouts from ward had cleaned her hamboo area. Talked to Lettie: Rachel will be moving in the master bedroom, Don in Conner's rom and the hospital bed moved in for him. She wants to come stay with me when they do all the room shifting. Wanda fixed my printer.

BLESSING: Vivian can laugh amid their challenges.

28 MAY 2017, SUNDAY

Enjoyed both church meetings. Wanda was asked to teach the lesson in two weeks. Long nap; a walk around the building. Someone (Helen?) has a little garden in back fenced in. Saw a white duck(?) today. In the 70's. Becky came about five; nice visit with her. Danny went to visit his mother's grave. She looks good. Talked to Lettie; she's coming tomorrow while Rachel moves beds.

BLESSING: church meetings; visit with Becky.

29 MAY 2017, MONDAY

MEMORIAL day. Ruth dropped Lettie off just in time for our 12:30 noon meal reservation. She got a puzzle and Conner took her home when he got off at two; bit of a hoist to get her in his

29 MAY 2017, MONDAY

MEMORIAL day. Ruth dropped Lettie off just in time for our 12:30 noon meal reservation. She got a puzzle and Conner took her home when he got off at two; bit of a hoist to get her in his truck. She brought two boxes of Famous Amos cookies and five roses and five other stemmed flowers. Beautiful. Buffet was nice. Lettie ate quite well. Missed the Classic club but went to the Memorial Day 3:00 PM minute of silence. Not many there. About an hour's rest and walked around the building. Wanda met with her boys and has turned their houses over to them. Having problem with my printer. Had my toenails cut; great service.

BLESSING: Lettie's short visit.

30 MAY 2017, TUESDAY

Called re refill of levothyroxin. Attended Residents meeting. Pleased to learn some statistics of Jamestown, thanks to Don: 104 rooms, plus 27 in enhanced care; 66 females, 19 males, at present 6 empty rooms, 2 of them 2 bedrooms. Attended a sparsely attended New Resident Social; only two new residents present. Went out for a walk afterwards, windy. Dr. Marshall's office called to make an appointment for a medicare re medical exam; glad to get an appointment on June 6. Iona went to the Dr. re infection on her finger, swollen and red. Freaked out about it. Keith sent a great interview with Alan re his photographing all the temples in the U.S., a number of temple pictures. Wanda had her massage today. Brought me some strawberries.

BLESSING: Beautiful weather.

31 MAY 2017, WEDNESDAY

Geri having problems remembering her laundry. RS & priesthood met together. Peter and Hutia Kananapu did the lesson. Wanda and Fern gave experiences. Lovely picture of them when they were 23 and 20. Slim and trim. Ate noon meal with Carla and Wanda; slow relatively new waitress. Realized Geri had left her walker; took it to front desk; had her key on it. Stopped by her room and told her where it was. Went to the movie, Queen of Katwe, based on a true story of a 9 yr.s old girl who became a chess champion. Betty Johnson and daughter Susan stopped by for a few minutes; she brought me samples of the fruit cake I gave her for Christmas.

BLESSING: Wanda fixed my E-mail and printer--again.

1 JUNE 2017, THURSDAY

Went to the temple; 5men; Terry and a first time resident did the other two male names Wilma gave me. Roses on the temple grounds breath taking. News of Wilma Fullmer rolling her van over. She escaped with bruises and a broken bone in her wrist. A miracle. Was told that in such an accident people usually die. When I returned from the temple E-mail reported she was on her way home. Earlier in talking to Steven learned his shoulder surgery is Monday the 5th. Hesitate to call Wilma as I'm sure they are deluged by calls. Did call/talk to her. Bruised soft cast (on the broken part of her hand. Talked to Lettie. Still aren't settled in with Rachel's move in. "The" nurse who is supposed to come every six months checked my vitals, medications, how I took them, checked pressure on my ankles, listened my heart, stomach, back. Felt like a physical.

BLESSING male endowments done.

2 JUNE 2017, FRIDAY

Norm J. Sent me a single red rose with a note saying he was sorry he can't remember my name. Took Iona's laundry out while she was at the Doctor's . She was in most pain from her hemorrhoids; Dr able to help with a suppository Theresa had given her. After a shorter nap than usual walked around the building and enjoyed seeing Helen's fenced in garden. Fortunately for her the sprinkler's for the grounds water it; don't think she could have one if she had to haul water. Wanda had a former student of hers for noon meal and an appointment with Hal Halverson to have his picture taken with him. Nice looking young man (Jeff). Talked to Wilma; thought her voice still sounds strained; they are going to still go to CA. To see Barbara and Abe. BLESSING: Wilma seemed to be feeling as well as she is.

3 JUNE 2017, SATURDAY

Mary Miles' birthday. Did a load of "coloreds". Washed my pillow cover and scrubbed the foam where I had drooled. Rescued a load from washer to dryer; later from dryer and folded in order to do my load. Reported endowments done on Thursday to Wilma; no need for return; just shred. Slept too long this afternoon but did walk around the building; sun hot. Helen had planted a couple more little pots of flowers. Talked to Lettie; Rachel still settling in. BLESSING; Wanda seems to be feeling well; ate noon meal today.

4 JUNE 2017, SUNDAY

Brother Whiting, fairly new volunteer bore his testimony; he and his wife will be having FHE tomorrow night. Christina taught the SS lesson: Degrees of Glory; concentrated on the Celestial. Good job, as always. Lanny Wakefield is having knee surgery Friday. Wanda is teaching her SS class next Sunday. Diane and Norm came home/visiting teaching. Afterwards I slept soundly until after four to stare over to my desk where a vase of roses were setting; Called Ruth. What delighted me even more than the roses was her comment:"I'm glad Rachel is here to share (the care) and that I can have some time off." Told me of Lettie almost falling; she was partially able to catch; was in bed. Have shared the roses with: Theresa, Fern, Mildred, Wanda, Carolyn Beamson, Agnes, Iona, and Annie. Went to the last half of BYU Singers. Nice looking group of 25 or so. Article in paper about TARZAN in which David Smith will be playing Tarzan at Orem hale theater. I'll call Steven to see when he has surgery and if he will be in the hospital afterwards. Also will call Vivian.

BLESSING: Beautiful roses and being able to share.

5 JUNE 2017, MONDAY

Went to walmart; sent \$65; did get a number of things I wanted especially body cream. Didn't find Cetaphil in a cream. Only seven on the bus. All shopped quickly. Only trouble I had in finding what I wanted was nutell for Conner's birthday present June 15th. Bought a small bag of nectarines; shared with Wanda. She had Don's double delight rose on her counter; so fragrant. Took Carla's rose to her room this morning; didn't answer so I took it to the breakfast table. When I went to noon meal found it in the bud vase with the artificial flowers. Forgot it? Didn't know it was hers? I'm afraid I harassed her. And shame on me; her memory is nil. I will try harder to remember; he is such a kind, caring person. Went to FHE sponsored by the Whitings. Did reading among other things of The Diary of Adam and Eve. Fern gave us a couple of chocolate goodies. Sent some to Wanda. Theresa sent her cookie.

6 JUNE 2017, TUESDAY

E-Mail from Steven. Is home. To Dr. Marshall's office where I filled out six or so forms; Allison, one of his PA's did the "test". Went over meds; Drs., gave me a memory test, and a pneumonia shot. A long wait for my ride back to Jamestown; had to call twice. Went straight to noon meal. Bird cage is back with nine birds, a bird bathe, plants and swings. Birth announcement from Desiree and Paul with lots of pictures of their daughter and son. Went to the social with Enhanced Care. Saw their dog as we met out on the lawn. Bigger than I had surmised from pictures. Sad to see many who are there that I had known before they were moved there. Carla lost her room key and her pendant/s.

BLESSING; Steven home form surgery.

7 JUNE 2017, WEDNESDAY

Did a load of whites. Talked to Vivian last night. Clive has leukemia; going specialist Friday. RS. Janet Rees taught the lesson on elder Cook's talk on Faith. Wanda went; checked out her lesson plans. Had noon meal with her. Carla not eating noon meals; says she's gained weight. "After my nap had a walk; hot. Ruth W. called; Lettie distraught. I probably jumped the gun; called Ron and suggested a blessing for her; called ruth after the music program; said she thought Lettie was over medicated. Problems hearing.

BLESSING: Ruth watching over Lettie.

8 JUNE 2017, THURSDAY

Went to the temple. Twelve of us; four men. I admire Norm J. for going; awkward for him to get around. Says he doesn't feel any pain in the temple but always otherwise. Infected knee. As I came home from the temple, Geri Wakefield said hello; he is helping his dad move into Jamestown. Alice and Lanny have wanted him to for some time. Gail and Geri were helping with the rest of the family to get him settled in. After evening meal she and her twins came in for a short visit. I went to the BEST OF THE STATE party; problems with sound system. Elaborate buffet; I enjoyed the sushi. Called Ruth; Don had been in bed all day; Lettie almost all day; not as bad as yesterday. I'm going to try to get over Saturday.

BLESSING: Ruth won't leave her parents alone.

9 JUNE 2017, FRIDAY

Wilma H. would have been 91 today. Went to Costco; only four of us. Got new parts on hearing aids; had picture enlarged (and lost the original, auwe), bought Fish oil, two packages of "my" cookies and a big jar of chocolate covered almonds. Saw Mary Miles and Sue Sanft. Rescued Geri's laundry again. Nap and walk around building. Wanda will take me to willmores tomorrow. Talked to Vivian: Specialist doesn't think pain is related to cancer. He is reluctant to take meds. Another appointment for another MRI next week. Melvin Wakefield was at breakfast this morning with a member of his family (?).

BLESSING: Got new tips to my hearing aids.

10 JUNE 2017, SATURDAY

Wanda took me to Lettie and Don's; he was up; she met me at the door. Asked me where I lived. 

10 JUNE 2017, con.

Talked quite sensibly the rest of the visit; new neighbors were moving in. Ruth gave me another vase of roses; Rachel some potato salad; admired their new fridge. Saw how Rachel was getting settled in and thought Don's room looks quite comfortable. Back just in time for noon meal. I need to try to get over more often. Took Carla one of the roses. Walked around the building after my nap. Ate (?) With Wanda. She paid me back \$300 which she got from Sarah. Rachel just had her ears pierced.

BLESSING: Grateful able to visit Lettie and Don

11 JUNE 2017, SUNDAY

Wanda taught the SS class; had the full 20 minutes; all went well except wasn't able to have music for her song. Carla didn't have her pendant on at breakfast or at noon. I probably shouldn't bug her any more. Forgot to get my mail yesterday; picked it up this morning; bank statement. Don't like to keep my balance quite so low. Brennen answered the phone when I called Lettie. Meant to call Steven.

BLESSING: Sacramento meeting and Wanda's lesson.

12 JUNE 2017, MONDAY

Visited with Steven; has had a tough week: pain, adverse effects from meds. Someone has been staying with them until today. Vivian called; mostly to hear about Lettie. Theresa and I visited Carolyn and June as visiting teachers. Mildred and catalogued the two books I've had for a while. Went to classic club: Claude Debussy. Had cheerios for evening meal. At noon saw Susan Corcoran have a terrible fall. Was taken by ambulance; was bleeding profusely from a cut on or around her head.

BLESSING: Theresa likes to do VT early as I do.

13 JUNE 2017, TUESDAY

To Dr. Rich; no cancer. A shot for bones ; back in six months. Just made it back for noon meal. Slept almost three hours. Cloudy, rainy, cool day. Difficult for bus to maneuver by the valet parking at the hospital. Mildred Asay's 102 birthday. Went to an accordion program tonight. Foot tapping; just wish they would be about forty minutes rather than an hour. Well attended. Talked to Lettie. Had been to the Dr. She felt she must have over medicated herself; suggestion; have Ruth or Rachel administer meds. She seems agreeable to that. Wrote Desiree.

BLESSING: Lettie sounding more like herself.

14 JUNE 2017, WEDNESDAY

Hair cut: RS. Slept too long. Wanda has a UTI; got to see her Dr. Slept too long this afternoon; did walk around the building. Coming out of RS met Pat nee harper and her husband, Jim. Left them to visit with Annie Deaver but suggested we get together for lunch one day. Told me Lynn Harper had died. Talked to Vivian. They had a day of tests, or Clive had: an MRI, blood drawn and bone density(?). Sedated him for the MRI. She said they were both exhausted. Talked to Lettie; Rachel was giving her a pedicure.

BLESSING: Communication with my sisters; seeing Pat and Jim.

15 JUNE 2017, THURSDAY

Ten of us went to the temple. E-mail from Keith re Wilma's cast. They came back on Tuesday; Dr. Ex-rayed again and couldn't see crack but brace is for realignment. Barbara and Abe have moved again. Wanda got antibiotics for her UTI. She gave me some good bread from Kneaders. Sonia Aycock stopped by for a few minutes; her daughter had her baby a month early; a Downs syndrome baby weighing just over four pounds. Talked to Steven; I'm surprised he's driving. Gave Lettie a report on Vivian and Clive. Jordan had been there today; cut Brennen and her hair. BLESSING: Endowment session; Jamestown volunteers.

16 JUNE 2017, FRIDAY

Connr's birthday. He is replacing Aubrey in charge of the MedTees. Pleased as will help financially since Megan can't work when she student teaches in the fall. E-mail from Amanda H. Re Rime; she now weighs 4 #s+, Learning to nurse. Also note from Kaitlin. "Getting bigger"; they'll be moving to Utah Co. as her husband will be teaching in Saratoga Springs. Went to the musical program, a violinist. Enjoyed her and her accompanist. Wrote Jessica a note re. Why am I so tired, Auwe. Steven canceled their noon appointment. Visited with Wanda; talked to Lettie. She says things often seem strange. BLESSING: E-mail from kaitlin; violin music.

17 JUNE 2017, SATURDAY.

Visited Elaine K.; got her mail; seemed glad for a visit. Lillian Heil called four times; I called her twice; never did make connection. Read a number of articles in Sunshine for the latter-Day Saint Soul. Walked around building. Alice Wakefield was in the building; visited with her a bit. Talked to Lettie and Vivian. Clive has a growth on the end of his spine; Started radiation. BLESSING; Vivian's positive attitude.

18 JUNE 2017, SUNDAY

Elaine M. And Christina P. Spoke at Sacrament meeting. Delightra taught the SS lesson on the Word of Wisdom. Lillian called; lunch with her on the 30th. Enjoyable Father's 'day barbecue: good steak, corn on cob and watermelon. Walked to the ponds after a nap. Called Lettie but got her voice mail. BLESSING: Sacrament meeting and SS.

19 JUNE 2017, MONDAY

Temps are heating up. Very short walk. My noon meal didn't set too well; got a banana and an and didn't stay for evening meal. Three E-mails from Barbara nee Smith. July Ensign and New Era came. Read in the ensign. The Ka'anapu's gave the FHE: A trip to Hawaii; refreshments served by hostesses "aboard our plane", leis. Some nice shots of four of the islands. Concluded with Hutia doing the hula. My noon meal didn't set too well with me; skipped evening meal; picked up a banana and an orange and had bread, milk and a cooky before I took my PM meds on return from FHE. Talked to Lettie; Rachel is taking over most of Don's care. Lettie's memory is elusive.

BLESSING: Lettie's awareness, gratitude that her daughters are working so well together.

20 JUNE 2017, TUESDAY

Did load of whites. Didn't feel too well after exercise; rested until noon meal when Steven and maria came. Half pound of See's for all three of us. Steven quite ambidextrous. Hasn't shaved. I didn't eat anything though I ordered a bowl of apple sauce. As the finished I excused myself and started throwing up; Steven came home with me as I threw up in three napkins and all over my house; on the love seat the rest of the afternoon. Theresa stopped in. Wanda called. Offered ginger tea; said she used &-up; found I had a can of ginger ale. Picked up mail; note from Ann Robertson with Gay Mitchell's address. Went to the dance performance. Didn't stay for last number. Very exuberant group. All sizes/shapes. Will call Lettie and call it a day.
BLESSING: Feel a little better.

21 JUNE 2017, WEDNESDAY

Went down for breakfast but came back immediately; missed exercise and RS. Diane B. stopped in with a lovely bouquet of sweet peas. Tried to throw up; little or nothing available. Moped around all day; from love seat to bed. Ate a couple of crackers and a couple bites of banana to take morning meds. Wanda bought small cans of ginger ale. Made me a cup of ginger tea. Theresa stopped in; she hadn't slept well last night, didn't go to breakfast, exercise or RS. Eating a piece of bread so I can take my evening meds. Will talk to Lettie and call it a day,

22 JUNE 2017, THURSDAY

A nice long e-mail from Shirley; I noted the dates they'll be in Utah. Conner and Jacq gave me a blessing. Not sure I heard it all but what I heard was lovely ate a little breakfast; went to exercise and came home and rested. A bunch of books were returned to the library; when I first saw them I thought someone had given books. After two different times got them re-shelved. Ate a little lunch. Conner is in training for his new position: assisting Davy, the nurse. When I visited Theresa she told me the workers aren't supposed to give blessings. I need to apologize to Conner and Jacq. Got Will more's voice mail. Called Vivian; had company; returned my call. RS wanting to know owe they could help. Clive starts chemo tomorrow. Three more radiations and then chemo each Friday for ??? It's the tumor on spine which is causing the pain. Couldn't get TV tonight. I asked her about the book Wanda sent for me; thought Verl had sent it. Doesn't matter just wanted to know they got it. When he has just exrays she doesn't go with him; someone else takes him; when he sees a Dr. She goes. Both are exhausted when they return home.

BLESSING: I'm definitely feeling much better tonight.

23 JUNE 2017, FRIDAY

Had a good breakfast; went out to the ten AM activity by the ponds; got sick at my stomach and came back home room: spent most of the day on my loveseat. A woman from a dental office checked my mouth, health of. Showed me how to "fix" my lower denture in my mouth with Polygrip; recommended taking top denture out occasionally. Sue S. And Diane B. Stopped by: Sue with homemade cookies and chocolate chip cookies. Had applesauce, part of a muffin and a little pink lemonade for evening meal; brought home a banana. Will try to call Lettie earlier tonight. TV still doesn't work. Went to Jessica's music program.

