7 OCTOBER 2018, SUNDAY

Three zip lock bags of Christmas cards/stickers in library. Gave one to Agnes. Three new books to library. Gave Lettie my quad and bible. Shocked she didn't bring her scriptures. Great conference; 12 new temples to be built; one in Davao Philippines. Another in Utah. 159 operating temples. President Nelson stressed using the name of the church: The Church of Jesus Christ of Latter-day Saints. Not Mormon's church; it is Jesus Christ's church. My E-mail doesn't work. GRATEFUL for: a day of packed conference talks.

8 OCTOBER 2018, MONDAY

Carla's birthday. Gave her her card at breakfast. She can't remember how old she is. Went to the Alpine Scooter and the Classic Club activities. Wanda checked my computer and couldn't get my E-mail. Asked Conner if he would check tomorrow. Lettie has put part of the jigsaw puzzle of a picture of me. Quite pretty. Gave Theresa the other ziplock of greeting cards, etc. which someone left in the library. Don and someone/s ? left twelve books for the library; need typing up. Saw Christina P. today and she said Dianne B. is home. Lettie put together the puzzle which is my picture in my red dress. I wonder if we can stabilize it so we can keep it as a picture. Gave Carmen my brown pillow; willl interesting to see if she wants to bring it back and forth. A pillow is helpful to her. GRATEFUL for: beautiful music.

9 OCTOBER 2018, TUESDAY

Did some quilt tying after breakfast. Jessica did exercise class again; always a good workout. To Marianne's meeting. Wilma F. came; brought two copies of the LDS hymns, one ringed, one large print, words only and two copies of the Ensign. Conner rescued my E-mail; said he didn't fix the problem but made it so I could read it. Read two new ones from Ann Marie who just got home;

replaced by Darla in Houston. Shirley progressing; was able to listen to conference. Good letter from Regan. Ruth took Lettie to the library and will be getting me some CA. Typed up books for library. GRATEFUL for: Conner's computer help.

10 OCTOBER 2018, WEDNESDAY

RS. Lettie went; Wanda didn't. We went to eat after RS; half an hour and no service. Lettie went home. Carmen and I stayed. E-mail wasn't working when I got up. Went on the bus to the Art Museum. Interesting. Tired. Tried my e-mail again; it worked!! Reed Willmore sent three E-mails from daughter, Emily in China. Bank statement came; balanced; no outstanding checks. I don't know why this is underlining everything. Auve. Put a piece of tissue between my big toe and the next one

on my left foot. Helped immensely. I'm going to call this a day. (Don't know why this is under lineing.

GRATEFUL for: E-mail working.

11 OCTOBER 2018, THURSDAY

WANDA DIED. OH. HOW I WILL MISS HER. Learned Wanda was in ER before I went to the temple. Wilma F. with her. On my return from the temple Lettie, Conner and Megan were waiting to tell me of Wanda's death about 3:30 PM. Her boys evidently made it to the hospital just before she died. Earlier in the day Conner told me he had heard from Utah med School: an interview on the 15th of November.

GRATEFUL that Wanda is no longer struggling with her physical challenges.

12 OCTOBER 2018, FRIDAY

Seemed strange not to go up to Wanda's this morning. Sarah and Jacob came as I was leaving exercise. No definite funeral plans. Conner showed me how to get rid of under lineing. Also told me that the Wound Dr. had paramedics take Wanda to ER. And the hospital called Jamestown. He also told me that Megan is pregnant. June. Went to the tasting discussion of various kinds of gourds ; mostly squash. Voice mail from PamWerner. I'll call her tomorrow. So sleepy.

GRATEFUL for: Books shelved.

14 OCTOBER 2018, SUNDAY

Still miss seeing Wanda each morning. Sacrament meeting with Volunteers in Branch doing the Sacrament. Reason? The assigned ward must've been late. Two young speakers; young man leaves for his mission in the Panama City Mission. Pres Freedman (?) counselor in the Stake presidency was there and also spoke. Lettie didn't come and when I went up after SS she was standing by her door waiting for her med. Christina said Alan will be conducting Wanda's funeral. Christina taught SS (Joel and Amos). E-mail from Sue re Wanda's death. A great teacher. A nap. Called Eric re the funeral. They are coming over tonight. A nap. Carmine didn't come to evening meal. We were through by 6:10 and I stopped by to see if she was all right; she didn't know the time. The girl at the desk made copies of Wanda's obituary. She was 67. though under her picture it said 66. Long. Lots of little typographical errors. Covered her life well.

GRATEFUL for: Sundays; concern of residents/volunteers re Wanda.

15 OCTOBER 2018, MONDAY

Walked fifteen minutes before exercise. Another book given to library; Mildred is cataloging it. Called Elaine Crapo to tell her of Wanda's death; she and her husband have moved to Idaho. Regan's letter told of the devastation of the ranch they worked on in and around Panama City as a result of hurricane Michael. Went to classic music Club; never heard of the composer: Boccherini. Decided not to go to the viewing tonight. Ruth will take us to the funeral tomorrow. Our daily bulletin said there was to be a FH; there wasn't one announced at Sacrament meeting and as of 6:51 no Branch member has come. Turned on computer this afternoon No ?? input no E-mail access.

16 OCTOBER 2018, TUESDAY

Wanda's funeral. Ruth picked Lettie and me up at 9:15, too early, but was when I asked her. She looked so nice Lettie didn't recognize her at the door. Brennen came to the funeral; looked so nice in his suit, took Lettie home after the funeral. Danny, Becky and I took me to the cemetery. I didn't get out. Steven dedicated the grave. The cemetery is in a lovely spot. Back for the lunch. The funeral was an hour though I was fearful it would be longer. Bryan gave the opening prayer, Wilma gave her life sketch, Harper and Alexa Wood spoke; Alexa broke down and Eric, bless him, ran up and helped her, Virginia Washburn, (Sarah's mother, and Wanda's Monday helper) spoke. Jacob sang accompanied by Wilma's daughter, Barbara. Linda Herbert spoke and Pres. Parkinson spoke very briefly; pertinent challenge to live by Savior's command. David S. gave the closing prayer. Tina was the chorister. Forgot to say Jacob gave the family prayer. A number of Steven's children came; Cali and David Johnson were there. All of Wanda's siblings were there except Shirley. A number of people from Jamestown, Branch and residents. Karna H was there. They had me pick one of the flowers. GRATEFUL for: Wanda's funeral/family.