BLESSING: Sue and Diane's thoughtfulness.

24 JUNE 2017, SATURDAY

Ate breakfast and lasted half of exercise; spent rest of morning in bed. Visited Theresa twice. She might have had another little stroke. Went to lunch and brought home some soup and apple sauce; ate a few spoons of apple sauce. Another rest and walked around the building with Esther. Talked to Lettie, Shirley nec maples, her 95th birthday. Sounded good. Lettie sounded chipper also. Said Rachel had been getting Don to eat a bit more. That he was a little more cheerful today. Had a small bow of cheerios for evening meal. Stomach feeling a bit better than it has all day. Enjoyed reading the Church news re dedication of buildings from the old Church College of N.Z. buildings and the article re the church's BYU Worldwide Pathway program.

BLESSING: Visiting with Shirley O.

25 JUNE 2017, SUNDAY

I do like Sunday: Sacrament meeting and SS. High Council Day. Lanny Wakefield was there. Ate with Wanda and a new resident, Audrey, and slept a couple of hours; short walk to pools. Visited Theresa several times; looks "drawn", didn't sleep well last night. Stomach still not feeling "right" but haven't felt as if I'm going to throw up. Finished book I was reading re uplifting stories for latter-day Saints. Conner working again today. Talked to Lettie and Betty J.

BLESSING: Sacrament meeting and SS.

26 JUNE 2017, MONDAY

Visited Theresa a couple of times. Thought she looked a little better tonight. Went to the Classic Music club: Maurice Ravel; I really like his Bolero. A short rest before noon meal and after the music club. Sonia came a little before four. Short visit; identified as many names as I could on the picture Lettie gave me (and I had enlarged). Walked her to her truck: hot out. Conner has until the end of the week in training for his new job; looks nice in his shirt and tie. Commented on Lettie's loss of memory.

BLESSING: Haven't thrown up today.

27 JUNE 2017, TUESDAY

Missed Residents Meeting. DEXA test. Trever is engaged. Book, Instate Wars, given to library by author, Orvill Paller Jr., a resident here. Went to new resident's social. Six new residents introduced themselves. Attractive refreshments; brought all mine home except the watermelon; consequently didn't go to evening meal. Having some milk and bread. Visited Theresa several times. Dr. persists in thinking she might have had a light stroke. Went to tonight's musical performance. Loud. Couldn't get Lettie.

BLESSING: Wanda seems to be feeling quite well.

28 JUNE 2017, WEDNESDAY

I asked Orville Paller to sign the book he gave the library; he not only signed it but gave me a copy!! Wanda suggests I give it to David that he will love it. Tracy taught Elder Rasband's Apr. Conference talk on the Holy Ghost; excellent job. Ate noon meal with Wanda; good pot roast. Long nap; short walk. Not hungry for evening meal. Conner told me Alicia will be working here as a CPA. Problem changing channels on my TV. Theresa had a therapist with her one of the times I visited; she still looks tired. Carla went up with me after evening meal; left her with her. Talked to Lettie and Vivian, the latter briefly as she had to answer the door. Clive had evidently

28 JUNE 2017, cont.

gotten dehydrated. She said they'd had two bad days but today had been better. I'll call her again tomorrow. Talked to Bev Stephan re Gay Mitchell.

BLESSING; Talked to Bev re Gay Mitchell.

29 JUNE 2017, THURSDAY

rec'd. a package from Elva Parker's friend, Debbie, with two pictures of Elva, one of her and Bob and one of her and Wilma of Elva, a copy of her funeral program and a copy of the obituary. Very generous of her. Typed a letter to Gay Mitchell and will mail it in a "friendship" card. Fourteen of us went to the temple. It closes on Saturday for three weeks. Alicia stopped by while I was having evening meal; already started working here. Super tired when I came back from visiting Theresa after evening meal. Tried calling Lettie and Vivian, neither answered. To bed early...

BLESSING; Elva's friend's thoughtfulness.

30 JUNE 2017, FRIDAY

Had lunch with Lillian Heil; I do enjoy the restaurant we went to; price very reasonable. We didn't have the stir fry this time but roamed the other tables. Ate too much. Home in time to see David Smith when he came to get the book Orville gave me; he is semi retired. Whatever that actually means. Rachel brought Lettie over for a little while. She is restless. Went to the Freedom celebration. Kelley checked my TV again and it is the best it has been since I've been here. Bless him. Talked to Ruby H. and Lettie tonight. The latter already in bed (listening to a tape); said Regan and Trish had been there; and said she didn't know they had moved to Idaho. Her memory.... WANDA went to the Dr. re her oxygen and she may be using a pump for her insulin.

BLESSING; Nice visit with Lillian.

1 JULY 2017, SATURDAY

Talked to Ruby last night. She hadn't received any pictures. Wrote Shirley O.; talked to Steven and Vivian. When I called Steven first he was in bosie with a student. I didn't think he was supposed to fly; and he isn't but can fly and instruct as needed. Started his therapy twice a week. They were going to see Tarzan in which David is playing Tarzan tonight. Took a walk around the building after exercise. Long wait for breakfast making me late for exercise. Tried calling Elva's number and called Carla nee Coston. On second try left a message; she must know the name of the woman who has been living with Elva. Arden, Rhonda and their son, Collin, and friend visited them today; did a lot of work in and around the house: washed windows, mirror; Arden cut some limbs. Collin and friend exercised the horses. Clive has Multi myeloma. Talked to Eric; he and Mara had already been to Europe. Joel is speaking next week at Sacramento meeting.

BLESSING; Wanda is pleased re her insulin pump.

2 JULY 2017, SUNDAY

Quite a few bearing testimony; as Wanda said Annie Deaver always bears a "pure testimony". Christina taught the SS lesson; as always a good job. Carla nee Coston called me; so nice of her. I had called her twice; wanted to know the name of Elva's friend who sent me the pictures.

2 JULY 2017, SUNDAY cont.

Pauline Kury is her name. I can now write her. After a long nap I took a walk around the building, breezy. Called Lettie earlier than usual; she sounded "chipper". Auwe; found the note I

Gay Mitchell; thought I had mailed it. Eric and Karna are coming between 7 and 8. Joel is speaking in church next Sunday.

BLESSING: the Sabbath Day.

3 JULY 2017, MONDAY

Washed my "whites" including y temple dress and slip. Went to the Activities Forum; Jessica works hard to keep us active. Showed us her engagement ring and told of wedding plans are for sometime after the 18th of July. Went on the bus trip the art exhibit in the Provo courthouse; a number of artists displaying their artwork. Hot outside and inside the bus. Problem parking. E-mailed the smith family and Paula re Clive's cancer and Vivian's oxygen needs. Wanda is having yeast problem; weeping bloody-looking secretions. Took her evening meal

BLESSING: Theresa back to the DR for her meals.

4 JULY 2017, TUESDAY

Wanda's yeast was a little better; didn't need help. Had noon barbecue with her. Ribs and chicken wing. Talked to Vivian and Paula. Clive still sleeping a lot and not eating much. Dilemma re their Pope reunion. Verl will be there to drive him to his chemo treatment on Friday. Nice visit with Paula. Alexander is 13; Emily will be 11 in December. Slept way too long. A walk around the building after evening meal. HOT. Picked some wild flowers and have a little bouquet on my table in front of the mirror. Carla lost her pendant.

BLESSING: Conversation with Vivian and Paula.

5 JULY 2017, WEDNESDAY

Wanda went to RS; Hutia did the presidency Message: the Book of Mormon. Told of her great grand father in Tahiti taking his boat and people out into the sea to read the Book of Mormon. Two films; one new to me re Moroni as he left the record and finally President Monson's conference talk on the Book of Mormon. Very effective. Had noon meal with Wanda and Geri and went on the scenic drive to Park City. Bus full; hot. Voice mail from Ann Robertson; Voice garbled, couldn't understand her. Auwe. Called Lettie; Rachel answered the phone; Ruth had taken Lettie to the library

BLESSING; Relief Society lesson.

6 JULY 2017, THURSDAY.

Anne Robertson, her daughter, Kate, and Pauline H. came. Nice visit. Didn't get to lunch with Steven, Maria and Wanda until noon; didn't matter. So nice to see Anne. Two hour "hard" nap. Steven is eating with his right hand. Dr. said he is doing well. Traded his motorcycle; new sleek car. Maria was in a wheel chair. Showed pictures of David in Tarzan. Talked to Lettie; sounded chipper and well aware of the care her girls are giving her. I am glad. Asked Wanda to make copies of the Elva pictures, etc. Pauline sent.

BLESSING: Anne's visit.

7 JULY 2017, FRIDAY

WANDA made copies of the Elva information Pauline sent; ready to mail to Ruby. I found a package of manila envelopes; hope two stamps will be adequate. Tried to iron my blue blouse; didn't work. So tired and sleepy; left noon meal before Wanda finished. Got up a little after three; walked to the pond; hot. Joined the pineapple and coconut game. Eight of us. Quite fun. Talked to Vivian. Clive skipped his chemo today and they will try going to their Family reunion on th 10th-12th in FT. Bridger, Wyoming; Gayle is in charge. All their children will be there. I'll call Lettie a little later and report on whatever seems pertinent tomorrow.
BLESSING; Elva pictures, obituary etc. in mail to Ruby.

8 JULY 2017, SATURDAY

Can't get into my zoobuh. Talked to Lettie last night. Don seems to be getting weaker. Can't get into my zoobuh. Talked to Gladys; seemed very discouraged; heat bothering her. After my nap I walked to the ponds; six new ducklings. Hot. We had cream cheese and bagels for breakfast/ nice change. Liz nee Haws came to get a copy of Elva Parker's obituary. Ruby should get the envelope I sent her by Monday. Liz is a comfortable person to visit with.
BLESSING; Nightly visit with Lettie.

9 JULY 2017, SUNDAY

Sacrament speakers were a mother and daughter. Piano duet. Alice taught the SS lesson on the Priesthood. I had read the scriptures but enjoyed them all over again. The Priesthood and organization of the church is remarkable. Wanda drove us to Eric and Karna's ward to hear Joel speak prior to his MTC entry on Wednesday. Andrew served us the Sacrament. Karna's mother, sister Anne and brother Warren were there also. It was a good decision to go; Eric and Karna seemed to really appreciate it. Good to see Amanda and Mara. Mara is growing to be the pretty 16 she will become in a couple of months. Interesting to be in a ward with families.

A nap and Wanda rescued my Zoobuh. Talked to Betty J.; what a good friend she is. Couldn't get Lettie.

BLESSING: going to Eric and Karna's ward .

10 JULY 2017, MONDAY

Went to hear Jessica and Chester's program. Fun. En route noticed someone had blacked out Chester's eyes on the poster in the elevator. On my return I tore it up. Someone gave a box of books to the library, all paperbacks with the front cover torn off. Took 25 to my room to type up; after talking to Mildred we decided to have them given to DI or another facility who might have more need of books. I think Kathryn Romans, librarian who organized Jamestown library, would suggest DI. To Classic Club: John Philip Sousa; do enjoy his foot tapping marches. I called Popes number and voice mail came on which means Vivian and Clive did go to their reunion. Lettie sounded upbeat when I called her. Balanced checkbook; good to have a little more money in my account.

BLESSING; hearing Lettie's upbeat voice.

11 JULY 2017 TUESDAY

Auwe. Up and down to a dark dining room to discover it was 7:03!!!

11 JULY 2017, TUESDAY cont.

Took my walker to the Mobile Fixit Clinic. They never showed up. Attended Marianne's meeting. Biggest news is Jessica's wedding on August 1st and a reception on the 8th here at Jamestown. "Bought" a package of toilet paper with my 155 tokens. E-mail from Sadie S. via Pam re her happiness and anticipated release in three weeks. After my token purchase walked around the building; in the high eighties; felt good. Wanda got her Costco order which included some Cetaphil for me. I have been using Vaseline for my lotion the past two days. Went to a lecture by a Chinese young woman on Chinese culture; interesting, a little long with some technical difficulties. Gave us a little lotus token. Called Lettie; their bishop was there. BLESSING; Bishop visiting willmores.

12 JULY 2017, WEDNESDAY

Hair cut. RS. Slept too long an afternoon nap; walked around building; only five of the new six ducklings today. Wanda gave me more bread, new kind. Kaitlin wrote of the birth of their son: William ??; born on the 11th 7 lbs. 4 ounces. Alicia on her first day as CPA. I've had a little diarrhea. Called Lettie; was at the library and Rachel had me talk to Don! Sounded quite good. Agnes stopped by; we were confused re a Marilyn who moved out, neither of us could remember a "face". She is good to keep up. Dr. Marshall's office called for me to make an appointment. On the 17th. BLESSING; Agnes and her interest/concern for residents.

13 JULY 2017, THURSDAY

Jessica filed my nails. Showed us her wedding dress. Walked around the building; hot, hot. Melvin Wakefield was sitting in the gazebo in the full sun. Six baby ducklings down to four. No answer when I called Vivian and Clive's and no answer at willmores. BLESSING: Nails filed.

14 JULY 2017, FRIDAY

Jessica did our exercise class; good workout. Went to Costco on the bus. Bought cetaphil on sale, Systane and multi vitamin pills and cookies. Had a long wait for Audrey who didn't buy anything; must've enjoyed something there. Wilma and Keith came over; Wilma and Wanda to go over my finances and to show them where items are in my file. Their names are on both my bank and Credit Union accounts. Alice and Lanny were in the building at noon and she shared a Face book from Geri saying Clive was in "the hospital he helped build". Talked to Vivian after Wilma and Keith left. He came home yesterday; was dehydrated and they felt it best to keep him in the hospital. Both he and she are exhausted. Called Lettie to tell her. BLESSING: Talked to Vivian.

15 JULY 2017, SATURDAY

Washed load of whites: always good to have a drawer full of clean garments. Talked at length to Vivian and then Gladys. Phone cut off when I was talking to Gladys; phone needed to be recharged. Gail nee pope's twins are opening their mission calls tonight. I'm sure Alice Wakefield will let me know where they're going in the morning. Talked to Lettie. Started reading the paperback I have of Othello. History and commentary lengthy, and interesting. E-mail from Shirley o. Their house will be available for showing to people of interest.

16 JULY 2017, SUNDAY

Gloria and Afton spoke at Sacramento meeting and Sue and Ramon's grandson played a piano solo. Gloria's talk was particularly good, both a little longer than probably requested which gave Delightra about 8 minutes for her lesson. Alice showed me pictures of Gail and Geri's twins opening their mission calls: one to Utica, NY, the other to the Philippines; didn't get the mission. Slept too long, until 4:50 pm; feel like a zombie. Made my contributions to BYU-Hawaii and Utah State. Diane and Norm came home teaching; she brought sweetpeas, lavender and three little cookies. What good people. Mary Kay Harper called and will be coming next Sunday at two to talk genealogy. No answer when I called Lettie. Did what I could on the Sunday crossword puzzle and read some more of the introduction to Othello.

BLESSING: I LOVE THE Sabbath day.

17 JULY 2017, MONDAY

Theresa and I visited Mildred today. I went on the drive to Springville to see their sculptures. Didn't get out of the bus; sculptures all over, in bronze most of them. Must've been at least 25 or even thirty. Couldn't see them well but I was impressed. Back in time for a short nap. FHE tonight: the Sliders were in charge; she showed pictures of a number of leper colonies in India. Only one picture otherwise, a rather poor picture of the Taj Mahal. Talked to Lettie. Ron and Rachel were going through some of Don's things. No answer at popes when I called about 7:45 PM.

BLESSING: Visited Mildred.

18 JULY 2017, TUESDAY

Went to Appointment with Dr. Marshall; he wasn't in, sick. Back at one and ate half a banana/peanut butter sandwich, cup of milk and a little muffin from the hospitality area. Short nap and to the Food Forum. Talked to Ruth before evening meal as I went to the movie at 6:30 pm: Hidden Figures about John Glenn's orbit and the part a Negro mathematician played in; left a little before it was over.

BLESSING: Visit with Ruth.

19 JULY 2017, WEDNESDAY

RS; Judy taught the lesson from the Pres. Hinckley manual on service; much participation. Ate early with Wanda and Theresa; she and I visited Carolyn afterwards. Sent a little friendship card to Gay Mitchell. Five catalogues in the mail. Bought some mints at the gift shop in the Timpanogos Hospital when I went to my Marshall appointment. Cut them in pieces; I'll see how they work tonight. Went to Lynda Davidson's program. Talked to Vivian; they've decided to do the chemo on Friday. Several have offered to take him to Twin. Talked to Lettie; said Don is failing fast; doesn't recognize her; not eating. I'm going over tomorrow.

BLESSING: Lettie asking me to go over.

20 JULY 2017, THURSDAY

Wanda dropped me off at Willmores on her way to her massage. Talked to Don a bit and fed him several fork fulls of watermelon; skin and bones. We saw Fullmers and Shirley and Blair at the gas tanks at Costco. Wanda picked me up about 4:15 because Shirley went over to Elona's and Elona gave her a massage. I stayed too long at Lettie and Don's. Lettie spoke freely about how

20 JULY 2017. cont.

her memory is confused re moving and other things; tried to tell her that is part of her aging process: dementia. Washed some of the cherries and put four to six cherries in the little black cups for my table mates. Lunch with Olson and Fullmers tomorrow at 11:30AM. I am weary. BLESSING; Ruth and Rachel.

21 JULY 2017, FRIDAY

Shirley, Blair, Keith, Wilma and Joey (Dale's 12 year old) came for noon meal. Nice visit. Shirley and Blair looked good; Joey a handsome young man; must've been bored. After eating they came up and took the box of books Wanda had taken out of their storage when they closed it sometime ago. Short nap. Corn on the cob for evening meal. Shared some cheeries with my table mates. Teresa and I visited with June Pack. Her husband died when he was 62; she 55. We've enjoyed having our VT sisters tell about themselves. TV doesn't work. Talked to Vivian AND Clive. Talked to Lettie.

BLESSING: Finished our visiting teaching.

22 JULY 2017, SATURDAY

Walked around building after exercise. Long nap. Typed BATTLE of the BIG BLUE of big print in preparation for tomorrow's SS lesson. Quite a few books returned to library. Took awhile to reshelve; in the process found a number unshelved on the shelves. Went to the movie for a few minutes; sounded like a Cinderella version; didn't want to stay two hours. Will call Lettie.

BLESSING: SOMEWHAT PREPARED FOR SS ASSIGNMENT.

23 July 2-17, SUNDAY

Sacrament meeting ran over. So did SS. Gail and her family came up to look at my Philippine map and talk a little about the Philippines. After noon meal Leland, Mary Kay and their daughter came. Since I saw him last Leland has become an "old man". Has had to give up the temple; hand has a severe tremor. Some difficulty in walking. Wanda needed her computer to work with Mary Kay and her daughter. Leland and both visited for 2 hours; both of us were exhausted; finally went on a walk (he said he should walk; exercise more) and then went to Wanda's. they left about 4:30. Asked about all his siblings; four are dead. He ate about half bowl of cherries. Learned Richard is on dialysis three times a week. Sent E-mail to Paula re the Anne books. She was in Scotland when I wrote her before. She answered that someone had given Emily a set so I'll give them to Shirley. Talked to Lettie.

BLESSING: Sacrament meeting and SS.

24 JULY 2017, MONDAY

Went out to the ponds for th ac activity; didn't stay very long. Temperature nice. Buffet crowded; line long. I was served at table. After I ate stopped by Wanda's; forgotten it was Virginia's day; harper with her. Went back to the DR and got a plate for Wanda. To Classic Club to hear re Thomas Arne. Skimpy info re him by Jessica's new aide. A "hard" nap afterwards. Feel like a zombie. Call Lettie and Vivian but didn't talk to either.

BLESSING; Virginia helping Wanda.

25 JULY 2017, TUESDAY.

Went to Resident's Meeting and New Resident Social. Walked around building; much cooler today. Talked to Vivian; Gail and her girls were there. Clive hurts. Reading Bess Streeter Aldrich's Miss Bishop; hadn't realized I'd never read it. Called Lettie; don has been in pain. Nurse didn't go yesterday as it was a holiday. Hopefully she can be of help tomorrow. BLESSING; Lettie and Vivian sounding "good".

26 July 2017, WEDNESDAY,

RS: Sr. Mathews a very intensive teacher. Ate with Wanda. Gave Mildred, June, Elaine, Carolyn B and Agnes some cherries. Typed up names and phone numbers to be called on my death. Went to vocal performance of business manager's grandson: loud, foot tapping. Made half tomato sandwich with tomato from Ruth. Talked to Lettie; Don had a temperature: ate. Finished Miss Bishop. Steven called. Invited me to go to the Smith reunion and also asked re lunch tomorrow; understood when I said it is my temple day. BLESSING: Shared some cherries with Elaine.

27 JULY 2017, THURSDAY

Washed a load of whites. To the temple; 13 on the bus. Theresa went with her daughter to the Payson Temple. Nathan Haws called me and said he and ruby would be stopping by in an hour..hat was a little after five. Hurried evening meal; part with Wanda. They came a little after six with Nathan's wife, Chris. She looked like their wedding announcement picture. Quite charming. Stayed a little over an hour. Called Lettie. She was ready for bed. Conner brought me two lovely tomatoes. When I came back from the temple found a gorgeous mango by my door.

BLESSING: Ruby, Nathan and Chris' visit; back to the temple.

28 JULY 2017, FRIDAY

Did two loads of wash: one mostly of blouses, the other mostly of pants. Walked around the building after my afternoon nap. Feel as if I might have a UTI. Auwe. Talked to Lettie; Rachel found Don on the floor shivering sometime during the night. Talked to Betty Johnson. Tried to call Gladys; no answer. Talked to Ruby.

BLESSING: Freshened blouses and pants.

29 JULY 2017, SATURDAY

Wanda and I went to the Smith reunion. Eight of the ten living Theron and Neva Smith's children were there. Pam and Wendell missing. BIG crowd. Little Remi was there; looked like a little angel. Sadie Smith returns home from her mission on August 1st. All of Bryan's family were there. Brienna's little boy is two. Holly, Barbara's daughter, was there looking very pregnant. Kaitlin, her husband and new baby were there. Took the quilt I got at a token auction but she said she has lots of quilts so didn't take it. Wanda and I got home about three; her legs rebelling and I was exhausted. After a nap and finishing reading the August Ensign I made a tomato sandwich out of the slice of bread I had, took some mayo and got another slice of bread in the DR for my tomato sandwich supper. Stuffed. Checked library; gave Mildred the August Ensign. Talked to Lettie and Vivian. Don has a hospital bed. Clive will be having chemo through August.

30 JULY 2017, SUNDAY.

Christina P. taught the SS lesson on the 121, 122 D&C sections . Excellent as always. Don and Delightra were the Sacrament speakers. Geri was up when I knocked on her door after breakfast and played the piano. Ate noon meal with Wanda and had an early nap. Walked around the building. Read for next weeks' SS lesson. Cut the mango Sue gave me. ONO. Will share at evening meal. Made a check for my August contributions. Talked to Ruth (Lettie been in bed all day); Don shivering; Connor gave him a blessing. Shirley, Blair, Barbara and Habeeb want to go see them tomorrow. Ruth suggested afternoon. They are coming to see me at ten.

BLESSING: THE Sabbath Day: sacrament meeting and the SS lesson "enduring well:

31 JULY 2017, MONDAY

Shirley's 59th birthday. She and Blair came over for a couple hours. Had a short visit with Alicia. Hadn't realized the extent of her depression, medication side affects. Declined offer of financing fall semester. Working full time now at Jamestown. Mary Kay Harper called; wanted me to make an appointment with Annie Deaver for Sunday. Pictures on e-mail from the Smith reunion. Totals for Neva and Theron's posterity: 47 grandchildren, 83 great grand children. Shirley and Blair are coming for lunch tomorrow to visit with Wanda. Things worked out well for Virginia to get her lunch today. Talked to Rachel and Lettie. Lettie told me Barbara, Habeeb, and Shirley had been. Rachel said Don will be having a patch put on for pain. Barbara and Habeeb came for a Shirley and Blair came to lunch. SO nice. Showed me pictures of Lettie, Don, Rachel and Ruth. Don was up and Barbara said he talked to them. What a surprise/treat. I know they were pleased to see Barbara especially as they have a very special feeling for her.

BLESSING; Barbara and Habeeb 's visit; Don able to visit with Barbara et al.

1 AUGUST 2017, TUESDAY

Jessica's wedding day. Shirley & Blair came to lunch. Has been good to visit with them. Gave her the three Karon paperbacks. Ordered refill of Timoptic from VRx in SL. A nap. Tamed to Ruth. Don has had a bad day. Lettie was at the Dentist. Lots of tooth problems. Continue reading enjoying A Lantern in Her Hand. Went to see Ahkeela and the Bee. Great story of an eleven year old winning Spelling Bees. Talked to Vivian; Clive feeling a little better. Arden was there.

BLESSING: A clean movie; Clive feeling a little better.

2 AUGUST 2017, WEDNESDAY

RS; excellent "lesson" by Sue on Elder Holland's conference talk. A hand out I'd like to make a copy of and send to the Smith Family. Ate lunch with Wanda and Carla. Conner brought tomatoes; took a plate to share at noon. Brennen S. got his driver's license. Shirley and Blair stopped by on their way to the airport; brought Doug Bank's book and some macadamia nuts. Has been so good to see them. They did a lot in their two weeks. A nap. Will finish A Lantern in her Hand tonight. Talked to Lettie. Was able to thank her for the cherries and candy. She thanked me for the bell. Said Reed had been over today. Went to hear a choral group tonight. Dressed well; excellent pianist.

BLESSING; Lettie sounded good.

3 AUGUST 2017, THURSDAY

There were nine of us who went to the temple. Carolyn Bearson went for the first time that I

remember; beautiful two piece dress. I was/am grateful that I was not sleeping during much if any of the endowment ordinance. Read th RS lesson for next week in Teachings of Gordon B. Hinckley on the Priesthood. New nodule on my oxygen. So soft. Talked to Lettie. Started reading Doug and Sandy Banks I 'll Go Were You Want M to Go Dear Lord.
BLESSING: Lettie sounded upbeat.

4 AUGUST 2017, FRIDAY

Got milk and bread from the DR. as Rachel called to say that Brennen was bringing Lettie over for a visit in her truck. Wasn't sure just what time she would be here so I made a tomato sandwich and got a cup of milk. ONO. She brought four puzzles and took one back with her. Brennen looks good; handsome, sweet young man. We went to Wanda's; wanted Lettie to see Rachel's room. She gave Brennen her extra phone and he connected it; on my desk. Went to the Fishing in the Pond at ten; Hal caught two fish; didn't stay and walked around the building. Sweet E-mail from Barbara re her Utah visit. Continue to read and enjoy Doug Banks's book of their mission to Tonga. Called Lettie, too late I guess as the phone wasn't answering.
BLESSING; LETTIE and BRENNAN's visit.

5 AUGUST 2017, SATURDAY

Cream cheese and bagels for special this morning. Continue reading Doug Bank's book. Geri's daughter, Claudia, came; she wasn't feeling well yesterday. Geri came to evening meal. E-mail from Shirley. Their plane was delayed three hours in Dallas and they got to little Rock at 2:00 am; Pam and Victor met them. After my nap walked around the building; hot. Talked to Lettie; sounded upbeat; they'd had their B12 shots.
BLESSING; E=MAIL form Shirley; Lettie sounding upbeat.

6 AUGUST 2017, SUNDAY

More spontaneous testimonies than usual. Alice W. Only had about twelve minutes for her lesson. She asked me to read the experiences of one of the saints as he and his family left for Nauvoo. Had noon meal with Wanda and Carla. Met Mary Kay, Leland and Wanda at Anne Deaver's. She/Wanda reviewed her relationship to Blackledge Harper. A nap then a walk around the building. Cooler; pleasant walking. Will finish Doug Banks' book tonight. Vivian called. Arden had been with them from Tuesday through Friday and went with them for his chemo treatment. Dr. feels some improvement.
BLESSING; Sabbath meetings/ Vivian's call.

7 AUGUST 2017, MONDAY

Last night Janie Haynie came; gave me a picture of Shirley, Blair and her and a copy of the letter Blair wrote her when her husband, serving in 'Viet. Nam, was killed
Went to walmart; got all nine items on my list plus a bag of cheerics. Shared with Wanda..Went to Classic club : George Gershwin and then had a short walk; part way round the building; Low 80's temperature wise. FHE sponsored by Roxanne Elder. All wore name tags and she asked thirty or so questions we would answer yes or no by raising a square of colored paper she passed out: Served a mission, speak another language, etc. talked to Lettie and Ruth.
BLESSING: Roxanne and all other volunteers who serve in our Branch.

8 AUGUST 2017, TUESDAY

Jessica back and did the Stretch and Balance exercise class. After a long, too long, nap; walked around building. E-mail from Bryan inviting family to hear Sadie speak at their ward on Sunday the 13th with an open house afterward. Wrote Barbara; she answered. Commented on her relationship with Becky. Missed an E-mail yesterday from Steven to come to lunch today. They will come a week from today. Learned Susan Coraran died. Went to Jessica and Mike's reception. Her girls were there; didn't see her son. His daughter was there; all girls dressed in white. Cake and fruited water. He looked older than I anticipated, tall, very erect. She looked nice in her white wedding dress. Carla was there with Norm had on a skirt. Lettie's phone wasn't answering. BLESSING: E-mail from Barbara; appreciation of her relationship with Becky.

9 AUGUST 2017, WEDNESDAY

RS. Went to Payson to Peteetneet, Academy Museum. Lots of stuff; reached the saturation point but was glad I went. Was an elementary school. Carla is going to the temple tomorrow. Has her clothes. Christina got them? Via Norm? Not sure. The paper this morning reported the excommunication of Elder James J. Hamula, a member of the Quorum of the Seventy. Hasn't happened for thirty years. Article stated that "the action was not because of disillusionment or apostasy on " his part. Talked to Lettie; RS Presidency had been to see her. I'm weary; missed my nap.

BLESSING: Relief Society lesson.

10 AUGUST 2017, THURSDAY

Eighteen went to the temple. We were a little late getting started. Didn't get back until 4:45 pm. Tracy helped Carla during the session; she stood in the Prayer Circle with Norm. Have a load of "coloreds" to do in the morning. Shocked when I was getting clean sheets for a bed change this morning: hadn't washed my white fitted sheet. AUWE. When I commented at evening meal to Carla re the temple she said she didn't go. Prodded but still no memory. Later she told Fern she remembered going in and out of the temple but nothing else. Boggles my mind. Geri is wearing a neck brace. Went to manicure today; Jessica filed my nails; look good. One of the few times I didn't have at least one that I had ripped off. Didn't go to the Piano Performance. Grateful to have gone to the temple but I'm weary. Will call Lettie in a few minutes.

BLESSING: Temple session.

11 AUGUST 2017, FRIDAY

Did a load of "coloreds", mostly towels. Went with/on a bus to the Open House of the newly enlarged MTC. Bus was full. A strenuous trip. Drove to parking lot behind the BYU stadium where we were security checked and took another bus to the MTC. Walked and walked. Many beautiful pictures on the walls. Then back on the bus provided by the MTC back to unload and reload on Jamestown's bus. I was exhausted. Rested and got two pieces of bread and a cup of milk and made a tomato sandwich from Conner's tomato. Rec'd the third of my PM meds from VRx pharmacy. Co-pays have gone up with this new Pharmacy. Steven called; they will be giving some books to Jamestown.. Two books left in the library. Gift? I assume as they haven't been catalogued. Talked to Lettie and Rachel. Don hallucinating, blood pressure low.

BLESSING: Balanced checkbook.

12 AUGUST 2017, SATURDAY

Did a load of whites: drawer full of clean garments. I like the feeling. Took the rest of Conner's tomato for lunch; divided between four. Ono. A nap. A walk around the building. Why am I so tired? Catalogued two books left in library: First Women re the presidents of US presidents and The Forgotten Founding Father re Noah Webster. I'd like to read both. Went to the choral presentation of about 33 young people in tribute to Hal Halverson. Loud, enthusiastic group. Talked to Lettie. Talked to Gladys and Betty J. Gladys still a little "down".

BLESSING: Visit with Gladys and Betty.

13 AUGUST 2017, SUNDAY

Speaker for the day came to the US when he was fifty; Delightra taught the SS lesson on baptism for the dead; final stress re effect of young people doing many of the baptisms. Ate noon meal with Wanda and Carla; corn on the cob, ono. Thanks to help from Diane B. and Peter K. I voted but AUWE have lost my mailing envelope; I have voted in vain. Another uncatalogued book in library.. Short nap and I re-read Sarah, tall and plain. Re-enjoyed it all over again. Sent the Church News to Lettie and the sparkling white grape juice, a card and a little cupcake and a candle to Brennen for his birthday tomorrow by Alicia. Complimented Alicia on handling her job; she said her experience "with grandma and grandpa" have helped. Talked to Vivian. In answer to how things were there, she said, "Awful" and told me. They went to church but in the middle of Sacrament meeting Clive got sick at his stomach and she had to take him home. Has trouble eating/drinking; painful has "thrush" in his mouth. Talked to Lettie. Reported on Vivian and Clive.

Copy (2) of Mozilla Firefox.Ink

BLESSING: Sunday with its accompanying meetings.

14 AUGUST 2017 MONDAY

Brennan's birthday (20?). Nice long E-mail from Shirley O. Catalogued three books. New tape from front desk. Problem with spacing on my journal. Got bag of books from Steven. Made, then canceled lunch with Steven and Maria Tuesday. Started reading a Reader's Digest version of Irving Stone's The President's Lady. Cooler today; walk around building after exercise. Went to 31 ways to Be happy. Put my tokens in three 29 per little plastic bags. Talked to Rachel; Lettie already in bed. Rachel going to Idaho for an overnight trip to get a load of corn.

BLESSING: Enjoying reading .

15 AUGUST 2017, TUESDAY

Finished reading The President's Lady; sad. Went to the discussion on Hawaiian Culture. Ten points. After a short nap went to the Food Forum. Conner brought five tomatoes; sliced one for noon meal. Took orange sticks for evening meal. Only four of us there. Went down to see the movie Pollyanna but when it looked like it was cartoon I came back to my room. Will call Lettie shortly and call it a day.

BLESSING: Conner's generosity with his tomato crop.

16 AUGUST 2017, WEDNESDAY

RS. Ate noon meal with Wanda. She had bleeding yesterday; nurse was called and was able

16 AUGUST 2017, WEDNESDAY cont.

to stance the flow. Scarey. Hair cut today; Norma always forgets to check her wall calendar consequently she has someone in my place. Never mind she does cut mine for which I'm grateful; felt particularly shaggy this time around. Went on the bus trip to see Roots of Knowledge at UVU's library. Stunning. Colored glass art depicting the "roots" of knowledge passed down from the discovery of the wheel. Took 12 years to complete. Went to hear the Scot Harp program; unfortunately I couldn't hear her and she talked more than she played. I must need new rechargeable hearing aids. Talked briefly to Lettie. Rachel goes to Idaho tomorrow. BLESSING: Davy to Wanda's aid.

17 AUGUST 2017, THURSDAY

To the temple. Went sound asleep once for a few minutes, auwe. Eleven of us. Wanda took her evening meal to her room; exhausted from her massage. I'm having hearing aid problems. The "spare" batteries don't seem to work; will call Costco tomorrow. Talked to Vivian; Rachel had been there and is bringing tomatoes and cucumbers back to Utah. Clive will be having another chemo treatment tomorrow. She has his medications pretty well established. Alice taking them for the treatment tomorrow. Called Lettie several times, phone busy or noone available. BLESSING; Rachel's report of Vivian and Clive. Vivian said she looked good

18 AUGUST 2017, FRIDAY.

Wore my muumuu today. Washed both sheets, towels and two bouses. Luau for noon meal. Went to the Hawaiian dance program. Mostly Tahitian. Rachel called and I met her returning from Idaho; she had a load of corn; a big bag of cucumbers I was to have first dubs on. Declined; did take four ears of corn for Wanda. Typed up the books maria sent; couple I want to read. Called Costco re my hearing aid batteries; she has them on a hand; nice surprise. Alicia is taking me tomorrow to get them. Went to the Audiology and had them check my wax; she said it was time to have wax removed; deeper than she had tools for. Missed Conner; Alicia said he marched for his graduation from the Y so he could be with Megan who graduated despite the fact she hasn't done her student teaching. BLESSING: Alicia willing to take me for my hearing aid batteries.

19 AUGUST 2017, SATURDAY

Alicia took me to Costco where I got new recharging hearing aid batteries. Also bought some cookies and B12 tablets; was pleased that I could buy her something. We visited June pack this afternoon after she had been to Bingo. I had a little nap. We had a new resident, Barbara Loutensock eat noon meal with us. Typed up the books Steven brought. Read one last night. Who Needs a Bratty Brother? Has Matt's name in it. Ten of them. I'm going to ask Wilma if Barbara might like the two sets of Anne books for her library. To Stake Conference; Elder Curtis of the Seventy was the presiding authority. Hastening the work of the Lord, appreciation for the Savior's atonement. BLESSING; Conference meeting.

20 AUGUST 2017, SUNDAY

Conference. Wanda was able to enjoy her picnic; still stomach problems. Didn't feel up to conference. Took her scrambled eggs for noon meal. Theresa and I visited Carolyn and Mildred.

20 AUGUST 2017, SUNDAY cont.

to complete our visiting teaching. Leroy, Carolyn's husband, gave us a Hawaiian host macadamia nut chocolate. They had their glasses to watch the eclipse tomorrow. Talked to Lettie their home teachers had come. "Don had been in bed all day. Finished scanning the Reader's Digest of the biography of Theodore Roosevelt. Realize I am very dumb regarding that part of US history. Called Gladys this afternoon. Voice mail.

BLESSING: conference; enthusiasm of president Jackson, and the Curtises.

21 AUGUST 2017, MONDAY

President Monson's 90th birthday. Went to classic club: Igor Stravinsky, two were ballets. Afterwards Mildred and I catalogued the books Steven and Maria gave the library. Watched the eclipse on TV: KSL in Rexburg. Fascinating. PBS more in details. Usurping the political news. Rachel called that Becky, the home nurse is ordering a pain pump and if Don lasts longer will only dress his foot once a week, too painful. She said she and Ruth would arrange if I wanted to visit. Thoughtful of her. FHE. Young harpist who has played at evening meal for us off and on the past few years. Tried calling Lettie; phone not answering. Called Gladys. Not sounding as depressed as the last time I talked to her.

BLESSING: Rachel's thoughtfulness in calling re Don.

22 AUGUST 2017, TUESDAY

To my appointment with Dr. Parsons: a field test, drops and eye check plus glaucoma drops and test. Back to Jamestown about 11:20. Short nap after noon meal and went with Conner to see Don. Rachel called earlier that he was on a pain pump and morphine. Death quite immanent. Conner said Ruth and Brennen were taking it hard. Stayed from three until about 4:30. Don was cognizant of anyone. Diane, former neighbor and daughter came, Ron, their Bishop. Lettie looks frail. Went to the Choir concert: 20 songs which included two solos by Eric E. and Jessica. Geri was the most animated and fun to watch sing of the 13. Called Lettie; no change with Don; Reed was there.

BLESSING: Being able to go spend time with Willmores.

23 AUGUST 2017, WEDNESDAY

RS; Tracy taught the lesson: Pres. Uchdorff's conference talk. Wanda didn't go. Don's funeral will be Monday, the 28th at eleven; viewing at ten. Don't think either Alicia or Conner came to work today or at least I didn't see them. Ruth in bed, mourning. Vivian called. They saw the eclipse; had glasses. Arden, Rhonda and son Collin and girl friend stopped by en route to ?? Idaho where her sister/brother-in law lived and had a 100% view of the eclipse. Clive had to be hydrated before his chemo on Friday. Is having a "bye" this Friday. Talked to Karna today.

BLESSING; Vivian called.

24 AUGUST 2017, THURSDAY

E-mails from Barbara, Shirley, Paula re Don's death. Barbara's second sent pictures taken when she and Shirley and Able visited Lettie and Don. Priceless. Ron, Regan and Conner will be speaking at Don's funeral. Talked to Lettie; read her Barbara, Paula and Shirley's E-mails. She and Don have been married 62 years. Ruth called; sounded good. Said seeing Don suffer the past two weeks made his death acceptable/bearable. Went for a tour of the Provo Rec Center: impress-

24 AUGUST 2017, THURSDAY cont.,

I've. Temple trip canceled for lack of volunteers.

BLESSING: Don's death seemingly accepted by Alicia, Ruth, Rachel, Conner. Talked to Lettie.

25 AUGUST 2017, FRIDAY

Alicia greeted me as I went to breakfast to let me know Lettie fell last night; 16 stitches in her head and a broken arm. Ambulance took her to the hospital but she didn't have to stay. I did a load of whites. Problem drying. Went to Lettie's with Alicia to see Lettie. Home nurse was there. The same one Don had before he was on hospice; Ruth likes her. Brennen brought me home. After exercise checked voice mail; call from Vivian. When I called her back learned Ryle was in the psychiatric ward in Twin Falls. After watching the evening news I called Vivian. Hadn't heard anything from the hospital re Ryle. I am weary. Can hardly wait to go to bed.

BLESSING: Thanks to Alicia was able to visit Lettie.

26 AUGUST 2017, SATURDAY

Lettie's 85th birthday. Alicia told me while I was at breakfast that Lettie had fallen again. Lump on head, jarred broken arm and injured an ankle. Talked to Vivian. Ryle had called his Elder's Quorum president; Clive feeling awful. They feel as helpless re Ryle as I do re Lettie. Talked to Rachel; all siblings there; Lettie went out for a brief hello. They have a wheelchair for her. Gave her a bath, washed her hair. Talked to Gladys. Theresa brought me a peach. Gave Agnes birthday cards for resident's birthdays.

BLESSING; Caring friends; Rachel and Ruth caring for Lettie.

27 AUGUST 2017, SUNDAY

Sacrament meeting lasted until 12:05. Carolyn and Don Engstrom were to give the lesson but had only about 8 minutes. Wanda took her walker/oxygen to church. Ate noon meal with her and Carla; a nap; walked around the first floor and outside from the ponds to the front door. Lettie took her bandage off last night. The home nurse was called and was coming to replace it. Didn't remember taking it off. Barbara nee Smith called. Took some of the cantaloupe Wanda brought me to evening meal. E-mail from Pam and Steven.

BLESSING: Ruth and Rachel standing by.

28 AUGUST 2017, MONDAY

Went to the podiatrist right after breakfast; was the third "patient". Wanda and I went to Lettie's ward for the viewing; Don looked good; little startled by the casket. Ruth brought Lettie in a wheelchair about 10:30. I thought she looked much better than I expected. Stayed for the funeral. Great picture of Don on the front of the program. Conner did well; Regan gave his life story. Arden, Pope, Ruby, Haws and daughters, Irene and Liz came, David Smith, Wilma and Keith, Becky and Danny, Karna Hirschmann, All three of Rachel's children, Des Sugrue (slept in Brennen's bed last night) bed last night. Clare, Reed's exwife was there and later stayed with Lettie while we went to the cemetery and had lunch. Luncheon lovely. Diane, their long time neighbor, made the rolls, big selection of small pieces of desert. Tables in white cloths and colorful pansies on the table; about half of the tables full. David took me to the cemetery and brought me home. The military service at the cemetery impressive; gave flag to Rachel; she wept. I was/am exhausted. Addressed programs to Pam, Shirley and Barbara. Will send one to Vivian.

29 AUGUST 2017, TUESDAY

Attended about fifteen minutes of the Residents Meeting. Appreciate new roster. Problems finding building for my appointment; long walk. I appreciate Gina. Deep digging to get wax removed. Made an appointment for another in Feb. The NP suggested trying six months intervals. Skipped going to Eye ExCel to get my new prescription for my bifocals. Short nap and went to New Resident social. Talked to Richard and Clarenell Harper. Richard was diagnosed with kidney failure in January; on dialysis three times a week. Charnel went to the funeral; he wanted to but was in the hospital. Gladys called; reviewed the funeral. Said Betty still having trouble with her back. Talked to Mary Kay Harper. Talked to Betty J. re her back; has had real problems. Susan had stayed with her over night; had been to the Dr. Has to adjust to not lifting gallon jugs, stretching,. Talked to Vivian at some length re the funeral, Ryle. Talked to Ruth. She's sending tomatoes.

BLESSING; Good friends, Vivian.

30 AUGUST 2017, WEDNESDAY

Ruth called; Lettie will be having surgery on her arm Friday. Talked to Ron; frustrated re Lettie not waiting for help when she gets up. Talked to karna; invited me to ride up to Idaho in October when she visits her mother. Daunting. After RS, ate with Wanda and had a good nap. RS and priesthood meeting together. A man who works with filming, wigs, etc. showed shots of sets in Goshen that the church has used for New Testament and now Book of Mormon films. Very interesting.

BLESSING: Lettie's children concern /care of/for her.

31 AUGUST 2017, THURSDAY

Treyve took me to ExCelEye Center and I paid for the new prescription for my bifocals. Surprised at how much they cost even though they will use my current frame. This is Trevye last day here at Jamestown. Worked here four years; I will miss him. Went to the temple; with Branch volunteers thirty patrons. Takes a long time to load the bus with wheelchairs and walkers. Conner brought the tomatoes from Ruth; beautiful ones. Sliced two to take to evening meal. Took tomatoes to Wanda; she is going to Insta Care in the morning re a possible UTI. Talked to Rachel and Lettie; she's to be at the hospital at 7:15 in the morning. Sounded good.

BLESSING: Lettie expressed confidence in the orthopedic surgeon.

1 SEPTEMBER 2017, FRIDAY

Wanda didn't go to InstaCare. Ron called about 4:30 PM; surgery went well; she will be in the hospital overnight. Went to a couple of activities; the last making parachutes for Hal's candy drop next week. I had a lengthy talk with Vivian. Even heard Clive's voice. Update on ryle; Clark and wife Debbie are helping with him. She took him to the Dr. (Who both she and Clark know) and Ryle let her go in with him. Talked briefly to Rachel.

BLESSING; Lettie's surgery went well.

2 SEPTEMBER 2017, SATURDAY

David Smith is 56 today. Iona still upset re our definite table assignments. Teresa's family left this morning. Stopped to see Wanda after my nap; door locked. Called Willmores; brennen answered; executing Lettie back in the next hour or so. I was surprised she wasn't back. Paula

2 SEPTEMBER 2017, SATURDAY, cont.

called. Questions re Lettie, the funeral, the Popes. Same cheerful Paula. Wanda made copies of the pictures that Barbara sent; also pictures of Ruth and Rachel and part of the Willmores "boys". David is 61 56 today; Bryan 54 tomorrow. Lettie didn't come home today from her surgery; miscommunication at the hospital. When Ruth went to see found she hadn't had medication; got up by herself. She was frustrated. Rachel has set up the hospital bed in the master bedroom with hers for her homecoming tomorrow. Finished the September emsign today. BLESSING; Lettie's surgery went well.

3 SEPTEMBER 2017, SUNDAY

Nice Fast and Testimony meeting. Christine P. Gave lesson on the prophet's martyrdom. Lettie got home.

BLESSING; LETTIE HOME.

4 SEPTEMBER 2017, MONDAY

Beth R.'s birthday. Nice Labor Day buffet. Went to Classic club; Nadia Boulanger, French; lived until 92.. Couldn't send my letter to Pam, Barbara, Paula and Shirley. Wanda checked it; sent it? I'm back at my "old" table; can't believe grown women can have so much hoop, de do re sitting. Gave Theresa the blouse Judy gave/got for me. Called Willmores; Ruth answered; she and Lettie had been out and about. Lettie sounded strong. She and Rachel are coming for lunch tomorrow. Will call Vivian. Tried and tried to order levothyroxin. Put on hold for twenty minutes or more. BLESSING; Lettie sound strong.

5 SEPTEMBER 2017, TUESDAY

Wanda sent my E-mail to Paula, Pam, Shirley and Barbara. A sister missionary and her husband from Washington was here for evening meal with Wanda. They've bonded by their media but this was the first time in person. Both excited. Rachel called and canceled noon meal; Lettie not feeling well. Christina Parkinson stopped for a visit. I feel a special kinship with her. Attended the history class by resident George Abby; unfortunately couldn't hear him very well; also attended the Activities forum and the BYU nutrition student who discussed stress and nutrition. Finally got my Levothyroxin prescription ordered.

BLESSING: Wanda rescuing my E-mail.

6 SEPTEMBER 2017, WEDNESDAY

RS; Sue was there using oxygen; looking a bit worn. Janet Rees taught one of Elder Eyring's conference talk re gathering. Wanda's missionary friend and husband were here for breakfast and again for evening meal. They all three had lunch with their mission president in SI. Message re levothyroxin med being sent. Skipped this morning as I only have one left; hopefully will be here by Friday or even tomorrow. Two hour nap, walked around building. Called Lettie about 7:15; not accepting calls. I'm ready to go to bed and it's only eight. Addressed a birthday to Wendell Smith; his birthday on the 11th.

BLESSING; garden ripened tomatoes.

7 SEPTEMBER 2017, THURSDAY

Went to manicure; Jessica filed my nails. To the temple. Wanda's friends came for breakfast; I'd

7 SEPTEMBER 2017, THURSDAY cont.

just gone to exercise class. Disappointed my room wasn't cleaned when I got back from manicure. Still not cleaned when I left for the temple. New cleaner. Spoiled with the other one. She left my blinds up; called for a to help get PC to get them down; Alicia and a new PCA came. Stopped by Wanda's after evening meal; door locked so expect she was asleep. Had been going full speed the last few days. Called Lillian Heil; tentative lunch on the 15th. Talked to Lettie and Rachel. She now has a physical therapist. Just finished Ch. On of Jesus, the Christ.
BLESSING: Didn't fall asleep during the temple session.

8 SEPTEMBER 2017, FRIDAY

Went to the sign language activity; enjoyed it. Went on the bus trip to thanksgiving Point; little disappointing. Tired; missed my nap. Talked to Rachel; Lettie was with her therapist. Afterwards I talked to Vivian. She took Clive of the hospital Tuesday, came home yesterday; was hallucinating. Decided not to have anymore chemo. Cancer not subsiding. He is now on hospice. Last three nights hadn't rested well but when I talked to her he was in bed... She read from hospice instructions: no driving, not to be left alone while he is hallucinating. Hasn't had pain medication for a couple of days. It's thought that the pain meds have caused the hallucinating. (?). Clive has been asking Vivian what she will do? Makes me teary eyed. Lettie said Liz nee haws had brought a copy of the funeral.
BLESSING: Vivian's strength at this time.

9 SEPTEMBER 2017, SATURDAY.

Conner brought me a copy of the Don's funeral service; beautifully done. Liz nee Haws does them. Wanda said she would/will take me to Goading when don dies. Talked to Gladys; just got new hearing aids. Evidently well over \$3or 4,000 , no batteries. Besides her eye and ear problems has back problems. Went to the Carnival; well attended; walked around; seemed to be more booths than last year. Climbing wall and petting zoo big hits. Marianne, Jessica, Kellie, Davy, and Mitchell guarded the parachutes until they were all dropped. A good view. Bought \$10 worth of raffle tickets; wanted to make a contribution. While at evening meal Gail nee Pope came with a big basket I had won!!! Just gave it to her; not sure just what was inside. Looked like a bag of popcorn, stuff. Should have kept it and checked out the contents. Balanced check book. Talked to Gladys B., Betty J. And Ruby Haws. Talked to Ruth; Lettie in bed most of the day. Read the funeral service. Conner did a great job. I hadn't realized how much of his talk I missed. Read the footnotes to the first chapter of Jesus the Christ. Print small in the book but footnotes even smaller. Balanced check book. Talked to Arden re the end of Wilma's legacy (November) and talked to him about Clive..
BLESSING; Transcript of Don's funeral services.

10 SEPTEMBER 2017, SUNDAY

A great Regional conference. Elder Gary Stephenson presiding; Elder Xenea (?) conducted. Southeast Region; covers 286 stakes. Talked to Clive and Vivian at some length. Regan and Trish are selling their house and going on a service mission. They have an offer from Chuck T. to buy their house, land. I resisted the urge to suggest Vivian come live at Jamestown; but called back and suggested it; she doesn't want to live with any of her children. Clive told me that Clark and Debbie have said they will look after Ryle. What a blessing. Talked to Lettie. At first Ruth said

10 SEPTEMBER 2017. Sunday, cont.

she had her head buried under her pillow. But when Ruth told her I had a long visit with Vivian she talked; a little fuzzy at first but then a good conversation. Called Mary Miles. Took one of the peaches to evening meal. Shared with Theresa and put the other on my cherrios. Meant to say Elder Stephenson's challenge was HVO; Humility, Obedience and Virtue.

BLESSING: Visit with Clive, Vivian, Lettie; Regional Conference.

11 SEPTEMBER 2017, MONDAY

Jamestown feted the local firemen with a omelet buffet breakfast. Went to walmart; bought a number of things: especially needed tissues and I particularly like Puffs. Wanda went to her eye appointment; will have cataract surgery on her right eye next Monday. Typed up four books found on the cart in the library. E-mail from Paula; plans to come out to Idaho and Utah the 21st; will go to Idaho to visit Vivian and Clive, then to Utah to visit . Went to an activity where the directors were to identify a number of residents as Marianne read re them. They didn't do too well. Talked to Gladys, Betty (just started therapy), and Bev Stephan re gay Mitchell. Left a message for Liz S. Re the transcript of Don's funeral. Talked to Lettie. Wanda went to her othamalogist: has cataract surgery scheduled for next Monday.

BLESSING: Good people such as Bev Stephan.

12 SEPTEMBER 2017, TUESDAY

went to fifteen minutes of exercise before went to pick up my new bifocals. Didn't take as long as expected. From there to Costco where I got new tips to my hearing aids and a box of cookies. Gave the ones I got from Walmart on Monday to the hospitality area. Went to the Spanish class; quite fun. As I came back from the staff talent show I noticed there were two left. The funeral program for Don I sent to Barbara was returned today: Auwe. Went to the Tone Choir concert; started at 6:45 rather than 6:30; Lettie's phone wasn't answering when I got back; did talk to Vivian. Clive reading a Louie L'Amour book; had been to see his tax man today. Drove. They wonder how Cole will handle Clive's situation. He got quite emotional they said at their family reunion. Conner did a Rubi cube manipulation at the Staff talent show. Geri was very scornful of the Staff Talent show. Nice long E-mail from Shirley O. Scot is engaged.

BLESSING: Vivian and Clive's handling their situation.

13 SEPTEMBER 2017, WEDNESDAY

Hair cut. To R,S. Lesson from president Hinckley's manual on Always Learning. Teacher from the Edgemont ward; lovely flute solo; teacher gave an interesting lesson, handouts but not too much from the lesson in the manual. Steven and Maria came for lunch; Maria's hearing as bad as mine. Steven brought chocolates. Wanda didn't go to RS; baby sitting Sadie. A nap and to the chili tasting: 8 pots of chili. Impossible to judge. Cooler today and temps continue to dip according to the forecast. Hutia gave me a ziplock bag of cherry tomatoes. Ono. Tried calling Lettie; she called me!!! I'm going over to see her tomorrow; Wanda will drop me off on her way to her massage.

BLESSING: Lettie called me.

14 SEPTEMBER 2017, THURSDAY

Resident art show ; many lovely/impressive pictures and other artwork. Ate early and Wanda dropped me off at Lettie's on her way to her massage. Came back with tomatoes, bread, Famos Amos cookies, peaches, apples and cucumbers. Lettie's memory is practically nil. She is back in her bedroom with bed shifted to other side. Her arm has a plate in it; can use her hand quite well. Ron has offered Ruth Don and Lettie's car and Brennen will buy Ruth's and whatever he pay's Ruth for her car will go to Lettie's account. I am exhausted. Went to the Musical performance. All sounded alike tome. Thought it would never end.

BLESSING: Visited with Lettie.

15 SEPTEMBER 2017, FRIDAY

I went to the Oil painting class; painted a banana!! Had my walker checked over by a man who was doing walkers and wheelchairs. He tightened my right "brake" and though hard to open really holds my walker steady when I ark. Lillian Heil picked me up at one and we went to the Chinese buffet which we've been to before. Price is right and we enjoy the food. I ate too much. Tried calling Lettie a couple of times; No answer. Called Vivian; Clive answered. He is sleeping a little better. They went for a ride; enjoyed seeing the corn harvested for silage. Told me re Arden and Rhonda's son Bryson's wife. They live in CA. Have a cute 2 year old girl; seven months pregnant. Wasn't feeling well when they visited Arden and Rhonda. Back to Ca. To the Dr.; found her whole body full of cancer. Trying to keep her alive long enough to have the baby mature enough to take before her imminent death. So sad. She was excited about Paula going. Startled re Paula staying in a motel in Jerome. I'll write to Paula or call her.

BLESSING: Clive doing a little better.

16 SEPTEMBER 2017, SATURDAY.

Mildred and I catalogued the four books given to the library. Ate noon meal with Wanda. She has her insulin pump in. Napped and watched a bit of the BYU football game. Wisconsin trounced them. Walked from the front of the building to the ponds; someone been feeding ducks "no-no" food; sidewalks precarious.. Today's Roger Smith's birthday; he would have been 72. Talked to Betty J., Doris Werner. Tried calling Gladys. Talked to Rachel and she connected me with Lettie. Becky and Danny start their first class Thursday; 30 enrolled. Said Paul and Desiree weren't effected but very little by hurricane Irma; power outage but no flooding.

BLESSING: visited with Doris w.

17 SEPTEMBER 2017, SUNDAY

Sacramento meeting where a male quartet sang; (Peter K. and his son, Lanny W. and ??) I Need Thee Every Hour. Nice. SS lesson taught by Pat Robinson. Had noon meal with Wanda and Theresa. Tracy was giving out cups of lovely cherry tomatoes. Slept three hours: Groggy. Not hungry for evening meal. Brought my milk home and made half of a tomato sandwich. Tried calling Lettie; no answer. Talked to Gladys; she is aiming for an end of the year move to a Carc center. They celebrated Leanne's 55th birthday.

BLESSING: Sundays.

18 SEPTEMBER 2017, MONDAY

Wanda had her cateract surgery; left at 7:30 AM and was back by nine. Removed the eye patch at

18 SEPTEMBER 2017, MONDAY, cont.

4:00 PM. Went to Anne Snow's review of her book on Mary Lincoln. Also to the Classic Club on V Vivaldi and to the Family Home Evening. Brent McQuarrie talked about his mission in Guatemala and some projects he has been involved with since. Talked to Ruth and Lettie. Lettie had two teeth pulled today and her flu shot. Rachel is going to Gooding tomorrow. Wanted Lettie to go with her. Not going, of course. Ruth asked me if I'd like to go. I wish I was up to it. BLESSING: Wanda's surgery pau.

19 SEPTEMBER 2017, TUESDAY

Wanda's birthday; She went to noon meal and had the birthday song sung; three balloons. Appointment with her Dr. who said all went well. No screening for possible new glasses for three weeks. I went to the class by a Biologist prof from BYU. Excellent discussion of corn. Also went to Chester's food forum. Talked to Lettie; sounded good; likes Dr. Flic who extracted her teeth. The girls got her a cell phone; she gave me the number. Talked at length to Vivian. Clive is sleeping better.

BLESSING: Dr. Said Wanda's surgery went well. Clive is sleeping better.

20 SEPTEMBER 2017, WEDNESDAY

RS. Judy B. Had a former couple who served at Jamestown as missionaries and historian and supervisor of the Provo City Temple taught Pres. Hinckley's lesson on The Cornerstone/s. she quoted verbatim from his words and he showed some pictures of the foundation of the temple. Impressive piling, etc. Mary Miles came. Nice visit; she took most of the vases I've accrued. Loaned me a book a relative of hers wrote. Rachel brought cucumbers and tomatoes from Vivian; tomatoes super ripe. Made an open faced tomato sandwich. Ono. Lynda Davidson's night; she is a jukebox full of songs. Talked to Lettie on her cell phone. Sounded good; resolved to walk tomorrow outside.

BLESSING; MARY Miles' visit; RS.

21 SEPTEMBER 2017, THURSDAY

To the temple. Fifteen of us. Alan wrote that Jason Smith had a stroke. Bryan wrote in some detail re his observation of North Korea. Had a voice mail from Rachel, sent yesterday; called to apologize. She was suggesting that she and Lettie wanted to bring tomatoes and cucumbers from Vivian. Since she brought them later that afternoon, this message was past history. The kitchen personnel were starting to set up for the Hal Halverson dinner tomorrow night. I'm tired. Talked to Vivian; Paula there; was going to do her mirrors. Called Lettie re women's Conference Saturday. Asked when Paula is coming.

BLESSING; Generally amazingly alert during the temple session.

22 SEPTEMBER 2017, FRIDAY

Was disappointed that the BYU professor did not "show" and though Jessica had gathered a number of videos re World Religions I wasn't too impressed. Talked to Steven re Jason. He said Maria took it very hard. He is her son. I had forgotten Jason had seizures problems some time ago. Checked out preparations for the Gail Halverson Aviation Education Center Fundraiser progress from the library overlook. Box lunches quite nice; just not hungry; took most to Wanda. She had a guest (long time friend)/ didn't quite catch the relationship. She has her new insulin

22 SEPTEMBER 2017, FRIDAY cont.

pump material; is pleased. Struggling with seeing. Betty j. called last night; still struggling with her back. Nice long E-mail from Barbara. New church calling with RS to help with compassionate service. Did my white load of wash this morning; always good to have a drawer full of clean garments.

BLESSING: Barbara's nice long E-mail

23 SEPTEMBER 2017, SATURDAY

Did a load of "darks". Paula came, visited and then visited Wanda. She brought tomatoes, plums and cucumbers from Vivian. Showed her The Hall of Honor; she recognized Rosalie King's picture; also Max, her friend. Lunch with Wanda and I went with her to see Lettie. She thought Lettie looked better than she expected. Gave her several books and two pens and note pads for the children. She showed me on her "note pad" a tour of their house. Beautiful, Went to the ER for women's conference. An hour and a half. Pres. Uchtdorf spoke after Pres. Of the RS, Sisters Eubanks and Sr. Jones. I'm tired.

BLESSING; Paula's visit and Vivian's generosity.

24 SEPTEMBER 2017, SUNDAY

Sacrament meeting with the high Councilman and a returned missionary from Wisconsin Mission. Delightra Cutler taught the SS lesson on Brigham young sending help to the last two handcart companies. We completed our VT. Gave Mildred two tomatoes. Made a sandwich for evening meal. Had a visit with Alicia. My heart aches. Turned on some heat. The Boshards came to visit. I thought they'd visited this month; guess they hadn't. Sent the \$10 I owed to Ruth via Alicia for bread, cookies, fruit. Not sure it is enough. Talked to Lettie; Barbara nee Smith had called her. She wanted to know where Barbara lives. Called Vivian. They had been to church. Clive is reading a book and they had dinner with his sister Alice. Bryson Pope's wife had her baby Almost five pounds. I've almost finished reading Why I Believe. In putting away a book found four on the shelf not catalogued.

BLESSING; Lettie and Vivian both sounded good.

25 SEPTEMBER 2017, MONDAY

Went to the hand message session; pleasant but nothing I will be doing again. The one who did mine said they would be coming once a month. Took two tomatoes to noon meal. Teresa brought me a plum, avocado and a bag of pieces of chocolate cake. Almost threw the cake away. Sweet of her. Finally wrote an E-mail to Shirley with copies to Pam and Barbara. A nap; groggy. Found the Atlases Ann Snow gave the library on the shelves. Thanks to Jessica, Eric and the new assistant reshelved them in alphabetical order. Typed up the four books I found on the shelf not catalogued. Went to the Family History class; my computer not working. The bud I got on Saturday at Lettie's has opened beautifully; took it to evening meal. Went to a fireside put on by one of the BYU wards. Sang two songs and spent the rest of the time visiting residents. Lettie didn't answer her phone when I got back. Before evening meal Ruhy H. Called to tell me Helen Aycock died.

BLESSING; WORLD Books given to library on shelf.

26 SEPTEMBER 2017, TUESDAY

Went to Residents' meeting. Sue Tolley died. The \$50,000 goal for Hal's education center was raised. Two empty apartments. Called Rachel at 11:30; she said Lettie was to have called to cancel. Ate lunch with Wanda anyway. Two hour nap and to the New Resident Social. Janet Calder, Lois ?, and Shirley C. introduced themselves. Mildred and I catalogued the four books and I put them on the cart. After evening meal took up a couple of catalogues and noticed the Billy Graham book was gone. Tried calling Lettie a couple of times and then called Rachel. She said she had put her phone in the living room so she wouldn't have to answer it; had been in bed for three days. Worry, worry. Talked to Vivian. She had gone to the Dr. Re her arthritis. BLESSING; Clive answered the phone when I called.

27 SEPTEMBER 2017 WEDNESDAY

RS. Sr. Mathews taught the lesson on Charity. Gave us an apple. Lunch with Wanda. Napped and went on the 3:15 ride to Squaw peak; leaves turning; reds dull red, not many bright. Still pretty. I know where the peak is as I look to the east and remember the view from Neva and Theron's house balcony in Orem. A nice drive. Glad I went. Got my October Ensign today. A flap on the front re different materials to be used in RS and Priesthood meetings. Talked to Lettie; said she was trying to learn how to use her phone; sounded good. Went to hear a vocal/pianist; high voice; long hour.

BLESSING: LETTIE ANSWERED PHONE; SOUNDED QUITE GOOD.

28 SEPTEMBER 2017, THURSDAY

Nails filed; not as short as usual. Conner checking for flu shots. I'm quite sure I had mine. Said they are postponing another year; just don't have the money and want to start a family. Told me about Ruth; Worse than I thought. I will call Ron. Wanda is baby sitting Sadie. Appointment with eye doctor today. Went to the temple. Talked to Lettie; home nurse had been there. She sounded quite good. To the BYU pianists; three young men. Excellent. I am tired. Wanda will be having cataract surgery in her other eye next week (?). Called Wilma re knee highs. She has names I/we can do in the temple.

BLESSING: Willmores family rallying around Ruth.

29 SEPTEMBER 2017, FRIDAY

Went to Jamestown University; I rec'd a Bachelor degree; Ruth, Martha and Lorraine rec'd the doctorate. The latter attended almost all the classes held during the month. Jessica went all out: made caps, diplomas. Went to the Orem Senior Citizen Center for the their Health Fair: 26 booths; literature, pens, candy. We each got a bagful. Jamestown had a booth. Had planned to see the movie tonight; usurped for the ball game between the Y and USU. They hadn't got it when I came from evening meal. Tried to call Lettie before evening meal; no answer. Called again and she wrote down conference. Tried calling Vivian; no answer. Pictures from Desiree Johnson; children beautiful. Wanda is having cataract surgery in her right eye on the 9th.

BLESSING; Jessica works so hard to entertain us.

30 SEPTEMBER 2027, SATURDAY

Loved conference. Elder Oaks talked about the Family proclamation; He was seven now remaining who worked for a year prior to its presentation by president Hinckley in 1995. Said he

30 SEPTEMBER 2017, SATURDAY, cont.

was one of the seven remaining who had worked on the proclamation for a year prior to president Hinckley's announcement of it in 1995. The foresight contained in it of today's same sex marriage, cohabiting before marriage. Elder Cristofferson spoke on the flesh and blood of the Savior, Elder Holland about "bashing" ourselves and Sr. Oscarson re service to others; family, neighbor, ward etc. Elders Cook, Rasband, Stevensen and two Seventies spoke in the afternoon. Talked to Lettie; she did watch conference and even asked if I heard what the football game score was. Will call Vivian when priesthood meeting is over. Gave Geri and Carla the lip moisture I got at the health Fair on Friday. Rude me reminded them they hadn't thanked me. Awe.

BLESSING: conference.

1 OCTOBER 2017, SUNDAY

I loved conference. Elder Hales died; Elder Nelson was with him and his family when he died at 12:12 PM. I particularly savored Elder Neil Andersen's talk re the brethren 's Conference talks. Hadn't realized the choir sang four numbers at conference; one in the last hour which I don't remember before. Wilma F. Stopped by with ten names for initiatory. Gave her the chocolate cake Theresa gave me. I like her greying hair. She didn't bring white knee highs; Didn't ask re. Talked to Lettie; she had watched conference. Conner and Megan had been. Did call Vivian last night. Viann and Clair had been there. Viann did grape juice. Hadn't seen much of conference because of company. Wendell had hernia surgery.

BLESSING: Conference.

2 OCTOBER 2017, MONDAY

Tried calling Becky. Steven spent the wee hours of the morning with Wendell; He was to stay in the hospital overnight. A large number of books on the cart in the library for reshelving as well as three not catalogued; typed them up. To the Classic Music club: Paul Dukas, French. Ambivalent re his music. Long hard nap afterwards. Was cold during the music club. Went to FHE; interesting but LONG; thought it would never end. Talked to Lettie; Rachel had taken her to the library; said it was nice out.

Blessing; Steven "there" for Wendell.

3 OCTOBER 2017, TUESDAY

Steve took me to my appointment with Dr. Marshall. When I checked in she said she didn't have me on the schedule; showed her my appointment card. Checked and said he was booked up; they had erred in not scheduling the right date. Next week same time. Auwc. Went to Jessica's Activity Forum. Problems with tokens coming back. Spends \$45 a month buying new tokens. Dropped the three books off to Mildred; she will catalogue them. Ruth is an outpatient patient. Goes from 4 to ten. I need to call Ron. Terrible shooting in Las Vegas yesterday; one man mowed down 59 people and injured 529. Was at a western music festival. Tragic. Flags are to fly at half mast through Friday. Talked to Lettie. First time in I can't remember when she asked what I had been doing. Talked to Gladys.

BLESSING; Lettie seemed more like her old self.

4 OCTOBER 2017, WEDNESDAY

RS. Delightra taught Elder Andersen's Apr. Conference talk on Overcoming the World. Lunch w

4 OCTOBER 2017, WEDNESDAY, cont.

With Wanda. Lettie and Rachel came with puzzles, tomatoes and bread. Rachel asked if I knew re Ruth. I asked re payment and choice of rehab. They (?)checked several before deciding; Lettie/Don will be paying for rehab. Went to hear the scheduled musician; wasn't there. Tried to go to the Tai chi class; no one there. Went to the Scripture study: last chapter of Hebrews, first chapter of James. Talked to Vivian.

BLESSING: Lettie and Rachel came.

5 OCTOBER 2017, THURSDAY

Teresa and I did the ten names Wilma gave me. I also did five other names. Beautiful blessings. Enjoyed the different ordinance workers who did the ordinances. Read several chapters in The Book of Mormon while waiting. Put names on the temple roll. Went to the Japanese harp program but the performer didn't show. Talked to Lettie and had a coughing fit; had to hang up. Surprising thing I called her and message of "not answering..." and she called back in about five minutes. Im' exhausted. Early to bed for me.

BLESSING: Ten initiatives.

6 OCTOBER 2017, FRIDAY

Washed a load of whites; lost one of my temple shoes. Went to the Fall Clinic where Igan talked about the whys, hazards, and precautions. I won the raffle which I didn't even know they were having: a plastic drinking glass, bed socks, and something I need to find out what it is. Conner told me their trip to Idaho was delayed because of an appointment re buying a house. Dr. Marshall's office called re my appointment on Tuesday; to come fasting. Wanda's cataract surgery is to be at the hospital at six Monday AM,. Talked to Lettie; she remembers better than she did for awhile (remembered that I had a bad cough last night.) Talked to Betty J. Rec'd Zion Direct statement with two cent in my investment; had evidently ignored communication as they had changed investors. Have turned it over to Wanda to do what needs to be done; long, long wait to be able to talk to someone. Catalogued two books found on cart.

BLESSING: Lettie seems to be having better short term memory.

7 OCTOBER 2017, SATURDAY

Did a load of "darks". Had a walk around the building; 70 degrees, almost hot in my sweat shirt. Sonia Aycock stopped by; eye problems; not going back to NC for a while. Gail nee Pope brought me Clive's Life Story; have read almost all of it delightful. Alicia put a new nose piece on my oxygen; love its softness. Vivian called for the use of my oxygen meter. Her oxygen was down; turned it up. Talked to Lettie; had been to the library. Ruth and Rachel had been grocery shopping; she had been to the library. Checked with Arden; he will talk to Lisa re the end of Wilma's bequest; will be having all my Jamestown expenses taken from my checking account for November charges.

BLESSING; Lovely day; out in the sun.

8 OCTOBER 2017, SUNDAY

Good Sacrament meeting; Wanda didn't go. Was having trouble with low oxygen last night. Took her an oxygen gauge. Left during testimonies to check on her. Said she was tired and had a sore throat. Stopped in again after the LDS singers and she was sound asleep. Talked to Lettie.

8 OCTOBER 2017, SUNDAY cont.

Alicia had taken Clive's life story to her. I was pleased that she took it directly from here. Was glad I went to LDS singer: 30 plus young people. Judith was there. Carla's birthday: 79, I think. Her memory seems to be getting worse; she couldn't remember her age her birth year when we discussed it yesterday. Talked to Vivian; Bryson's wife died. He talked to Clive when Arden called and told him he loved him; if I understood asked him to look for his wife when he died. Made Clive cry. Diane and Norm came to do visiting/home teaching; shared Elder Nelson's statements re the Book of Mormon. RS presidency released. Janet Rees new president; Diane still secretary.

BLESSING: Thanks for the Sabbath Day.

9 OCTOBER 2017, MONDAY

Wanda had her second cataract surgery; little more pain than last. Conner reported nice visit to gooding; Clive quite jovial and then seemed to fade. Brought apples from Vivian (in his car). Token store open Monday-Friday via an asst. never caught one in . Went through note pads; shared the ones without my name with tablemates. Slept too long. Checked re fasting and med taking in the morning: take meds with as little water as possible. Talked to Lettie; she had been reading Clive's book; had been to the dentist.

BLESSING; Wanda's surgery is past history.

10 OCTOBER 2017, TUESDAY

Slept rather fitfully. given an I Pad to fill out after paying my \$15. Had to ask for help. Felt stupid. Confirmation of earlier material: Wanda, Wilma, my contacts, etc, etc. Dr. Marshall took my report of foot leg pain seriously; ended up taking off my right compression hose; hadn't realized how tight these pants are. He removed wax from left ear; other he said was free. Got flu shot and the lab drew four vials of blood. Back by eleven. Conner brought apples Vivian sent. Wanda had a Dr. Appointment; said eye looked good, will see him again in a week. E-mail from Sonia A. with Google address for Helen Aycock's obituary; didn't get the obituary bur did get the day she died; was 94, Sep 12th. I read the RS/priesthood lesson a couple days ago from pres. Hinckley's manual; great chapter on the Priesthood in the leadership of the church. Talked to Lettie; Rachel had some dental work done.

BLESSING: I like DR. Marshall; Wanda's surgery was successful.

11 OCTOBER 2017, WEDNESDAY

Great night's sleep. Hair cut; RS. Tried to get Helen Aycock's obituary; couldn't get her picture or the obituary info. She was 94. Five lovely Christmas card from the Mouth and Foot painter. We went VT to Carolyn B. And Mildred A. I went to hear Bob Shorten; loud, quite personable, a mouthpiece so you can't help hearing him; foot tapping. Tried calling Lettie; line continually busy. Tried calling Rachel; message requested. Talked to Ron re Ruth early afternoon.

BLESSING: Made contact with Ron.

12 OCTOBER 2017, THURSDAY

Manicure, thanks to Jessica. To the temple; got six of the ten endowments done. Seventeen went to the temple. Took Wanda her evening meal. Today washer massage day. Elona is an amazing friend. Called Lettie; Dr appointment tomorrow re her arm. Talked to Vivian. Apples given to

12 OCTOBER 2017, THURSDAY, cont.

her by a neighbor. Lettie reminded me that I was sharing with her. I just put three in a bag. Talked to Gladys. She went to her othamalogist Monday and found she needed a shot in both eyes. Has trouble seeing to set her oven and the thoughts of her driving scares me to death. LeAnne came back from her India trip with severe nasal problems; doesn't want to be bothered. Had to cancel their opera ticket for tomorrow. I feel VERY concerned about her; no visiting or home teachers.

BLESSING: Lettie's general mental health.

13 OCTOBER 2017, FRIDAY

Talked to Conner about Alicia needing to go to one ward. Said she isn't active. Went to Jessica's musical performance. Pleasant voice, competent pianist. Many songs. Talked to Lettie; hip problem and didn't go to Dr. Appointment. Ron had been over. He is singing in a chorus. Finding it very satisfying. Wilma called and will be by at 8:30 to deliver my temple shoes and hose. Going to the movie to wait for her. Stayed in the movie about an hour and came back to my room. Read the Ensign article re the 76th chapter of the D&C; hadn't recognized its designation as "The Vision" before. Great article. Alicia is taking apples and Elder Hales tribute to Lettie; tucked in an apple for her. Wilma came almost on time. Had to ring the buzzer as the door was locked. Could have used my "button". Ready for bed.

BLESSING: Temple shoes and stockings.

14 OCTOBER 2017, SATURDAY

Talked to Gladys; she and Leanne did go to the opera. Talked to Betty J. Took a peek in at the BYU-Miss game. BYU lost. Took a short walk after a two hour nap. Thank-you note from Holly nee Storey thanking me for the baby blanket. Had her baby? Polished two pairs of shoes. Talked to Lettie; still problem with her hip. Too much time in bed? Called Wilma to thank her for my temple shoes and asked if Holly had her baby. Doesn't think so. A book re Orin hatch in library; catalogued.

BLESSING; Polished shoes.

15 OCTOBER 2017, SUNDAY

President Parkinson spoke at Sacrament meeting. Alice W. taught SS; lesson was on the prophet; excellent D&C references. I enjoyed them when I read the lesson earlier. Finally wrote to Shirley; thought I had lost it but Wanda to the rescue. Talked to Lettie after going to the LDS singers where I sat by Lucy C. friend of Lillian H. Lettie wanted to know if I had any garments too big? Little? Couldn't understand her; will send a couple of pairs. Alice told me Cameron was to be in the Manilla MTC for a week. Also told me that Bryson had brought his wife to Utah to be buried. I assume in the cemetery by Arden and Rhonda's son, also where Gail nee Pope buried her first son.

BLESSING: Wanda rescued my letter to Shirley.

16 OCTOBER 2017, MONDAY

Checked with Dr. Marshall's office. Am to reduce levothyroxin. Called ZionDirect and eventually talked to Bruce snow and Wanda on a conference call. He/they will be dealing with Wanda re my account. Went to the Classic Club; ten minute wait for Marsie to come read re him;

classical music not her forte. Went to the building a ship in a bottle; little disappointing. Sent Lettie one garment; will call and if this one works will send another. Lovely birthday card from Ruby Haws. Mary Miles called; will be over tomorrow at four. Haven't read her relative's book on After Armageddon. Went to FHE; returned mission president, wife and daughter serving the Alpine Mission: German speaking parts of Switzerland, Austria and part of Germany. Short video showing the area; beautiful. Interesting, a little long. Talked to Lettie; she has a new mattress. BLESSING: Made contact with ZionsSecure/Wanda.

17 OCTOBER 2017, TUESDAY

Last night Alice W. gave me copies of the twins' missionary letters. McKay's was re his getting to the Philippines: traffic, humidity, living conditions as he went out tracting. Cameron's from NY rather humdrum. Went to Chester's Food Forum. Mitch fixed my bathroom sink drain. Saw Theresa's pumpkin; not sure she will get a prize. Conner seems to feel that Ruth is doing well. Wanda called re info wanted re Zion's Secure conversion. Not sure the why of some of the questions. Mary and David Miles came. David was a surprise; felt badly couldn't understand what he said. Garbled plus my hearing deficit. Mary brought a lovely card and a book of lovely postal stamps. She said they would last longer than flowers. Sweet of her. Talked to Lettie; she got the garments. Had them on. Talked to Vivian. She and Clive spoke in church Sunday. Rhonda is in CA with Bryson's baby. BLESSING: Mary's thoughtfulness.

18 OCTOBER 2017, WEDNESDAY

Birthday cards from Theresa, Lettie and family; Theresa gave me a handkerchief, a heart on a stick and a piece of candy. Janet, of RS, brought a card from the RS and cards from Diane and Norm; also a chocolate bar. Card from Amy Mackley and Betty J. Wanda gave me two ink cartridge; a card and balloons at noon meal. Ate on a red plate saying "this is your special day". When Ruth came she brought a big bag of Tomatoes and two boxes of Famos Amos cookies. I took a big plate of tomatoes to share at noon. Marami. A nap and a walk around the building; beautiful day. Just before evening meal Afton and Blaine brought me a card. Fat envelope, compressing a birthday cake with candles. Most unique. Talked to Lettie; told her about Clive and Vivian speaking at Sacramento meeting last Sunday. Birthday card from Tina and Bryan/family; a run down on all their children. Tina is a super thoughtful woman.

BLESSING; Peoples' kindnesses on my birthday.

19 OCTOBER 2017, THURSDAY

Geri Fox's 90th birthday. Her daughter was here from CA. To the temple. Eighteen. Put quilt on bed; washed the comforter neva made me. Frayed around the edges. Dr. Marshall's office called. Appointment with him in two weeks re the lab work. She knew nothing re the change in levothyroxin. Called VRX re the acetaminophen codeine refill. Talked to Lettie. Regan and Trish had been. Commented re Clive's talk at Sacramento meeting. I am tired. BLESSING; The temple; Jamestown Branch volunteers.

20 OCTOBER 2017, FRIDAY

Barbara nee Smith called last night. Holly still hasn't had her baby. Habceb has done well on his f

father's genealogy; they don't know their mother's maiden name. Wanda has had a bad bout with diarrhea. Went to the Fairbanks Musical performance. Oldies. Quite enjoyable. Was eight before I talked to Lettie; her RS president had visited. Ruth cooked meat loaf for evening meal. Seemed to enjoy the aroma. Got the apples I sent by Alicia (how long ago?). My nose has joined my eyes in running.

BLESSING: Lettie sounding "good".

21 OCTOBER 2017, SATURDAY

Read a little book on Chopin that Teresa loaned me. He died when he was 39. After my nap I walked around the building; cold but nice and sunny. Wanda feeling better. Wants me to ask Clive if she can put his This is My Life... on Family history. Sent the garments to Lettie via Alicia; hope she took them there today; she worked this morning. BYU is playing East Carolina tonight. Talked to Lettie; Alicia hadn't taken the garments to Lettie. Talked to Vivian and Clive. He is willing to have copies made and has CD's which both he and Wanda says will be easier to put on Family History. Vivian was pleased that someone in the ward roto-tilled her garden spot and took up the debris.

BLESSING: Clive able/willing to talk to me.

22 OCTOBER 2017, SUNDAY

Lanny's dad, Melvin, and Brother Slider spoke at sacrament meeting. Wanda didn't go. Steven wrote that Maria just got out of surgery; she fell and broke her hip. Called Betty J. To get Bev Stephan's phone number and learned Gladys had broken her write wrist. Leanne took her to insta care and they are to call a Dr. In the morning for an appointment to see what should be done. Talked to Lettie; they had visiting and home teachers today. Had salmon and new potatoes from Reagan for dinner. Called Bev and she and three others had been out to see Gay Mitchell on her birthday; painted a depressing picture of Gay's condition, physical and environmental. Finished reading Sheri Dew's book AMAZED BY GRACE. I'd like a copy.

BLESSING: Sunday. Sacrament meeting and Sunday school.

23 OCTOBER 2017, MONDAY

Nice long E-mail from Shirley. Scott's relationship is pau. Talked to Steven. Maria was still in the hospital; will be going to rehab. Went to Walmart. Bought Fe and Cranberry pills, cheese, crackers and some fall flowers. Did our VT to June Pack. Completes for the month. Teresa's son came so I visited by myself. Ate evening meal with Wanda. Called Lettie a couple of times; wasn't answering. Talked to Gladys; she has a cast on. Will go back ?? For more exrays to see if she needs a cast change.

BLESSING; LeAnne is there for Gladys.

24 OCTOBER 2017, TUESDAY

Conner took a picture of the birthday card Afton and Blaine gave me. Wanted Lettie to see it. Maria moved to re-Hab. today. He invited me to use Maria's ticket for My Fair Lady Saturday. Holly had a 9 Lb baby; Caesarean. Long visit with Ruby Haws. After a nap walked around the building; nice out. Geri had two of her daughters for evening meal. Annie Deaver choked and went into cardiac arrest. Taken to hospital. When I talked to Lettie she was positively chatty;

24 OCTOBER 2017, TUESDAY cont.

Ron asked her to knit blankets for one his sets of twin grandchildren . He took her to pick out the yarn for them. I'm delighted; will give her something to do. She has been having a stronger relationship with Ron. I'm glad. Being bishop seems to have helped him develop empathy /awareness of others. Called Gladys; she's to call me back.

BLESSING; Lettie more like her old self.

25 OCTOBER 2017, WEDNESDAY

Annie Deaver died. Called Leland H. and asked them to tell Richard and Clare Nell H. R. S. Tracy taught/ Elder Renland's Conference talk: Feel My Sheep. She gave three books to the library. Typed them and the one Mildred told me about. Lunch with Wanda. She didn't go to RS. Long nap; walked around building. Went to hear the BYU pianist. Well done. Talked to Gladys and Vivian. Gladys apologized re my birthday. Vivian and Clive had done visiting and home teaching. Lettie had left me a voice mail saying she didn't feel well; going to bed.

BLESSING; Janet and her RS board.

26 OCTOBER 2017, THURSDAY

Learned Flo went to Memory Care. Conner came in to see that I knew of Annie's death. Talked to Ruth. And Betty J. Went to the temple; only 12 of us. Missed Annie. Ate pizza with Wanda and her family except Eric. Not bad pizza. Lots of kids. 'Theresa came by in her witch costume. I went down a couple of times; traffic heavy. Kids had bags with lots of candy and they were still giving candy out when I came back about 6:50.p.m. Talked to Lettie; she may come tomorrow. Has got the Sacrament at least once. I think Geri has clothes in the laundry room; nicely folded. I mentioned them to her at noon but they are still there. A stack of Ensigns given to the library (Annie's).

BLESSING: Annie's family donated her ensigns to library.

27 OCTOBER 2017, FRIDAY

Went to a couple of activities. Saw beginning of Beauty and the Beast; went home and slept for two hours. Ruth and Lettie came. Lettie with cotton garments, sanitary napkins and wet wipes. Lettie looks so fragile; memory her biggest concern. Mildred and I catalogued four books. I shelved a number of books returned; most fiction. Saw Wanda briefly; says she is feeling good. Mary Kay called re Annie's funeral/burial arrangements. Lindy b. said she understood they were taking her body to Las Vegas where her daughter lives. She lived with her before she came to Jamestown. I would ave liked to've attended a funeral for her.

BLESSING; Communication with Lettie.

28 OCTOBER 017, SATURDAY

washed whites. Went to see hello Dolly with Steven. Was grateful I didn't have to go to the rest room. Loud, foot tapping. Interesting to see David and his wife Kenna. How they ever have so many dancing on the little stage I'll never know. Got bome in time for evening meal. Went to the Voice works recital; was advertised as a children's choir. Some good voices as always. Lettie wasn't answering when I called. I'm tired.

BLESSING: Steven's thoughtfulness.

29 OCTOBER 2017, SUNDAY

Missed Alice W. at church; Lanny said she was at the ward where their grandchildren were in the Primary program. She came after our meetings and I assume they were home/visiting teaching. I mentioned I missed his dad at activities. Thought he might enjoy some of the musical ones. Funny; Lanny said he thought if he went to some of them he might enjoy them and might want to stay here. Talked to Lettie. Said Rachel had made a good dinner out of left overs in the fridge; that she'd knitted about four rows on her blanket. Talked to Gladys. She is moving to Legacy by the Jordan River temple. The weekend before thanksgiving. Keeping her WT apartment until the end of the month. Gives ample notice to Zions, and time to leave some things there until she can dispose of them. 36 degrees this morning but after a long nap I walked around the building; not a cloud in the sky; didn't need an extra sweater. Went to LDS singers before talking to Vivian. BLESSING: Lovely, lovely afternoon walk.

30 OCTOBER 2017, MONDAY

Spent the morning in my room. To Classic club: max Bruch, never heard of him. Cocoa and toast for evening meal. A box of chocolate covered macadamia nuts from Shirley and Blair. Visited with Wanda as she finished her evening meal. She has an appointment with a dermentologist on Thursday. BLESSING: Shirley and Blair's thoughtfulness.

31 OCTOBER 2017, TUESDAY

Went to Resident's meeting; early lunch and to appointment with dr. Marshall. Back in plenty of time to go to the new Resident Social. Do have a smaller prescription of levothyroxin en route. Appointment on the 7th for a test, checking possible cause of foot pain on the 7th of Nov. Conner said that Alicia is moving in with a friend. E-mail from Wilma; will stop by for ordinance cards and my mending tomorrow after she plays at the Senior Center. Talked to Lettie; her knitting is progressing. Rachel put a sign on the door; "no candy". Talked to Gladys. Her niece Kathy is with her until Thursday. Her cast will be removed and something else put on tomorrow. I asked her for one of her smallest creches.

BLESSING; Short wait for Dr. Marshall; new Levothyroxin prescription in the mail.

1 NOVEMBER 2017, WEDNESDAY

Rec'd the November Ensign and new era. Also Tribute to Elder Robert D. Hales. Wilma and Keith stopped by afternoon meal; she picked up some mending I need doing and I gave them the ordinance cards we completed and three pumpkin chocolate chip cookies. RS; Janet, our new RS president did a talk by Elder Nelson on the Savior. Sister Mathews conducted; super nervous. Wanda went to RS. Talked to Lettie and Gladys. Gladys has to wait another week to have her cast changed. Sounded good.

BLESSING; RS. Wilma's willingness to do my mending.

2 NOVEMBER 2017, THURSDAY

To the temple. 69 degrees on our return. Nice visit with karna h. on the phone. She will be sending me copies of Joel's missionary letters. Rec'd my 125 mcg prescription of levothyroxin. An uncatalogued book in the Library: The Greatest Gift; just a little one; I think I'll read it. Decided to wash "darks" after evening meal. Included four pairs of pants, three skirts and

2 NOVEMBER 2017, THURSDAY cont.

three blouses. Called Lettie; sounded chipper. Clothes came out beautifully; was afraid I would have to iron one or more skirts; not so. I'm exhausted.

BLESSING; Temple session; Lettie sounding upbeat.

3 NOVEMBER 2017, FRIDAY

Teresa's birthday. Gave her a card with a Lindor for a stamp. The DR staff sang to her at noon and gave her balloons. She must've been with family as she didn't come for evening meal.

Wrote to Shirley. Called Steven re maria; doing well. Catalogued a book It's a Wonderful Life.

The TV shown each Christmas with Jimmy Stewart is based on the story in this book. Read Sr.

Oscarson's Women's Conference talk. Excellent. Talked to Lettie and Vivian. Vivian and Clive had been to the temple. He is having trouble with his left eye.

BLESSING: Wanda rescued my letter to Shirley.

4 NOVEMBER 2017, SATURDAY

Got a new Credit card through 11/20. Slept three hours this afternoon; feel like a zombie. Read the rest of Women's Conference and Pres. Uchdorf's talk. Finished the memoriam for Elder Hales. No answer when I called Lettie or Gladys.

BLESSING: Printed Conference talks.

5 NOVEMBER 2017, SUNDAY

Enjoyed a little longer in bed with the end of Daylight Saving time. Fast and testimony meeting.

Christina bore her testimony, iterated Annie's "pure" testimony. Not very many bore testimony.

Christina taught the SS class re building testimonies. Ate noon meal with Wanda and Anne S.

Tithing settlement, handout of my contributions through October. After a shorter nap than usual I

walked all three floors; found several names of people I don't know. Talked to Lettie and

Vivian. Alicia took the bag I asked her to take and Lettie confiscated the cookie. Talked to

Gladys; she is moving the 18th. Talked to Betty J. She is having an MRI of her back tomorrow.

Doesn't like the confinement; gets claustrophobic.

BLESSING: Tithing settlement.

6 NOVEMBER 2017, MONDAY

Had my toenails cut. Feet cold with out my hose until the podiatrist came. He is fast, pleasant

and good. Read Elder Cristofferson's conference talk. I'm reading the Jesus Christ references in

the Book of Mormon. Decided to send maria's Get Well card by mail. Got all Christmas cards

I've accumulated (81). So few with pictures of anything related to the nativity/Savior/Mary.

Went through old cards received and it was hard but threw most of them away. Alicia brought

apples from Lettie; sure smell good. A nice long E-mail from Shirley. FHE by Ramon Sanft.

BLESSING; Letter from Shirley.

7 NOVEMBER 2017, TUESDAY

Went to a goal setting class by a BYU student. Earnest young man; couldn't relate particularly.

Ate noon meal early with Wanda and Geri so had plenty of time to leave for my Quantaflo test in

Dr. Marshalls' office. Very fast; was wise to wear a skirt as I had to take off my hose. Tested both

feet using a clip similar to Oxygen tester on a toe of each foot and on one finger. Then I was to

flex my feet for fifty times. Got back in time to go to the RS Social. Pretty table, plates, pumpkin doughnuts. Rich, good; took half of mine to Wanda. I'll call Lettie and have an early night.
BLESSING: Short time at Dr. Marshall's office

8 NOVEMBER 2017, WEDNESDAY

Hair cut. To the BYU Art Museum. Largely abstract art. Wilma F. brought mending items she did for me. Also eight female initiatory and five male ordinance cards. A letter today from Christie Norris that this will be her last year doing income tax. Talked to Betty J. She didn't have her MRI. Panicked. Her family is having an open House for her 90th birthday on the 19th of November in the social room at West temple Apt. On her birthday dinner in the restaurant on top of the Joseph Smith Memorial building. Talked to Lettie; she was the one who brought the apple sauce; thanks to Ruth. Said Rachel spent the day in bed; anniversary of Luke's death. Tried to call Gladys a couple of times; no answer.
BLESSING; Lettie sounding "good".

9 NOVEMBER 2017, THURSDAY

After washing my whites, folding, I took a little rest. Knock on door Luann Kohler with roses. Dorothy's daughter I bought three cases of jam from her last year. I had been thinking of her. And she said she had been thinking of me. She brought two cases of jam (just in case, I guess) She will be bringing me another one; I'll share with Wanda. To the temple. Did my nine and Tracy's one initiatory. Went quite fast. Was only able to have one male name done (Lynn Gray) Terry took one but got a nose bleed and didn't do a session. Talked to Lettie: the Spencers had visited. He was their home teacher a number of years ago; remembered them faithfully ever since. Tried to call Gladys, no answer. I'm going to bed earlier than usual; tired.
BLESSING; Did the initiatory for the women Wilma gave me. Luann's visit.

10 NOVEMBER 2017, FRIDAY

Balanced my check book. Theresa didn't go to breakfast; went to see her, didn't sleep well; had cramps in her legs. Also checked her after lunch and just before evening meal; looked better. Fern was there. Went to a class(?) Healing by Light therapy. Not too impressed. To a recital by a young baritone, music major at UVU. Very good and well attended by classmates/friends/family. Talked to Lettie. She was ready for bed. Read conference talks by Elders Rasband and Cook. Continue to read footnote references from the BOM on Jesus Christ. Talked to Gladys; less cumbersome covering for her wrist.
BLESSING: Seem to have enough in my checking account to cover my full Jamestown monthly payment.

11 NOVEMBER 2017, SATURDAY, Veteran's Day.

Barbara nee Smith's 58th birthday. Ann Marie and Adam McKiney came as I was finishing noon meal. Wanda came up and we visited for a couple of hours. Gave them my lion, walrus and one of the ketzekatle birds; a few stickers, note pads and small pens. They were going to the Provo city temple as they left here. Slept a couple hours after they left. Tried calling Lettie; not answering. Went through Christmas cards. Picked out ones I plan to use.
BLESSING: Visit with Ann Marie and Adam.

12 NOVEMBER 2017, SUNDAY

Tracy w. taught the SS lesson for Alice Wakefield. Alice left me copies of the Wakefield twins' missionary letters. They didn't come to church so his convalescence is going on about a month. Ate with Wanda and went with her to put on her coconut oil; couldn't find it. A long hard two hour sleep. A bit of a headache which I haven't had for a long time. A little walk; checked out the movie; almost full house. Talked to Lettie, Vivian and Clive and Rhonda Pope.

BLESSING: MEETINGS OF THE Sabbath.

13 NOVEMBER 2017, MONDAY

A lovely surprise: a letter from Grace The, my first missionary companion in the Philippines in 1986. She is now serving with her Mission President husband Elder Michael The, one of the Seventies in Taiwan. They had been living in Utah. Steven called: they will be coming on the 22nd for Thanksgiving dinner. Went to the classic Club; delightful music; big variety of music by Moritz Moszkowski, a German, Polish composer. When I answered Grace's E-mail, I lost it as I did Shirley's; thanks to Wanda for recouping it. Talked to Lettie.

BLESSING: Letter from Grace The.

14 NOVEMBER 2017, TUESDAY

Another E-mail from Grace The; three children, 26, 24 and 20. One married, a baby; youngest on a mission in Eng-Leeds mission. To Marianne's meeting; not much new: carpet, new bus, eventual building extension. We visited Mildred and heard about her nine children. Went to Jessica's second ASL class. Talked to Gladys and Betty. Conner said Alicia isn't well; went to the hospital; blood tests and a MRI. Luann brought another case of jam. She had half of her thyroid removed some time ago and has been having severe problems. Talked to Lettie; she hadn't heard about Alicia.

BLESSING: Further communication with Grace.

15 NOVEMBER 2017, WEDNESDAY

RS. Judy B. Taught the Hinckley lesson on fellow shipping new members, new people. I need to do a better job. We visited Carolyn B. June to go. Gave Theresa a pack of Christmas cards to go through. Had noon meal with Wanda. She had been baby sitting Sadie. Wrote an E-mail to Grace The. Tried calling Lettie before going to hear Phyllis Davidson. No answer. Conner cashed a check for me. Called Lettie again when I got back from Phyllis' program. No answer but shortly afterwards Alicia called; sounded good; she will be having an MRI next week. Call Lettie tomorrow; has had a bad week. Why am I so tired? Wakefield came today; didn't see lanny; Alice brought the twin's letters.

BLESSING: Judy's effort in lesson preparation.

16 NOVEMBER 2017, THURSDAY

Rec'd the two meds from VRx. Talked to Lettie this morning. Says she hasn't been feeling well. To the temple. 13 of us. Got seven female endowments done and three men. Roses that Luann brought are pau. Collected all the petals. Picked up Friday Chronicle and noted a memorial service for Annie Deaver tomorrow at 1:30 PM. Called Lettie again; "leave a message". I'm tired.

BLESSING: All female endowments done except one. Only two more males.

17 NOVEMBER 2017, FRIDAY

A memorial service for Annie Deaver. Tommy, her son's wife spoke and they showed the video which was made for her 90th birthday. A few of her grandchildren recalled memories. Tommy read a few extracts from one of Annie's sisters re their stay in the orphanage after their father committed suicide. She had two brothers and a sister. Mary Nell, Richard's wife, came; on a walker. They had a few funeral programs. I wish I had one. Evidently the Branch didn't know about the memorial or I think some would have come. Rhonda came to pick up the garments that Lettie is giving to Vivian. Branson and family are moving here next Wednesday with the help of one of his brothers. They will be in Gooding. All out effort to decorate for Christmas here in Jamestown; I resent them minimizing Thanksgiving. Talked to Lettie; still doesn't feel well but sounded better. Went to music performance;; foot tapping but too long. I'm ashamed to say I left before he finished. BLESSING; Annie'S memorial service.

18 NOVEMBER 2017, SATURDAY

Theresa went through the Christmas cards; gave a stack to Fern. Couldn't tell Theresa even got any. E-mail from Pam. Is in Utah (?) Will be visiting Wanda and me Sunday. Pictures from Grace One of her family and her grandson. Also a letter. Called Lettie; cut off and haven't been able to get her since. Called Popes; line continues to be busy. Went to hear a children's group : "Santa's Singers". Short, disappointing. Talked to Richard Harper; apologized for not visiting with Clarenell, his wife, at Annie's Memorial (Rhonda came). Lillian Heil called; invited me to her 90th birthday party; I declined by saying I was otherwise involved ((the Santa Singers); poor excuse. BLESSING: Printed conference talks.

19 NOVEMBER 2017, SUNDAY

Enjoyed the Sunday meetings. Pam came and ate with us at 12:30. Nice visit. Wilma came back later and after visiting in my room went to Wanda's where I identified some of papa's brothers. Short nap. Tried calling Lettie twice. No answer. Talked to Vivian and Clive. Clive has their finances in order. Going to the Dr. tomorrow for Clive's eye; swollen, sore. He asked if I need help. Heart warming. BLESSING; Sacrament meeting; SS.

20 NOVEMBER 2017, MONDAY

Got a mailbox full of catalogues, USU pub. And the last of the Exon's The Lamp. A sweet card from Anne Robertson expressing friendship and apologizing for missing my birthday, the questionnaire I'd been warned I'd get. Not difficult to do. Talked to Ruth and Lettie/ the latter has been experiencing dizziness and spending most of her time in bed. FHE. Relatives of the Wakefield; sang. Talked to Betty J. Open House was a big success. Called Ron W. re the pictures Lettie gave me. Talked to Gladys. Pretty well settled in at Legacy by Jordan River temple. BLESSING; Lanny Wakefield's surgery a success.

21 NOVEMBER 2017, TUESDAY

Wanda ate breakfast; something I don't remember her doing. Not feeling well. Even so she worked on my computer; speeded things up considerably. Wrote an E-mail to Shirley. We finished our VT with a short visit to June Pack. Ruth called and invited me to Thanksgiving dinner. Talked 21 NOVEMBER 2017, TUESDAY cont.

to Lettie; hopes to be well enough to eat Thanksgiving dinner. Finished blanket for Ron's twins. Can't get printer to print. Read a touching story in Utah State's winter magazine; tried to copy it and found out the printer isn't working. BLESSING: VT pau

22 NOVEMBER 2017. WEDNESDAY

Steven and Maria came for thanksgiving buffet; we ate together. Eric and family came and ate with

Wanda. Eric and Mandy both gave me a hug. Long, long nap. Alicia told me she was diagnosed as anemic; not surprised. Talked to Lettie; sounded good.
BLESSING; Alicia's diagnosis.

23 NOVEMBER 2017, THURSDAY

Conner picked me up shortly after noon. Megan chose some Christmas card from my pack. Rachel cooked her turkey in a pressure cooker; had brussels sprouts, asparagus, two kinds of mashed potatoes, bean casserole, dressing, another green veggie, two fruit salads, pineapple, and pomegranate and Rhodes' rolls, ono. Neither Alicia or Lettie ate with us. Table looked nice. I really like Lettie's plates. Visited with Lettie a couple of times. Brought home fruit salad and two big fat rolls. Gave Brennen the little American flag for his suit lapel. He's assisting in refereeing at Timp and wears a suit. Interesting. Exhausted when I got back about 3:30; slept til 5:15 PM. Tried to call Jim Coston, "leave a message". Addressed December birthday cards. Had never noticed that Ruth Will more and Emily Carter's birthdays are the same.
BLESSING: Thanksgiving dinner with Wilmores; visit with Lettie.

24 NOVEMBER 2017, FRIDAY

Wanda worked for hours on my computer; was never able to get the printer to work. She made a lovely copy of Grace's family for me. Mailbox full of mail: wanting money, catalogues and a tear wrenching letter from Vivian and Clive. And a CD(?) of Clive's This is My Life. Ate noon meal with Wanda. Went to AR to see a film on Australia; was on Austria; came back home and had a nap. Typed up thirteen paperbacks left in the library. Wasn't at all hungry for evening meal. Talked briefly to Lettie then called Vivian. She asked to let her call me back. She did and we talked a long time. They had a wonderful time with their family. Clive was in bed: eye painful; called their Dr. And he gave her permission to increase his medicine. Feel the weight of responsibility. Talked to Gladys. She has had good support from Adele and her nephew in her move. A boost for Leanne.
BLESSING: Pope reunion such a success.

25 November 2017, SATURDAY

Mu hearing aids no longer work. Put in a "spare" but don't hear well at all. Auwe. Called Costco; will go on Tuesday after my Dr. appointment. Too long a nap this afternoon. Betty Johnson called; told me about the dinner on the roof garden of the Joseph Smith building and the dinner for the whole family on Thanksgiving day. She was feeling quite well. 70 some odd birthday cards. Went to see the movie tonight after I called Lettie.
BLESSING: Lettie sounding pretty good.

26 NOVEMBER 2017, SUNDAY

Vivian's birthday. Stake high Council speaker and his wife at Sacrament meeting. Delightra taught the SS lesson. Ate with Wanda. She is having trouble with enough oxygen. Shirley, Wilma and Bryan want copies of Clive's book. Alice Wakefield showed me a few pictures of the Pope thanksgiving. One of the table Vivian was so appreciative. Dianne and Norm came to Home teach. They have four sons; nine grandchildren, one son divorced. Shared the article The Bucket with Christina. No answer when I called Lettie. Called Vivian; Clive's eye paining. Been in bed most of the day. She will be glad when morning comes. Put in a work order to have chairs moved in library. Went up to library right after to find them moved. Someone stronger than I had wanted them back. A new book by Alexander Smith.
BLESSING: Sunday meetings.

27 NOVEMBER 2017, MONDAY.

Not hearing is for the ????. Mildred and I catalogued the books after the classic music activity; Gerald Finzi; never heard of him. Couldn't hear much of Jessica's discussion on him. Not my favorite musician. Nice long E-mail from Shirley. Stopped Wanda's after getting a cup of milk tonight; door locked so I assume she was asleep. Made a banana sandwich and drank the milk.

Just not hungry at night.
BLESSING: Talked to Lettie.

28 NOVEMBER 2017, TUESDAY

To Costco for new hearing aids; got ones for today and a set of future week or so batteries and the recharging ones which I will recharge tonight. Still can't hear well but MUCH better than the past few days. Jeff said the ones I put in were the wrong size (no wonder they didn't work). Noon meal and a short nap. To new resident social. Four new people. Sat by Pat originally from Newark, attended East Orange Ward. Lived most of her marriage life abroad. Particularly enjoyed South Africa. Husband still alive. Not sure where. Good refreshments. A box of books left at front desk. On inspection mostly large print Reader's Digests. Five Romance and one Religion; typed up the books. Will be interesting to see if we can find a place for them on the shelves. Tried calling Lettie a couple of times; no answer. Went to a piano and violin recital. Short; most beginners. Wrote an E-mail to Grace.

BLESSING: I CAN HEAR.

29 NOVEMBER 2017, WEDNESDAY

Lanny Wakefield gave the lesson in combined RS and priesthood meeting today: Elder Hales April 2017 talk on Discipleship. Showed all the characteristics as a constellation: Faith, virtue, knowledge, temperance, patience, godliness. Gave the romance books to Jessica for DI at Mildred's recommendation; Readers's Digest fit nicely on the shelf. Talked to Lettie. And at some length to Gladys. Seems to be settling in at legacy in West Jordan. Alicia is working tonight; looked/sounded good; has moved to an apartment in Lettie's ward in the home of a family who are (or going) on a mission. Talked to Vivian; she is always a pleasant person to visit with.

BLESSING: visiting with my sisters and Lanny's lesson.

30 NOVEMBER 2017, THURSDAY

To appointment with Dr. Packer; next appointment in a year. Went to the temple; thirteen of us.

30 NOVEMBER 2017, THURSDAY cont.

Sue S. Brought me a lei, three yellow Plumeria (little brownish but lovely fragrance), and a container of redish papaya. Ono. She left them at Iona's as I was at the Dr's. Talked to Lettie. Went to the Bells concert. Quite delightful; just so-o tired.

BLESSING; Didn't go to sleep in the temple session.

1 DECEMBER 2017, FRIDAY

Attended the musical performance Friends in Harmony; a very professional group. Did a load of whites. Slept too long this afternoon. Attempted to hear the Singer's Company; a children's song/dance. Full house. Couldn't see where I was so came home. Talked to Lettie. Shared papaya with Wanda and she took one of the calendars. Wee will go to Wilma's Christmas concert Sunday afternoon. Took sue's lei to the noon table and used it as a centerpiece. Shared a piece of papaya with Iona

BLESSING: Sue's thoughtfulness.

2 DECEMBER 2017, SATURDAY

Did a dark load of wash. Went to the "Hot chocolate with Santa"; lots of kids, good hot chocolate and I enjoyed the doughnut. And I don't usually like doughnuts, seem heavy on my stomach. Maybe the chocolate helped. Eric picked Wanda and me up and took us to the chapel on the mental hospital complex to meet Wilma where their Chorus sang the first of their two concerts. Lovely. Jessica was in it. Wanda no longer sings but is the Treasurer. Wilma brought us home. She gave me a lipstick. Talked to Ruby Haws before noon meal. Tried to call Jim Coston. "Leave a message." Talked to Lettie; making another blanket.

BLESSING: To Wanda and Wilma's Christmas Chorus concert

3 DECEMBER 2017, SUNDAY

President Parkinson told of hearing of President Monson's asking his brethren to help him stand so he could pray with them; then he told of his sister going to the temple to pray for one of their daughters; a young man who stood with her in the prayer circle trembling and an ordinance working steadying him: people helping people. Listened to the First Presidency's Christmas Fireside. Inspiring. Ruth called; is coming tomorrow at eleven. Lettie had the Sacrament today. BLESSING: Sunday meetings and First Presidency's Christmas Fireside.

4 DECEMBER 2017, MONDAY

Snowed last night. Just a skiff on the ground. Ruth came at eleven; plucked facial hair and put a new nodule on my oxygen. Asked for help in a little gift for Brennen and Megan. She said he still has a little stash of candy under his bed. I used my tokens and bought three bags of candy from the token store. Mixed Twixt, and others for a nice bag of bite size chocolates. Danny J. had foot surgery. Talked to Lettie. To FHE sponsored by the Sanfts; Sera 's Fireside program. Very polished group; loud and I had trouble hearing the dialogue. No answer when I called Vivian. Must've gone to their FHE. Trump in Utah; nothing on the part of PBS news that I watched. BLESSING; A god start on Christmas gifts.

5 DECEMBER 2017, TUESDAY

Dr. Marshall's office called; he is sick, canceled this afternoon appointment .went to the Activities 5 DECEMBER 2017, TUESDAY cont.

Forum, the Christmas shop (didn't buy anything) and Christmas in Croatia. Part of the passport program going on throughout the month. Alicia brought me a crossword puzzle book, rice crispy treats and some very soft, luscious looking brownies. Called Ruth this morning and she was at Costco with Lettie who was having her eyes checked. Asked her about the cost of her meds. Knew she didn't have health insurance. She takes two , \$30 each; last a month. Signed up for the Monday night trip to see the lights in Spanish Fork. Ripped my broken thumbnail off to the quick. Two sets of books given to the library; three from the front desk on Einstein and a bag of books from Esther tucked over by the non-fiction area. Typed them up to the BYU Ballroom dancers. Half hour but packed a lot of dances in that thirty minutes. Talked to Betty j. and Vivian. Clive sleeps a lot; doesn't eat much; lost weight. She has her tree up. Thanks to Reagan. BLESSING: Visit with Lettie and Vivian.

6 DECEMBER 2017, WEDNESDAY

RS. Disappointed in the lesson. Topic was Elder Holland's last conference talk on Being perfect--Someday. Finally wrote an E-mail to Grace The Alice gave me a copy of Mackay's E-mail. Talked about being an oddity: white. My "nap" lasted over two hours; Auwe. Went to hear the Channtenettes, an older group. Tried calling Lettie before. No answer. Decided not to call Gladys; thought she might be involved a movie. 'Will try tomorrow. Enjoying the gooey brownies Lettie sent. BLESSING: holiday performers.

7 DECEMBER 2017, THURSDAY

Delma Coston's 88th birthday. Tried to call twice; always get voice mail. I wonder if they have a new number. Got nails filed, by Jessica. Went to the temple. 13 of us. Tried getting Grace's pictures again: Success!! One at their Thanksgiving table and another of the turkey, huge. Got my first Christmas card; from Mikila Duke, picture of their family. Talked to Lettie; Rachel has a bad migraine. Went to another Christmas musical. Exhausted. BLESSING: the pleasure a plant can bring.

8 DECEMBER 2017, FRIDAY

Decided not to go to Costco; Mildred and I catalogued the books. Ordered an amaryllis for Popes. Bought shampoo from Jessica's store. Learned she does have it in the token store. Conner and Megan have purchased a town house in American fork. Talked to Lettie and Gladys. Gladys has a Dr. Appointment in Provo Wednesday and will stop by to see me. I'm pleased. Can give her fruit cake. BLESSING: Lettie sounded quite upbeat.

9 DECEMBER 2017, SATURDAY

went to a recital of vocal, violin, cello performance in the morning and Eric's (one of jessicas's asst's) Acapella Chorus in the evening. Enthusiastic group. Lettie's voice mail when I called her. Mitchel tried to fix my printer.

BLESSING: Wanda is going to make a copy of my unprinted journal on her computer/printer

10 DECEMBER 2017, SUNDAY

Alice taught the SS lesson on The Proclamation of the Family. Ate lunch with Wanda and Geri. Theresa and I visited Carolyn B. and June Pack. Talked to Lettie.

BLESSING: I DO ENJOY THE Sabbath day meetings.

11 DECEMBER 2017, MONDAY

Ruth's birthday. She came over so I gave her her card myself. Rachel had taken her out to a steak restaurant last night; "The best dinner I've ever had." Ruth brought two big oranges, two big apples and a box of Famous Amos cookies. Lettie said Brennen gave Ruth roses. I, and she, are SO pleased. I went to Walmart; spent \$50; tissues, powder for between breast, pads, neeptela for Conner's Christmas gift, a mango, cheese Piorline. And a couple boxes of orange sticks. Nice long E-mail from Grace. Went to see the Festival of Lights at Spanish Fork and another place in Salem. Colorful but exhausting. Christmas cards from Gail and Geri Wakefield and Amy Mackley

BLESSING: Colorful Christmas lights.

12 DECEMBER 2017, TUESDAY

Went to Marianne's meeting except she wasn't there; Marcie substituted for her. Typed up the four new books the library was given; Mildred is going to catalogue them. Had milk and half a muffin and a frozen roll before I went to my noon appointment. I had a long wait for the Dr.; stewed and fretted for fear I would miss Gladys and Leanne. Did make it back. She brought me a potted amaryllis, stamps, an apple, banana, a small creche which I had asked for and an afghan I knitted for her years ago. LeAnne showed me pictures of her apartment. Nice. As I said goodbye to them discovered the poinsettia the Jamestown Branch gave to each resident. Talked to Lettie. Ruth's visiting teacher brought her a little cake for her birthday. Went to The tone chimes Choir concert. Geri Fox is in it!

BLESSING; Gladys and LeAnne's visit.

13 DECEMBER 2017, WEDNESDAY

Hair cut. RS lesson on the temple; guest teacher from a ward in the stake. She had two lovely

13 DECEMBER 2017, WEDNESDAY cont.

musical numbers. Wanda went to RS: ate noon meal with her. Has broken a piece off one of her

13 DECEMBER 2017. cont.

front teeth. Went on the bus to the Provo library for the special National Geographic exhibit.

Some very striking photographs. Let myself be annoyed by the waiting of about forty minutes for latecomers. No answer when I called Lettie but she called a few minutes later; hadn't heard the phone.

BLESSING: Lettie's phone call.

14 DECEMBER 2017, THURSDAY

To Dr. Marshall re the test he gave me on my feet/legs. Not sufficient blood coursing in my left leg; strange as my right one is the most painful. Prescription: Walk for thirty minutes three times a week. He saw me almost on time. Gave me "marshall christmas gift": sponge and a little scrubber which was crocheted. I was able to eat and go to the temple. Went to the Choir's Christmas concert; 22 numbers. Talked to Vivian and Lettie. Gooding has had inversion, cold, cold weather. Clive not doing well. Just barely finished the paper and haven't even started on the crossword puzzle. Talked to Betty J. she will be at daughter Judy's for Christmas.

BLESSING: The Temple; getting Vivian on the phone.

15 DECEMBER 2017, FRIDAY

Did a load of whites including my temple dress and slip. Went to the Ukraine Christmas : decorated a star; put on stick and went to several rooms singing carols (or a semblance of). The way Ukrainians celebrate Christmas. Tried to call Lettie a couple of times. Liz nee Haws picked up the jam for Ruby and sisters. Said Ruby had fallen. Talked to Gladys. Changing addresses; eyes a problem. Told me that the Tabernacle Christmas concert was being rebroadcast on channel 7; listening to it.

BLESSING: Liz taking jam to Ruby et al.

16 DECEMBER 2017, SATURDAY

Walked my thirty minutes; right hand numb when I finished. Lettie and her girls stopped in while I was napping. Keith and Wilma came for him to play the piano from six to seven at the Creche Festival. They brought me a BIG container of pirolines. Yum, yum. I sat with Wilma for about half the time he played. The creche exhibit was beautiful. Handmade card from Christina P.

BLESSING: Fullmers generosity; visit from Lettie and her TWO girls.

17 DECEMBER 2017, SUNDAY

President Parkinson announced the release of Norm and Tracy next week. Also the Waltons. Sister Walton nor Norm were there; ill. Bro. Walton and Tracy bore testimonies. We will miss them immensely. Class on Jesus Christ. Used a picture to draw out participation. Gail & Geri Wakefield and family were in church. Gail said Don isn't doing well. And that Vivian almost had an accident. Ate noon meal with Wanda and Anne ?. She is a talker. Set up my nativity scenes. Weeded out my address stickers. Learned that Wilma gave the poinsettia to Wanda after their choral program and she gave it to me. I was puzzled thinking Fullmers had given me two gifts.

BLESSING: Sunday

18 DECEMBER 2017, MONDAY

Went to the activity re Mexico's Christmas traditions: had a cute pinata; we finally broke it; was

fun. Wrote a quick note to Grace The. Christmas cards from Holly & Jonas with picture of their son; also from Kaitlin and Scott with picture of their son; one from Shirley Olson and Betty J. Went to the Lithuanian tradition discussion in the afternoon; ended up trying to make stars out of drinking straws; didn't do well. Talked to Lettie before FHE. Eating ham Ann and Rhett had brought. Tonight's FHE sponsored by Norm and Tracy. At evening meal Iona talked about her concern for Geri. Conner stopped in for a visit as he was leaving for the day. Told him I wanted to leave him my desk; Brennen my file and Alicia my chest of drawers and bedside stand. Need to put it in writing. Talked to Vivian; Viann there. Driving them to Twin tomorrow to check Clive's eye.

BLESSING: Lettie sounding good.

Wrote ten Christmas cards. Wanda not feeling well. Got shampoo, soap and some candy from the Token store. Becky called; she and Danny will be in provo for a Dr. appointment; will have noon meal with us. A large number of books given to the library. I brought 21 up to my room. Went to a piano recital; Talked to Lettie before.

BLESSING: Christmas cards sent.

20 DECEMBER 2017, WEDNESDAY

About fifty books given to library; three trips to bring them to my room. Mostly fiction; not sure how they will fit. RS. Sue S. Gave a lesson on the Savior. Becky and Danny Johnson came for Danny's Dr. Appointment; had noon meal with us. Becky brought both Wanda and I a loaf of pumpkin bread, fruit. Walked my thirty minutes. Typed up about twenty-five of the books. Beautiful package from Barbara and Abe; all sorts of goodies. Will wait wait to take everything out until Wanda can see it. Went to Jessica and Afton's musical program. Think I might have a urinary tract infection.

BLESSING; Got about half of the books typed up.

21 DECEMBER 2017, THURSDAY

Went to Insta Care; UTI; Cipro from Edgemont finally came after four. Conner brought a printer from Wanda. He set it up and worked on it for a long time. Not compatible with my old computer, Finished typing up the books. There are eight James Patterson books and little room on the shelf. Also there are ten of Danielle Steel; same problem. Tried to call Lillian a couple of times. She called me yesterday; had been in the hospital. Talked to Lettie longer than usual; she had been busy with people visiting and bringing goodies. Still working on my paragraph of the living Christ. My table for the buffet tomorrow is in the library. A table for three with Carla's name on it there too.

BLESSING; Lettie's cherry voice

22 DECEMBER 2017, FRIDAY

Got all except something to give to Rachel ready to take to Willmores for Christmas. Ate Christmas buffet in library with Wilma, Keith, Steven and Maria. Wanda visited with us until Jacob and family came. Harper gave me a little baby Jesus in a candy cane crook. Packages from Wanda (plant) and Shirley (fudge, pumpkin bread and brittle). Exhausted. Did go to the exercise

22 DECEMBER 2017, FRIDAY cont.

Ethiopia Christmas discussion, the only activities of the day besides the buffet. No answer when I tried to call Lettie. Talked to Vivian. Sounded good. Debbie, Clarke's wife, has the authority to talk to Ryle's Dr. She goes with him to the Dr. They are so grateful for this. Talked to Gladys: she sounded good. Had been to Adele's son's wedding and to Arlene Hawkin memorial with her sister Barbara and family. Bed here I come.

BLESSING: thoughtfulness of Shirley, Blair and Paula.

23 DECEMBER 2017, SATURDAY

24 December 2017, Sunday

Sacrament meeting was comprised of the reading/quoting from The Living Christ interspersed with music. Nice. I flubbed my part. Wanda worked on my computer. Went to Eric's for their family Christmas gathering. Talked to Lillian Heil; insomnia and pain in legs and back. I shifted a few books in the library in the XYZ's. Steven stopped by to pick up the books and jam.

BLESSING: Beautiful Sacrament meeting.

25 December 2017, Monday

Breakfast with Teresa. Wanda worked on my computer; helped me identify where I can get E-mail and write my journal. Noon meal with Teresa and Wanda. A rest. Feel as if I might still have the UTI. Did my 30 minute walk. Conner and Megan picked me up at three; over to Lettie's; opened gifts. Conner outdid himself with a stocking of various items and a lovely little lamp that turns on, up and down, by touching. Ruth had a lovely dinner: turkey breast, carrots, broccoli, mashed potatoes and rolls. Rachel came in time to eat; had been to a movie with Jordan and Paige (their tradition). Lettie didn't eat. Back about five. Took the rolls Ruth gave me to Wanda. Put pj's and listened to PBS news and a re-broadcast of the Tabernacle Christmas program. To bed early.

BLESSING; Lovely Christmas day.

26 DECEMBER 2017, TUESDAY

Betty Johnson daughter, Judy, came just before lunch. We exchanged gifts; good to see her. Ate noon meal with Wanda. Called Insta Care (thanks to Davy for giving me the number) re my UTI. The nurse was to call me back but never did. Went to the New Resident Social. Lynn ? ; looks quite young. Both hands tremble. Reed Willmore called to make an appointment to bring Lettie to lunch tomorrow.

BLESSING: Reed bringing Lettie to lunch.

27 DECEMBER 2017, WEDNESDAY

RS and Priesthood brethren met together to learn of the format of the lessons to be given in 2018. No teacher as traditionally used; more discussion, sharing on given problems, challenges. Christina and President Parkinson led the discussion. Lettie and Reed came. She didn't eat; just had a coke. Nice to see Reed; catch up on his family. Weighs too much but looks good. Daughter Emily going to China to teach English. Son Ethan been in Ecuador for a year. Gave me an envelope for a contribution. Lettie found a puzzle and Reader's Digest to take with her. Wilma and Keith stopped by with a bag of rolls for each of us. I ate one. Had a two hour rest; new antibiotic came. Did my 30 minute walk. Dutch Strata for evening meal one of the worst I've eaten, or not eaten here. Came home and heated a muffin from the freezer and a cup of milk which overflowed; not a drop to drink!

BLESSING: Reed brought Lettie for noon meal.
